## EVENTS RISK AND EMERGENCY PLAN

AUGUST 2023

### I. Philosophy

Interscholastic athletics is an integral part of the total secondary educational program. Its purpose is to offer educational experiences not otherwise provided in the curriculum which will promote the student athlete's physical, mental, moral, social and emotional well-being.

Interscholastic athletics shall be primarily for the benefit of the students who participate directly or as spectators. The interscholastic athletic program shall exist for the value which it has for students and for the benefit of the sponsoring institutions.

### II. Purpose

A. A school's academic program and athletic program need to work together to achieve the overall goals of the education system. The purpose of a school's athletic program is diverse:

1. To subordinate it to the academic program which is the basis and prime reason for establishment of an educational institution;
2. To protect the good name of the school in the community;
3. To promote the principles of good citizenship; and
4. To recognize participation in athletics is a privilege.

### III. Objectives

- A. To provide safe athletic events and a meaningful experience for student athletes, coaches and spectators alike.
- B. To prevent a crisis from beginning or escalating.
- C. To focus on risk management and emergency plan for athletic events.

#### IV. Code of Ethics

- A. It is the duty of all concerned with high school athletics:
1. TO EMPHASIZE the proper ideals of sportsmanship, ethical conduct and fair play.
  2. TO ELIMINATE all possibilities which tend to destroy the best values of the game.
  3. TO STRESS the values derived from playing the game fairly.
  4. TO SHOW cordial courtesy to visiting teams and officials.
  5. TO ESTABLISH a happy relationship between visitors and hosts.
  6. TO RESPECT the integrity and judgment of the sport officials.
  7. TO ACHIEVE a thorough understanding and acceptance of the rules of the game and standards of eligibility.
  8. TO ENCOURAGE leadership, use of incentive, and good judgment by the players on the team.
  9. TO RECOGNIZE that the purpose of athletics is to promote the physical, mental, moral, social, and emotional well-being of the individual players.
  10. TO REMEMBER that an athletic contest is only a game...not a matter of life or death for player, coach, school, official, fan, community, state or nation.

#### V. Strategies

As a course of action, the Safety Committee has developed the following steps:

- A. Clarify chaperones' duties and expectations with regard to crowd control.
- B. Clarify police involvement at event OCIAA Championships.
- C. Construct an event checklist so as to identify potential risks and to note coverage areas.
- D. Share this developed plan and review it annually during the scheduled September Athletic Directors Workshop.
- E. Share information and review procedures annually for NYSPHSAA Thunder and Lightning Policy during the first Athletic Directors Workshop held each school year. (attached).

- F. Share the Public Access Defibrillator (PAD) program and review it annually during the scheduled September Athletic Directors Workshop.
- G. Pursuant to the Commissioner of Education and Education Law (section 136.4) regarding the requirement for AED's in Public Schools it is required that:
  - 1. Whenever an instructional school facility is used for a school sponsored or school approved curricular or extracurricular event or activity, the public school officials and administrators responsible for such facility ensure the presence of at least one staff person who is trained, pursuant to Public Health Law section 3000-b (3)(a), in the operation and use of automated external defibrillator.
  - 2. During any school-sponsored athletic contest or school-sponsored competitive athletic event held at any location, the host school shall ensure that automated external defibrillator equipment is provided on-site and that at least one staff person who is trained, pursuant to Public Health Law section 3000-b (3)(a), in its use is present during such contest or event. If an event is sponsored by the OCIAA (League Championships, multi-school events held at a neutral site, etc.), the ROIA will ensure that an automated external defibrillator is provided on-site.
