- Action Item
- Discussion Item
- Informational Item

Presenter:

Dr. Robert Zayas, NYSPHSAA Executive Director

Effective Start Date:

2024-2025 School Year

Details:

The following increase of NYSPHSAA membership dues will be included within the NYSPHSAA Budget to be voted on at the May Executive Committee meeting.

\$1050 + \$1/student over 300

This represents a \$50 increase of the base fee

Additionally, the base fee of NYSPHSAA membership dues will increase \$50 annually beginning in the 2024-2025 school year. The Executive Committee expressed interest in incorporating structural growth of membership dues within the association's budget structure. Schools can now budget a \$50 annual increase. The \$50 annual increase will be included within the NYSPHSAA Budget, which will be voted on at the May Executive Committee meetings. A sample schedule increase is below. The increase will continue until the Budget/Audit Committee proposes a revision based upon membership feedback and input.

CHAMPIONSHIP ADVISORY COMMITTEE/FOOTBALL – Continue Use of Standby Official on the Field for Football State Semifinals and Finals

- Action Item
- Discussion Item
- Informational Item

Presenter:

Greg Ransom, CAC Chair

Proposal:

The NYSPHSAA Championship Advisory Committee is seeking approval, at the request of the Football Committee, to permanently continue using the standby official at the semifinal and final games as an on-field working official.

Effective Start Date:

Fall 2024

Rationale:

Prior to the pilot, five working on-field officials and one standby official were being used. The back judge is responsible to cover all down field plays with the line judges supporting them. Today's teams and athletes are producing more and more downfield plays. These downfield plays are becoming more difficult for a back judge to cover alone. The standby official is on the sidelines working with the chain crew and is used if an official is not able to continue due to an injury or illness. Continuing to allow the standby official to be a working on-field official then there could have two back judges on each side of the field which would provide greater coverage for downfield plays and allow the line judges to monitor the line of scrimmage area better.

Proposal Originated:

NYSPHSAA CAC following a discussion and recommendation by the Football Committee in December 2023.

Budgetary Impact:

Currently, the standby official is being paid ½ game fee to stand on the sidelines. If he was to become an on-field working official, he would receive a full game fee.

Drone Policy – Law Enforcement

- Action Item
- Discussion Item
- Informational Item

Presenter:

Dr. Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consider revising the NYSPHSAA Drone Policy to address law enforcement. Proposed revisions:

“The NYSPHSAA Executive Director has the authority to grant an exception to this policy to ~~law enforcement~~, public safety agencies, NYSPHSAA media partners, or other entities or individuals; the use of drones by law enforcement agencies does not require approval from the NYSPHSAA Executive Director. Any request for an exception to the policy must be submitted to the Executive Director at least a week prior to the event. The exception is limited to the specific event requested and requires the consent of the host venue.”

Effective Start Date:

Fall 2024

Rationale:

Law enforcement agencies work cooperatively with school districts and should not require approval from NYSPHSAA to operate a drone during a high school interscholastic event.

Proposal Originated:

NYSPHSAA staff

Budgetary Impact:

None

Notes:

The NYSPHSAA Handbook Committee supports this proposal.

Revised Drone Policy

New York State Public High School Athletic Association Drone Policy

The New York State Public High School Athletic Association prohibits the use or possession of unmanned aircraft or aerial systems (UAS), also known as drones, for any purpose by any person or entity at all scrimmages, regular season and post season events.

This prohibition applies to the area above and upon all spectator areas, fields of play, courts, arenas, stadiums, mats, gymnasiums, pools, practice facilities, parking areas and or other property being utilized for the purpose of the interscholastic activity.

If there is a report of UAS activity at an athletic event school, Section and/or State Association officials will, in consultation with the sports officials, suspend the play until such time as the UAS is removed from the area as defined above or the school, Section/ State and sports officials determine it is safe to proceed.

For purposes of this policy, a UAS is any unmanned airborne device or aircraft. The NYSPHSAA, Section and/or Member School reserves the right to refuse admission to anyone operating or attempting to operate a UAS or to request the immediate removal of any person using or attempting to use a UAS in violation of this policy.

The NYSPHSAA Executive Director has the authority to grant an exception to this policy to ~~law enforcement~~, public safety agencies, NYSPHSAA media partners, or other entities or individuals; the use of drones by law enforcement agencies does not require approval from the NYSPHSAA Executive Director. Any request for an exception to the policy must be submitted to the Executive Director at least a week prior to the event. The exception is limited to the specific event requested and requires the consent of the host venue.

Any use granted under this provision must comply with the applicable FAA regulations as well as any and all requirements set forth by NYSPHSAA. News media must have the necessary FAA authorization. Any individuals granted an exception would be required to sign a document acknowledging and agreeing to the terms of use and agreeing to hold the NYSPHSAA and its member schools harmless from damage to persons or property.

Appeal Procedure – Protest Committees & Use of Video

- Discussion Item
- Informational Item

Presenter:

Dr. Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consider revising the NYSPHSAA Appeal procedures to address when the committee meets and to clarify the use of video is not permissible. Proposed revisions:

“All questions and/or protests as to game/meet rules or as to the conduct of the game or meet shall be heard and decided by the game/meet committee established by that Section or State Sport Championship Committee as the case may be prior to play continuing; and all such decisions shall be final with no right of appeal. In any case, video may not be used to overturn an official’s decision unless the rules clearly provide for the use of video (i.e., ice hockey, cheerleading, basketball, etc.).”

Effective Start Date:

Fall 2024

Rationale:

NYSPHSAA addressed several situations this fall pertaining to protest committees. NYSPHSAA staff and Sections continue to answer questions pertaining to the use of video to overturn an official’s decision. The proposed revisions will help to clarify and emphasize the use of video is not permitted.

Presenter:

Jayda Perry, NYSPPHSAA SAAC Leader
Aiden Pearl, NYSPPHSAA SAAC Leader

Proposal:

Consider approval to add a NYSPPHSAA SAAC member to all NYSPPHSAA Standing Committees (CAC, Philosophy, Budget/Audit, DEI, Handbook, Modified, Safety, Sportsmanship, SADC).

Effective Start Date:

Fall 2024

Rationale:

The NYSPPHSAA SAAC discussed different ways for the student perspective to be more prevalent in decision making process within NYSPPHSAA. After thorough discussion, the committee felt it was important to include the student perspective in the standing committee discussions. It will help students understand the processes and provide a perspective to the adults working on behalf of the student-athletes. Overall, the student perspective is crucial for adults making decisions, as it brings valuable insights, promotes inclusivity, and contributes to the creation of policies and practices that better serve the needs of the student-athlete population.

Proposal Originated:

NYSPPHSAA SAAC December 3, 2023 Meeting

Budgetary Impact:

None.

Notes:

The NYSPPHSAA SAAC student selection would be volunteer based. The student would serve in an Ex-Officio capacity to provide a student perspective (non-voting).

Sportsmanship Rule – Clarification

- Action Item
- Discussion Item
- Informational Item

Presenter:

Dr. Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consider revising the NYSPHSAA Sportsmanship rule to read:

"Spectators and/or anyone involved in interscholastic athletics shall not be permitted to use vulgar/offensive or racially/culturally insensitive language or engage in any racially/culturally insensitive action. NYSPHSAA Sections may sanction, censure or place schools on probation that fail to address derogatory or inappropriate behavior deemed harmful to physical or mental well-being for those involved in interscholastic activities."

Effective Start Date:

Fall 2024

Rationale:

At the request of the NYSPHSAA DEI Committee, the NYSPHSAA Central Committee approved the addition of language to the NYSPHSAA Sportsmanship rule to address the use of vulgar/offensive or racially/culturally insensitive language or engage in any racially/culturally insensitive actions. For clarity, the rule should not only apply to "spectators" as it currently states.

Executive Committee Meeting – January 31, 2024

Feedback:

IN FAVOR:

Baseball (10-0 in favor) – Likes flexibility. Earlier start allows all sections the option and not hold back everyone. Possible minor conflicts with winter championships.

Softball (6-4 in favor) – Likes the flexibility of going earlier/Section can be more restrictive. Starting earlier means extra days allows more time to get in min # of practices.

Boys Lacrosse (7-1 in favor) – Allows flexibility. Can give schools extra practice time to play scrimmages/games earlier and condense season less.

Girls Lacrosse (6-2 in favor) – Many athletes don't pick up a stick until first practice; extra week will help those kids. Likes the flexibility of going earlier/Section can be more restrictive. Overlap of winter sports a concern. Managing gym/facility space a concern.

Boys Golf (7-2-1 in favor) – No concerns/comments.

Outdoor Track (6-4 in favor) – No concerns/comments.

OPPOSED:

Boys Tennis (2-8 opposed) – Likes flexibility. Overlap of winter sports a concern. Concern of extending coach contracts/more time. Concern of competitive advantage for some sections with good weather.

Girls Golf (0-10 opposed) – Concern of competitive advantage for some sections with good weather. Golf unique. Outside only. Believes established start dates should be what we follow. Concern of extending coach contracts/more time.

Flag Football (0-8 opposed) – Believes established start dates should be what we follow. Following with girls lacrosse for sport standards stay aligned with start dates, stay with what we use now. Made a change a few years ago to push back fall sports which has trickled into other seasons. Weather is also an impact on the season start date for spring.

Regional Rotations – Guiding Principles

- Action Item
- Discussion Item
- Informational Item

Presenter:

Tim Mullins, NYSPHSAA Vice President & Regional Rotation Ad Hoc Committee Chair

Proposal:

Consider approval of Guiding Principles for the development of Regional Rotations.

Effective Start Date:

Fall 2024

Rationale:

To address equity concerns related to Regional Rotations, the guiding principles will be used by NYSPHSAA Sport Committees to develop Regional Rotations. The NYSPHSAA staff will be responsible for ensuring the rotations are equitable before the Championship Advisory Committee (CAC) reviews.

Proposal Originated:

NYSPHSAA Ad Hoc Committee

Budgetary Impact:

None

Notes:

Several proposals were considered by the Ad Hoc Committee before supporting the Guiding Principles.

Attachments:

Guiding Principles

NYSPHSAA Guiding Principles for Regional Rotations

1. No Section will play in a sub-regional classification for more than two consecutive years.
2. If there is a bye for sub-regionals, the “bye” will always host the regional game.
3. One Section will not host more than 75% of Regional games in a given year in a sport.
4. At-Large teams will have no travel restrictions.
5. The term of rotations should reflect equity for all sections; with a minimum of at least 6 years.
6. Mid-week travel should be limited/ minimized.
7. Contiguous sectional competition should be considered.
8. The number of participating teams in each Region should be considered.
9. If any of the above guiding principles cannot be met, the sport committee must provide rationale as to why.

Process:

- 1) NYSPHSAA Sport Committee meets to develop regional rotation using established guiding principles.
 - 2) NYSPHSAA Staff examines regional rotation for equity and fairness.
 - 3) NYSPHSAA Championship Advisory Committee examines regional rotation and votes to recommend to NYSPHSAA Executive Committee.
 - 4) NYSPHSAA Executive Committee examines regional rotation provides approval or denial

Note:

The current NYSPHSAA Championship Philosophy states:

“NYSPHSAA CHAMPIONSHIP PHILOSOPHY: “NYSPHSAA will sponsor Championships that represent excellence achieved in each sport. In the interest of equitable competition, minimal loss of academic time, financial impact and logistical concerns including, but not limited to, travel, lodging, meals and facilities for competition, the NYSPHSAA will sponsor one championship experience in a sport when six or more of its sections having four (4) or more of their member teams each sponsor that sport. Championships will be conducted according to established guidelines. All sports will be recognized by the NYSPHSAA as either a team sport or an individual sport, or a combination team/individual sport. Variations will be permitted in the NYSPHSAA classification system.”

- Informational Item

Presenter:

Joe Altieri, NYSPHSAA Assistant Director/Program Liaison

Proposal:

The NYSPHSAA Hall of Fame Committee is seeking approval of revisions to its Policies and Procedures document effective immediately.

Effective Start Date:

Immediately

Rationale:

NYSPHSAA and the HOF Screening Committee is tasked with periodically evaluating the HOF process to ensure it is efficient and up to date. The proposed revisions are items that need updates in the manual due to technology, shifting of dates and procedures that allow for better efficiency from the nomination to the selection process.

The HOF Committee last met in 2017 and made revisions then.

Proposal Originated:

FOOTBALL – Request to Start Practice on Wednesday of Week #7

- Action Item
 Discussion Item
 Informational Item

Presenters:

Scott Barker, NYSPHSAA Section V Football Coordinator
Gary Vanderzee, NYSPHSAA Football State Coordinator

Proposal:

The NYSPHSAA Football State Committee is seeking approval to allow NYSPHSAA member football programs to start football practice on Wednesday of Week #7 (currently football starts Saturday or Week #7).

Effective Start Date:

August 2024

Rationale:

The following points have been noted as reasons why the committee would like to move forward with this:

- Required 10 days of practice (football is the only fall sport that requires 10)
- Current start date does not allow flexibility or absence of a student-athlete before Game 1
- Current start date requires practices over entire Labor Day Weekend
- Fiscal strain for districts opening up schools over Labor Day
- This proposal builds in 2-day flexibility for eligibility
- Allows for safer progression of practice with a holiday weekend
- Accounts for possible missed practices/games over Jewish holiday

Proposal Originated:

Budgetary Impact:

Notes:

The NYSPHSAA Football State Committee voted 10-1 in favor of this proposal at its January 8, 2024 zoom meeting. This proposal makes it necessary for NYSPHSAA to seek approval from the New York State Education Department to extend beyond the NYSED 15-week limitation for Fall sports. FOOTBALL – Modify the Combined Practice Requirements

- Action Item

- Informational Item

Presenters:

Gary Vanderzee, NYSPHSAA Football State Coordinator
Ken Stoldt, NYSPHSAA Football Assistant State Coordinator

Proposal:

The NYSPHSAA Football State Committee is seeking approval to modify its combined practice requirements. The request would be to add letter "F" to the guidelines to read:

F. 11-man football may conduct 11-on-11 drills for a maximum of 10 offensive and 10 defensive plays.

Effective Start Date:

August 2024

Rationale:

Teams are given an opportunity to practice game-like scenarios utilizing the full schematics of 11-on-11 football. This minimal participation provides a healthy progression to a full scrimmage or contest.

GIRLS VOLLEYBALL – Adopt a Three-Day Tournament Starting in 2024

- Action Item
- Discussion Item
- Informational Item

Presenter:

Peggy Seese, NYSPHSAA Girls Volleyball Coordinator

Proposal:

The NYSPHSAA Girls Volleyball State Committee is seeking approval to adopt a three-day, bracketed tournament starting with the 2024 season.

Effective Start Date:

Fall 2024

Rationale:

The addition of a 6th class has greatly extended the day of semifinal competition. The 2023 tournament was bracket play and the doors opened at 7:00 am on a Saturday and finished at 11:15 pm. Even if pool play was conducted, the day would have been shortened some but not significantly.

Proposal Originated:

NYSPHSAA State Committee Meeting in November 2022, then again in March 2023. A possible three-day tournament schedule was further discussed during and after the 2023 tournament in November and it was agreed to go forward with the proposal for a three-day tournament. In March 2024, the committee meets for its annual meeting and will discuss a suitable schedule with the staff.

Budgetary Impact:

\$900 electric, \$200 garbage, \$300 personnel. Court and building rental would not be increased because NYSPHSAA is already occupying the building and has the court set up that Friday morning. With this proposal, some teams would now play Friday afternoon/evening but would not incur additional travel expenses. They would simply play a day earlier. Competition would start no earlier than 3:00 pm on Friday so teams can travel in the same day.

Notes:

The NYSPHSAA Girls Volleyball State Committee supported this proposal 10-0 during a January 5th Zoom call.

Proposal:

The NYSPHSAA Skiing State Committee is seeking approval for a permanent waiver of the Representation Rule reducing the minimum number of races from six (6) to three (3). This would be for all sections participating in alpine or nordic skiing.

BOYS/GIRLS BOWLING – Permit Use of Rotating At-Large Berths To Eliminate Pacer Teams at State Tournament

- Action Item
- Discussion Item
- Informational Item

Presenter:

Mike O’Connell, NYSPHSAA Boys Bowling Coordinator
Eileen Shultis, NYSPHSAA Girls Bowling Coordinator

Proposal:

The NYSPHSAA Boys and Girls Bowling State Committee is seeking approval to permit the use of rotating at-large berths when a division (1,2 or composite) has an odd number of teams competing in the NYSPHSAA Bowling Championships. At-large berths would eliminate pacer teams at the State Tournament and be a part of the state tournament competition.

Effective Start Date:

Winter (March) 2025

Rationale:

Each year the host section is responsible for providing a different “pacer” team for each session due to the odd number of teams that are competing. This is done so teams are not bowling alone on a pair. Securing pacer teams requires the host section to recruit and get students out of school for Friday competition and ask them to volunteer Saturday and Sunday as well. It is a challenge to secure students all day for three days. Furthermore, this proposal would alleviate the management of the pacer teams during the tournament (lane assignments, hospitality, etc) and alleviate the concern of providing quality bowlers to pace with another teams.

It is proposed to establish a schedule which will specify which section will be awarded an at-large berth in each division of the NYSPHSAA Bowling Championships. The schedule will consist of sections who have ten (10) or more competing schools for each of the respective divisions.

Proposal Originated:

Section VI- Dan Kaplan at the NYSPHSAA Boys/Girls Bowling State Committee meeting on October 13, 2023.

Budgetary Impact:

There is no cost to NYSPHSAA as the lineage for the at-large teams would be the same as the pacer teams. There would be typical travel costs (lodging, transportation, meals) for rotating sections to send an additional team to the State Tournament.

Notes:

The Boys and Girls Bowling State Committees supported this proposal with a 16-0 vote at their October 13th meeting.

BOYS/GIRLS BOWLING – Allow Bowlers to Compete in Both Team and Composite Events Starting in 2025

- Action Item
- Discussion Item
- Informational Item

Presenter:

Mike O'Connell, NYSPHSAA Boys Bowling Coordinator
Eileen Shultis, NYSPHSAA Girls Bowling Coordinator

Proposal:

The NYSPHSAA Boys and Girls Bowling State Committee is seeking approval to allow bowlers to compete in both the team and composite state tournament events at section discretion. It is currently not permitted.

Effective Start Date:

Winter (March) 2025

Rationale:

The composite division was created to recognize the top bowlers from each section, but currently a bowler competing in the team event is ineligible to participate as an individual in the composite division. This proposal allows the best bowlers to be eligible to bowl in both the team and individual events at the state tournament at the discretion of the section.

In place of a High Series award in the composite division, this proposal would now allow a NYSPHSAA State Champion, Runner Up and 3rd place finisher to be awarded.

Proposal Originated:

Mark Foeder and Brian Usselman, Section V Bowling Coordinators

Budgetary Impact:

There is no cost to NYSPHSAA.

If a section chooses to send additional bowlers, typical travel costs (lodging, transportation, meals) will be incurred by the section.

Notes:

GIRLS ICE HOCKEY – Adopt New Regional Rotation for 2024 Regional Quarterfinals

Action Item
 Discussion Item
 Informational Item

Presenter:

Carl Normandin, NYSPHSAA Girls Ice Hockey Coordinator

Proposal:

The NYSPHSAA Girls Ice Hockey State Committee is seeking approval to adopt a new Regional Rotation and At-Large plan for its 2024 regional quarterfinals due to Section V announcing their intentions to participate in October.

Effective Start Date:

Winter 2024

Rationale:

On October 18th, Section V informed the girls ice hockey committee and NYSPHSAA they would officially participate in girls ice hockey. This necessitated the committee to meet and develop a revised regional rotation and add an at-large rotation for its postseason playoffs. This sport culminates its season with a Regional Championship (a Final Four), and it is necessary to re-organize the round (quarterfinals) leading up to the final four to include Section V. Adding Section V also required the committee to establish an at-large rotation to fill the byes. See attached proposed brackets and at large rotation.

BOYS & GIRLS TENNIS – DESIGNATE BILLIE JEAN KING NATIONAL TENNIS CENTER AS HOST OF ALL NYSPHSAA TENNIS EVENTS (TEAM, INDIVIDUAL) THROUGH 2028; ADJUST GIRLS INDIVIDUAL TOURNAMENT TO MON, TUE, WED OF WEEK #17

- Action Item
- Discussion Item
- Informational Item

Presenter:

NYSPHSAA Staff

Quan Huynh, NYSPHSAA Boys Tennis Coordinator

Chris Horgan, NYSPHSAA Girls Tennis Coordinator

Proposal:

The NYSPHSAA Staff in addition to the Boys and Girls Tennis Committees are seeking approval to designate the Billie Jean King National Tennis Center as the host site for the NYSPHSAA Team and Individual State Tournaments (both genders) through spring 2028. With this change, it is also proposed to move the girls individual tournament to a Monday, Tuesday, Wednesday competition.

Effective Start Date:

Fall 2024

Rationale:

The boys team (since 2021) and individual (since 1990's) tournaments have been played at the BJK National Tennis Center while the girls have been playing at various clubs around the state. Its is perceived the Tennis Center is the best venue in the country and the boys get to experience this venue every year. With the challenge of weather and indoor availability of the Tennis Center in the Fall (on Saturdays), the girls tournaments are not able to play at this venue thus creating an inequity between boys and girls.

To eliminate the inequity, NYSPHSAA has met numerous times with management of the Tennis Center to explore court time on a Monday, Tuesday and Wednesday (remaining on Week #17) for the girls individual state tournament (currently on a Thursday, Friday, Saturday which is unavailable at the Tennis Center in November). The girls would also be able to continue to play on a Friday (remain on Week #18) for the team tournament at this facility.

It is proposed to enter into an agreement with the Tennis Center for both the team and individual tournaments for girls and boys starting in fall 2024 and going through spring 2028. We are currently already on the books for boys team and individual for the spring of 2024.

There would be no change in travel costs for schools nor would there be any additional missed school time using these days of the week.

Proposal Originated:

NYSPHSAA Staff December 2023

DATE REVISED: January 12, 2024

New York State Public High School Athletic Association

Executive Committee Meeting – January 31, 2024

Budgetary Impact:

The boys tournaments are both already at the BJK Nat Tennis Center so there is no revised financial impact for NYSPHSAA. For the girls team tournament, going to the Tennis Center would yield a savings compared to Drumlins. For the girls individual tournament, it is projected to spend \$12,000 going to the Tennis Center for three days indoors in November, which is a slight savings compared to Sportime, current tournament host. As previously stated, there is no financial impact for member schools. See comparison below.

2024 Girls Team - \$7,000 @ Drumlins, per bid
2023 Girls Team - \$5,448 @ BJK Nat Tennis Ctr

2024 Girls Ind - \$13,000 @ Sportime
*2022 Girls Ind - \$12,000 @ Sportime
**2022 used since 2023 was outdoors at a local park*

SECTION IX

Unsportsmanlike Conduct Rule

Sportsmanship: The NYSPHSAA and Section IX recognizes and appreciates that the influence and responsibility of the school administration with regard to good sportsmanship extends to all levels of competition. However, it must also be seen that the NYSPHSAA AND Section IX has been vested with the responsibility to ensure that all contests under its jurisdiction are conducted satisfactorily. This standard applies to all regular season and post schedule play.

As of July 1, 2013, the Dignity for All Students Act (Dignity Act-Section 52.2, Part 80 and 57-4) is to provide all public-school students with an environment free from harassment, bullying (including cyber bullying) and discrimination, as well as to foster civility in public schools. The Dignity Act focuses on the prevention of discrimination behaviors, including harassment/bullying through the promotion of educational measures meant to positively impact school culture and climate, which includes the interscholastic programs.

Use of derogatory or racially explicit language; discriminatory harassment or bias conduct that creates a hostile environment that is disruptive to the educational environment. Spectators shall not be permitted to use vulgar/offensive or racially/culturally insensitive language or engage in any racially/culturally insensitive action. NYSPHSAA Sections may sanction, censure or place schools on probation that fail to address derogatory or inappropriate behavior deemed harmful to physical or mental well-being for those involved in interscholastic activities. (July 2023)

- I. **Coach (There is no appeal to a coach ejection. The official's decision is final). (Please refer to the NYSPHSAA Handbook – Sportsmanship; Standard 28):**
 1. Any coach excluded by a certified official from an interschool competition for unsportsmanlike conduct is ineligible to coach any interschool competition in that sport until after the next previously scheduled contest at the same level (e.g. junior varsity, varsity, etc.) has been completed. Disqualification from one season carries over to the next season of participation. **The coach may not be present at the game site** nor communicate in any manner during the contest with any person present at the site. **NOTE:** “Not being physically present at the site” means the disqualified coach is not to be present in the locker room, on the sidelines, in the stands or site area before, during or after the game/meet.

Any coach that does not serve the penalty for violating the Sportsmanship Standard will be ineligible to participate in the next two regularly scheduled contests. If the coach continues to not serve the penalty, the matter will be referred to the Section for further action. If the coach is involved in the NYSPHSAA play-offs, the matter will be referred to the Executive Director of the NYSPHSAA.

Any coach:

- A. Who receives a disqualification penalty in a sport shall not participate in the next regularly scheduled contest;
- B. Who receives a second disqualification penalty in the same sport in the same season shall not participate in the next two regularly scheduled contests;
- C. Who receives a third disqualification penalty in the same sport in the same season will not be allowed to participate for the rest of the season (regular season or post schedule play), the Section Athletic Council will assess the penalty carrying over into the next season of participation.

D. The Section IX Athletic Council will have the authority to extend the period of ineligibility in those cases where the actions of the individual that was disqualified from a contest or scrimmage are warranted. The period of ineligibility cannot exceed one year from the date of the disqualification.

2. A coach who strikes, shoves, kicks or makes other physical contact with the intent to do so to another person (e.g. official, another coach, player, fan) shall be expelled immediately and banned from further participation or coaching in all sports for one year from the date of the offense.
3. The coach that was ejected will notify his/her Athletic Director of the incident on the same day that it occurred. The Athletic Director will then contact the League Coordinator as the coach(s) will not be allowed to participate in the school's next scheduled game/games as above.

II. Player Ejections: **(There is no appeal to a player ejection. The official's decision is final).**

1. Any member of a squad ruled out of a contest for unsportsmanlike conduct (flagrant foul, two technical fouls in basketball, two yellow cards, red card, inappropriate language or taunting, fighting, etc.), the following action is **required** by the NYSPHSAA Regulations detailed in Standard #28:
 - A. First Ejection – that player(s) cannot attend or participate in the next scheduled contest **in that sport**. If the season has ended the player(s) cannot attend or participate in the next scheduled contest in his/her next season of participation. **NOTE:** In the sport of football, a player who is disqualified for “targeting” (by a certified official) may not participate in the next two halves. **(May 2022)**
 - B. Second Ejection – that player(s) cannot attend or participate in the next two scheduled contests **in that sport**. If the season has ended the player(s) cannot attend or participate in the next two scheduled contests in his/her next season of participation.
 - C. Third Ejection – that player(s) cannot attend or participate in any remaining scheduled contests for the remainder of that sports season – including sectional, regional and state contests. If the season has ended the player(s) cannot attend or participate in the next three scheduled contests in his/her next season of participation.
 - D. The Section IX Athletic Council will have the authority to extend the period of ineligibility in those cases where the actions of the individual that was disqualified from a contest or scrimmage are warranted. The period of ineligibility cannot exceed one year from the date of the disqualification.

Please note: Disqualifications from one season will carry over to the next season of participation.

2. Any member of the squad who strikes, shoves, kicks or makes other physical contact with the intent to do so to an official shall be expelled from the game immediately and banned from further participation in all sports for one year from the date of the offense. **NOTE:** “Member of the squad” includes player, manager, scorekeeper, timers, and statisticians.
 - A. Communication Responsibilities regarding ejections: The coach of the player(s) who was/were ejected will notify his/her Athletic Administrator by 12 noon the following day. 3. **Misidentified Player:** Disqualification of a player may only be challenged on the basis of misidentification. The misidentification must be established by clear and concise evidence. The school shall identify the offending player who will serve the prescribed penalty. **(Dec. 2010)**

III. Official:

1. Unprofessional conduct on the part of official such as, but not limited to, taunting, baiting, use of profanity, shall be reported by a school administrator from the aggrieved school to the Section Executive Director. A request will be made to the appropriate sport officials' chapter to investigate the incident and to report their action to the Section in a timely manner.
2. The official who ejected the player(s) or coach shall notify the League Coordinator prior to 12:00 Noon the following day of the name(s) of the player(s) or the coach and the infraction(s). The League Coordinator shall notify the Athletic Director of the offending school.

Spectator Policy at Athletic Contests:

1. Expectation Statement: Officials, just like student athletes and coaches, are critical to interscholastic sports programs. Without officials, NYSPHSAA and its member schools would not be able to provide interscholastic sports in the manner that is desired and expected by student athletes, coaches, and parents. Spectators are expected to "Be Loud, Be Proud, and Be Positive." Negative comments and inappropriate behaviors by spectators are required to be addressed by all and any school supervisors and administrators, as a member of NYSPHSAA. Spectators may be prohibited from attending current and future interscholastic contests based on their behavior. (Oct. 2022)

2. Spectator Regulation: Any negative, inappropriate, derogatory comments or actions that draw the direct attention of a supervisor or school administrator by a spectator or group of spectators are required to be addressed by the host school, Sectional or NYSPHSAA representative in the following non-sequential order depending on the comments or behavior:

- First warning – Directing the spectator or group of spectators to refrain from any negative comments or actions.
- Second warning – A personal discussion with the spectators or group of spectators on the above NYSPHSAA expectations and reminding the spectators or group of spectators of the next step, removal of the game or event, will be utilized if the behavior continues.
- Removal from the contest – The spectator or group of spectators will be directed to leave the facility for the remainder of the game or event. If spectators or group of spectators refuse to leave the game or event, play will be stopped until they vacate the premise.

Penalty for being removed from a game or event:

Any spectator removed from a game or event **will have a minimum penalty of completing the NFHS Parent Credential course or a one game suspension before they are allowed to attend any interscholastic event.** Once the course is completed the spectator will provide a certificate of completion to the athletic department office. Schools are required to communicate with the offending spectator on the NYSPHSAA Sportsmanship Spectator Expectations.

- Depending on the severity of the behavior/comments or future disqualifications by the offending spectator NYSPHSAA and the Section may get directly involved in the situation. **(May 2023)**

Section IX Athletics
Gregory Ransom, Executive Director
P.O. Box 656
Goshen, NY 10924

Dear Mr. Ransom,

I'd like to take this opportunity to introduce myself. My name is John Evans and I am the shared Superintendent of the Livingston Manor and Roscoe Central School Districts. I write to you and the Section IX Executive Committee today on behalf of the Boards of Education of these districts with a unique request.

For over 20 years these two small rural schools have been combining athletics at one time or another in practically every sport offered by either school district. Over the last decade, multiple athletic programs have been combined each year at every level. During this time period a lack of consistency and uncertainty surrounding these combined athletic programs has contributed to inconsistent program success, game and entire season cancellations and an overall decline in student participation in athletics at both schools.

In an effort to better stabilize programs and to develop more comprehensive athletic offerings for the students of these two districts, the Livingston Manor and Roscoe Boards of Education are requesting special consideration be granted to our unique situation. At their respective December 2023 regularly scheduled Board of Education meetings both Boards unanimously passed resolutions respectfully requesting that Section IX consider policy changes or amendments/addendum be made to their current combining of teams policy and procedures that would allow the Livingston Manor and Roscoe CSDs to combine all athletic programs at the modified, junior varsity and varsity levels through a more permanent comprehensive sports merger. Official copies of the Board extracts of these resolutions are included with this correspondence. While we are seeking a permanent merger, we realize that such action would still require annual review and approval by Section IX per current NYSPHSAA policy and procedures. In an effort to provide additional background information and rationale for this request, I feel it is important for the executive committee to know that these two districts have conducted two different comprehensive full school district merger studies. The official recommendation at the conclusion of both of these studies was that the Livingston Manor and Roscoe school districts merge to create a new school district through centralization. On both

occasions the idea of merger was put forth to the school communities for a vote and the communities voted against the complete school merger. The first study occurred in the early 1990s and the more recent study was completed in August of 2022 and the vote was defeated in both districts in October of 2022. While both school boards feel that a full school merger is in the best interests of students, they have been unable to move forward due to the lack of support from the voters in both communities.

Declining enrollment, shrinking class sizes and increasing financial challenges make it more and more difficult to offer the depth and breadth of educational and extracurricular opportunities these districts once offered independently. Both boards believe that working together through sharing across both schools can offer our students better opportunities.

According to the NYSED enrollment data for the 2000-01 school year, Livingston Manor's K-12 enrollment was 683 students and Roscoe's was 303. The current K-12 enrollment for the 2023-24 school year is 415 for Livingston Manor and 208 for Roscoe. In this time period Livingston Manor's enrollment dropped by 223 students and Roscoe dropped by 95 for a combined drop in total student enrollment in grades K-12 of 318 students. Included with this letter are copies of pages 13 & 14 of the official merger study document that was submitted to NYSED in August of 2022. These tables show the enrollment projections for both schools through 2028-29. As you can see by these charts, our declining enrollment is not expected to improve.

For the aforementioned reasons the Livingston Manor and Roscoe Central School Districts respectfully request that a permanent combining of teams for all sports at all levels of play be considered for approval by Section IX.

Thank you for your time and consideration regarding this matter. Should you have any questions or require additional information, please do not hesitate to contact me. I will make myself available at your convenience.

Educationally yours,

John Evans

Permanent Athletic Merger

Be it resolved that the RCS & LMCS Boards of Education jointly feel that permanent athletic mergers in all sports at the modified, JV and Varsity levels are in the best interest of the students in both school communities. As such they have authorized their Superintendent to respectfully request that the OCIAA and Section IX athletic councils consider amendments to their current policies and procedures relating to the Combining of Teams to allow for permanent athletic mergers in all sports between these two independent school districts.

The Boards feel strongly that permanent athletic mergers would allow our two districts to more consistently offer age and ability level appropriate athletic programs to our students in a safer and more educationally appropriate manner. Thus allowing for the proper progression of our student athletes beginning at the modified level to junior varsity and ultimately the varsity level.
