## Proposal Sheet

**Title:** Livingston Manor / Roscoe Permanent Merger

**Sport or Committee Origin:** Combining of Teams

**Requested By:** David Eggleton, Athletic Director and John Evans, Superintendent

### **Proposal / Motion:**

Motion to approve permanent mergers for all sports for Roscoe and Livingston Manor due to declining enrollment with the following caveats:

- This is a special circumstance due to the unique situation facing Roscoe and Livingston Manor.
- The mergers will be reviewed annually and will continue to follow the Section IX Combining of Teams process.
- Districts involved in the mergers will maintain standing in the league / section by paying the appropriate dues and fees to both the ROIA and Section IX where appropriate.

### **Rationale for Proposal:**

See attached documentation...

### **Requested Start Date:**

2024-2025 school year

Gregory Ransom, Executive Director

Dear Mr. Ransom,

I'd like to take this opportunity to introduce myself. My name is John Evans and I am the shared Superintendent of the Livingston Manor and Roscoe Central School Districts. I write to you and the Section IX Executive Committee today on behalf of the Boards of Education of these districts with a unique request.

For over 20 years these two small rural schools have been combining athletics at one time or another in practically every sport offered by either school district. Over the last decade, multiple athletic programs have been combined each year at every level. During this time period a lack of consistency and uncertainty surrounding these combined athletic programs has contributed to inconsistent program success, game and entire season cancellations and an overall decline in student participation in athletics at both schools.

In an effort to better stabilize programs and to develop more comprehensive athletic offerings for the students of these two districts, the Livingston Manor and Roscoe Boards of Education are requesting special consideration be granted to our unique situation. At their respective December 2023 regularly scheduled Board of Education meetings both Boards unanimously passed resolutions respectfully requesting that Section IX consider policy changes or amendments/addendum be made to their current combining of teams policy and procedures that would allow the Livingston Manor and Roscoe CSDs to combine all athletic programs at the modified, junior varsity and varsity levels through a more permanent comprehensive sports merger. Official copies of the Board extracts of these resolutions are included with this correspondence. While we are seeking a permanent merger, we realize that such action would still require annual review and approval by Section IX per current NYSPHSAA policy and procedures. In an effort to provide additional background information and rationale for this request, I feel it is important for the executive committee to know that these two districts have conducted two different comprehensive full school district merger studies. The official recommendation at the conclusion of both of these studies was that the Livingston Manor and Roscoe school districts merge to create a new school district through centralization. On both

Livingston Manor Central School 19 School Street, Livingston Manor, NY 12758 845-439-4400

occasions the idea of merger was put forth to the school communities for a vote and the communities voted against the complete school merger. The first study occurred in the early 1990s and the more recent study was completed in August of 2022 and the vote was defeated in both districts in October of 2022. While both school boards feel that a full school merger is in the best interests of students, they have been unable to move forward due to the lack of support from the voters in both communities.

Declining enrollment, shrinking class sizes and increasing financial challenges make it more and more difficult to offer the depth and breadth of educational and extracurricular opportunities these districts once offered independently. Both boards believe that working together through sharing across both schools can offer our students better opportunities.

According to the NYSED enrollment data for the 2000-01 school year, Livingston Manor's K-12 enrollment was 683 students and Roscoe's was 303. The current K-12 enrollment for the 2023-24 school year is 415 for Livingston Manor and 208 for Roscoe. In this time period Livingston Manor's enrollment dropped by 223 students and Roscoe dropped by 95 for a combined drop in total student enrollment in grades K-12 of 318 students. Included with this letter are copies of pages 13 & 14 of the official merger study document that was submitted to NYSED in August of 2022. These tables show the enrollment projections for both schools through 2028-29. As you can see by these charts, our declining enrollment is not expected to improve.

For the aforementioned reasons the Livingston Manor and Roscoe Central School Districts respectfully request that a permanent combining of teams for all sports at all levels of play be considered for approval by Section IX.

Thank you for your time and consideration regarding this matter. Should you have any questions or require additional information, please do not hesitate to contact me. I will make myself available at your convenience.

Educationally yours,

John Evans

### Permanent Athletic Merger

Be it resolved that the RCS & LMCS Boards of Education jointly feel that permanent athletic mergers in all sports at the modified, JV and Varsity levels are in the best interest of the students in both school communities. As such they have authorized their Superintendent to respectfully request that the OCIAA and Section IX athletic councils consider amendments to their current policies and procedures relating to the Combining of Teams to allow for permanent athletic mergers in all sports between these two independent school districts.

The Boards feel strongly that permanent athletic mergers would allow our two districts to more consistently offer age and ability level appropriate athletic programs to our students in a safer and more educationally appropriate manner. Thus allowing for the proper progression of our student athletes beginning at the modified level to junior varsity and ultimately the varsity level.

# Program Implementation: Getting Started

## Introduction

### Who is Responsible?

The Athletic or Activities Administrator must oversee and coordinate *Anyone Can Save A Life* for after-school programs. However, he or she may want to enlist the help of a Program Champion to oversee training and implementation of the program. This person could be the school athletic trainer, school nurse, a coach or community member who knows the inner-workings of the athletic and activities program.

## Athletic Administrator Implementation Checklist

- 1. Review the in-person training DVD and on-line training at [AnyoneCanSaveALife.org](http://AnyoneCanSaveALife.org)
- 2. Choose the training method you will utilize in your school community (Option 1 or Option 2)
  - OPTION 1**
    - Conduct In-Person Training (DVD)**
      - Utilize the EAP on Page 10 – Provide a hard copy of the EAP prior to the training and COLLECT the completed EAP
    - OPTION 2**
      - Conduct On-line Training ([www.anyonecansavealife.org](http://www.anyonecansavealife.org))**
        - The EAP will be generated electronically – The final step when the coach completes the EAP will be inputting the ADs email address. The completed EAP will be sent electronically to the AD and the Coach
- 3. Train Coaches
- 4. Ensure Coaches turn in their completed EAP
  - a. In-Person Training — Collect the hard copy of the EAP
  - b. On-Line Training — EAP will be sent via email to the AD and Coach
- 5. Provide CPR and AED Training
  - a. Contact local EMS if assistance is needed, or
  - b. Utilize the *Anyone Can Save A Life* Training DVD
- 6. Ensure you have access to at least one AED and that it is located in a central location close to your event and practice sites
- 7. Complete the EAP for Events
  - a. Talk through each site specific plan with your Event Staff
