**Rationale:**

This recommendation clearly states the that all students must meet all rules and regulations before representing their school in a game, contest, or scrimmage.

## Modified Committee – Revision to the NYSPHSAA Promotion Rule

- Action Item
- Discussion Item
- Informational Item

**Presenter:**

Jim Rose, Co-Chairmen of NYSPHSAA Modified Committee

**Proposal:**

The NYSPHSAA Modified Committee is recommending revising the NYSPHSAA Promotion Rule in the NYSPHSAA Handbook with the following language:

*“**With Section approval**, contestants **may** be promoted to a higher classification within the modified program or to a junior varsity or varsity team **at any time during** their modified schedule.”*

**Effective Start Date:**

2026-2027 school year

**Rationale:**

Several Sections have indicated that many 7<sup>th</sup> and 8<sup>th</sup> graders do have the ability to move up to the high school level but are kept down on the modified level to support the numbers at the modified level. This revision would allow the 7<sup>th</sup> and 8<sup>th</sup> graders the ability to complete the modified season and then be brought up to the high school level as long as they have completed the APP process.

## **BOYS BASKETBALL: Adopt new 5-second closely guarded NFHS rule** **(by State Association adoption)**

- Action Item  
 Discussion Item  
 Informational Item

**Presenter:**

Bob Mayo, NYSPHSAA Boys Basketball Coordinator

**Proposal:**

The NYSPHSAA Boys Basketball Committee is seeking approval to adopt the note under rule 9-10-art 1a which states – *“By state association adoption, if utilizing the 35-second shot clock, players may dribble the ball for more than five seconds.”*

**Effective Start Date:**

Winter 2025-26

**Rationale:**

The NYSPHSAA State Committee felt strongly about this rule which would encourage offensive movement and maintain game flow. The rule applies in the frontcourt only. Other key points to this rule:

- A player holding the ball in the frontcourt must pass, shoot, or dribble within five seconds while being closely guarded by a defender in a legal guarding position.
- The closely guarded count ends if the offensive player starts a dribble, the defender ceases to be within six feet, or a switch in defenders occurs.
- The rule emphasizes player and ball movement and rewards strong on-ball defense.

**Proposal Originated:**

**BOYS/GIRLS BOWLING – Establish minimum roster size of five (5) bowlers on the school team at the State Tournament**

- Action Item
- Discussion Item
- Informational Item

**Presenter:**

Mike O’Connell, NYSPHSAA Boys Bowling Coordinator  
Eileen Shultis, NYSPHSAA Girls Bowling Coordinator

**Proposal:**

The NYSPHSAA Boys and Girls Bowling State Committee is seeking approval to require the school team in each division to have a minimum of five (5) athletes on its roster for the state tournament and begin competition with at least five (5) athletes.

**Effective Start Date:**

Winter (March) 2026

**Rationale:**

Currently, six athletes compete on a school bowling team at the state tournament with five of them scoring. If a school brought less than five athletes, they would create a multitude of logistical and equity issues during competition. First, pace of play would be significantly faster than the other lanes if only four athletes bowled. Second, the oil pattern would break down at a much different rate. Third, the integrity of scoring would be compromised with just four bowlers and thus that team would have no chance to compete for a state title.

At this time, there is no rule on a minimum # of athletes on a school team required for state tournament play. This proposal would require a section to ensure it advances a team with at least five bowlers but still can allow any number of bowlers for its section tournament. If a team endures an injury during competition, they still may participate, however a pacer will fill their spot. The pacer score will not be counted but the team score will be.

**Proposal Originated:**

State Committee at its September 26, 2025 meeting.

**Budgetary Impact:**

There is no cost to NYSPHSAA or member sections in this proposal.

**Notes:**

The Bowling State Committees supported this proposal with a 10-0 girls vote and 9-1 boys vote at their September 26<sup>th</sup> meeting.

**CAC Feedback:**

Voted 8-0 in support of this proposal at its October 8<sup>th</sup> meeting

DATE REVISED: October 8, 2025

**Girls Wrestling: Revise the Representation Rule**

- Action Item
- Discussion Item
- Informational Item

**Presenter:**

Ryan Palmer, NYSPHSAA Girls Wrestling Coordinator

**Proposal:**

The NYSPHSAA Girls Wrestling Committee is recommending revising the current NYSPHSAA Representation Rule that allows female wrestlers to participate in both male and female events during the regular season and then choose to participate in the female NYSPHSAA Championship. *The revision would prohibit any female that participates on a boys team in the regular season from participating in the girls post season.*

**Effective Start Date:**

2026-2027

**Rationale:**

The committee has supported the current NYSPHSAA Representation language because it allowed Girls Wrestling to grow and gave athletes the opportunity to wrestle. The committee now feels the time has come for girls to choose which post season they are going to participate in by deciding who they will compete against during the regular season. This change would also help in seeding the girl's tournament because all the results would be from girl only matches. The committee believes this proposal helps level the playing field between all female competitors.

**Proposal Originated:**

NYSPHSAA Girls Wrestling Committee

**Budgetary Impact:**

None

**Notes:**

Girls would still be able to practice against the boys if they successfully passed mixed competition. The committee voted 5-4 in favor of this proposal.

***This is the second time the proposal will be discussed. The Central Committee requested data be gathered.***

**Girls Flag Football NFHS Rule Adoption**

- Action Item
- Discussion Item
- Informational Item

**Presenter:**

Jen Lapinski- Co- Flag Football Coordinator

**Proposal:**

Adopt the NFHS Rules for the 2025-26 Season with the following waivers.

1. Request a waiver to not allow the Field Goal option
2. Request a waiver to continue to follow our current Flag Belt rules: 2 pop belts minimum 14' in length, add the width minimum from the NFHS Rule book of 1 ½ ' in width
3. Request a waiver to specify a 1 Yard Neutral Zone
4. *Request a Waiver to the Uniform specifications as outlined in the NFHS Rule Book for Items Jersey: a-5.2.b3, a-5.2.b4, a-5.3.b3, a-5.3.b4, NUMBERS: 5-b3, b4 (Page 14 & 15) the 25-26 Season.*

*5-d: \*Note: If schools have shorts are not a solid color for he 25-26 season, the flag must be a clearly contrasting color to the shorts and any striping or patterns on the shorts.*

**Effective Start Date:**

Spring 2026

**Rationale:**

The NFHS Rules provide consistency for our committee recommended the waivers to avoid any additional cost to schools (ex. Purchasing new belts) and maintain consistency in the progress we've made in our sport thus far, which we feel these waivers accomplish. Additionally, the waivers ensure access to all needs for teams to maintain and add new teams throughout the state (ex. Not allowing the field goal as many teams do not play on fields with field goals currently.) Specific to the uniform waiver, the committee would like to provide a one year buffer for schools to plan accordingly to update uniforms as needed.

**Proposal Originated:**

Sectional concern brought to the NYSPHSAA Flag Football Committee. This was also discussed with and supported by officials groups.

**Budgetary Impact:**

None

**Notes:**

The NYSPHSAA Flag Football Committee voted in favor of this change 9-0.

**Girls Flag Football Rule Request: Dead Ball Flag Checks**

- Action Item
- Discussion Item
- Informational Item

**Presenter:**

Jen Lapinski- Co- Flag Football Coordinator

**Proposal:**

The NYSPHSAA Flag Football Committee is requesting to add language to the NFHS Rules to require dead ball flag checks. The process will be as follows:

*Officials will conduct one dead ball flag check per half at the end of one quarter per half. The athlete will be selected at random by the official.*

*If a belt is found to be not within the NYSPHSAA Waiver Standards, the flag check would result in an unsportsmanlike penalty.*

*Belt Specifications: Flag Belt rules: 2 pop belts minimum 14' in length, add the width minimum from the NFHS Rule book of 1 ½ ' in width*

**Effective Start Date:**

Spring 2025

**Rationale:**

There is currently no process for confirming legal equipment specific to the flag belts. There have been concerns raised specific to belt lengths and belt connection apparatus.

**Proposal Originated:**

Sectional concern brought to the NYSPHSAA Flag Football Committee and continued discussion amongst the Flag Football committee relative to belts.

**Budgetary Impact:**

None

**Notes:**

This proposal was discussed with the official's association and rules interpreters as well to ensure consistency and feasibility of implementation.

The NYSPHSAA Flag Football Committee voted in favor of this change 9-0.

Girls Flag Football Pilot: Onside Play

- Action Item
- Discussion Item
- Informational Item

**Presenter:**

Jen Lapinski- Co- Flag Football Coordinator

**Proposal:**

Consider approval of an Onside Play Option.

The option is only available to the team behind in score during the final 5 minutes of the second half and only immediately after the trailing team has scored a touchdown or field goal.

This is a timed down.

This option is not available after the trailing team has scored a safety.

This option is never available to the team ahead in points.

After the trailing team has scored and attempted the extra point, the team captain of the trailing team must inform the referee they intend to attempt an onside play.

The ball is placed on the teams 20 yard line, going out.

This play is treated exactly like a 4th down play including the assessment of penalties with one exception. If a foul occurs that includes an automatic first down (ie. roughing the passer) the offense will not receive a new set of downs. They will receive the 15 yard penalty and replay the down, (ie, fourth and five from the 35 yard line, line to gain is the 40 yard line.)

The offense must advance the ball to the 40 yard line or beyond, after all live ball penalties have been assessed in order to retain the ball.

Dead ball penalties will not be considered in determining if the line to gain was achieved.

If the offense retains the ball the next zone-line-to-gain will be determined.

If the offense does not retain the ball the defense will take possession of the ball where it became dead (end of the run or previous LOS) and the next zone-line-to-gain will be established.

Interceptions returned to the end zone by the defense during an onside play are worth 6 points and a PAT attempt.

# New York State Public High School Athletic Association

## Executive Committee Meeting – October 21, 2025

There is no limit to the amount of onside plays a team may use as long as the provisions of lines 1, 2, and 3 of this section are still valid.

Once the team reaches the 20 yard conversion, the play is blown dead. The team will receive the ball first and zone at their own 20 yard line. If the team does not convert, the ball is spotted where the play is blown dead.

**Effective Start Date:**

Spring 2026

**Rationale:**

Based on feedback from several teams across the state, there is a need to provide the opportunity for a team to obtain possession when down two scores at the end of the game. Additionally, it was discussed at the NFHS Rules

**Proposal Originated:**

Sectional concern brought to Flag Football Committee.

**Budgetary Impact:**

None

**Notes:**

This would only apply to the regular season, and Sections could choose to implement this pilot. If this is successful in the 2026 season, our committee would discuss and obtain feedback to add this to post season play.

The Flag Football Committee is in favor of this pilot 9-0.

## **OUTDOOR TRACK – TO UTILIZE THE SUPER STANDARD, AN ATHLETE MUST FINISH TOP FIVE IN THE STATE QUALIFIER MEET, EFFECTIVE 2026**

- Action Item
- Discussion Item
- Informational Item

### **Presenter:**

Dan Doherty, NYSPHSAA Girls Outdoor Track Coordinator  
Tom Wells, NYSPHSAA Boys Outdoor Track Coordinator

### **Proposal:**

The Boys and Girls Outdoor Track Committees are seeking approval to set in place when using the super standard to qualify for the state meet, an athlete must finish in the top five in the state qualifier meet.

### **Effective Start Date:**

Spring 2026

### **Rationale:**

This proposal addresses the concern from membership about the number of participants at the state meet which was also going to be addressed by the Championship Philosophy Committee for all individual sports.

In 2025 (2,593 athletes), the event went to three divisions but only saw a modest increase comparing 2024 (2,008 athletes) considering an entire division was added. It is anticipated that 2026 will see reduction to 2,300 participating athletes. However, the changes proposed will result in a decrease in quality athletes at the state meet.

### **Proposal Originated:**

NYSPHSAA Staff and Boys & Girls Outdoor Track State Committees at their September 9, 2025.

### **Budgetary Impact:**

If this is approved, there will be fewer athletes to transport to the state meet which will save sections travel expenses.

**Presenter:**

Dan Doherty, NYSPHSAA Girls Outdoor Track Coordinator

**Proposal:**

The Boys and Girls Outdoor Track Committees are seeking approval to utilize the three-year average for the formula for qualifying standards using the seed performances.

**Effective Start Date:**

Spring 2026

**Rationale:**

This proposal helps address the concern from membership about how athletes qualify and additionally provided for more up-to-date data being used. Previously, the five-year average was being used for the formula.

## **BASEBALL: Make it optional to utilize a double first base during the 2026 season (regular & postseason)**

- Action Item
- Discussion Item
- Informational Item

### **Presenter:**

Al Roy, NYSPHSAA Baseball State Coordinator  
Tim Harkness, NYSPHSAA Baseball Assistant Coordinator

### **Proposal:**

The NYSPHSAA Baseball Committee is seeking approval of making it optional to utilize a double first base for the 2026 season (regular and postseason).

### **Effective Start Date:**

Spring 2026

### **Rationale:**

If this proposal is approved, it would allow schools to prepare this coming spring for the 2027 season mandate as well as exercise safety in the process. Sections, leagues and schools have the option of installing and using the double first base for 2026. The NFHS double first base rule is mandatory for the 2027 season and numerous NYSPHSAA member schools have contacted our office making inquiries about implementation.

### **Proposal Originated:**

NYSPHSAA State Committee on September 25, 2025

### **Budgetary Impact:**

There will be a budget impact for member schools and potentially NYSPHSAA. Schools will be required to buy the double first base unit (or separate half) and possibly dig/install new plugs on their fields if this is chosen to be used by the section, league or school. If NYSPHSAA chooses to implement it for the State Final Four, the purchase would be necessary.

### Applicant Information:

School District: Poughkeepsie City School District

Address: 18 S Perry St

City, Zip Code: Poughkeepsie, NY 12601

Phone Number: (845) 451-4900 (4950-Supt) & (6482-AD)

Please detail your rationale for joining Section IX Athletics:

Based on academic needs, universally accepted sports philosophy, Social Emotional Learning (SEL), and enrollment/geography, Poughkeepsie CSD is best situated as a Section IX member school district.

Poughkeepsie High School's current NYSPHSAA enrollment is 864. Based on the ten (10) schools closest to PHS in enrollment in Section I, and the ten (10) schools closest to PHS in enrollment in Section IX, the following are the results (detailed calculations attached):

Total miles to Section I schools = 503 / avg 50.3

Total miles to Section IX schools = 343 / avg 34.3

\*Average travel time to Section I schools is approx. 63 minutes

\*Average travel time to Section IX schools is approx. 53 minutes

\*Travel times are based on car travel. Buses take considerably longer, especially since buses are not permitted on NYS parkways (Taconic, Saw Mill River, Bronx River, & Palisades).

Students should not need to be released early from school for league contests, or regularly return home late at night mid-week. Like the Olympics, students need to broaden their social/cultural knowledge by experiencing other communities (rural, suburban, & racially/ethnically/economically different).

For the above reasons, and more, PCSD seeks to return to Section IX.

**6. EXTENDED PLAYING TIME:** Eligibility for play in an extended playing time should be determined on the basis of the following participation standards:

a) Players with no participation in the regular game/contest should be eligible for play in an extended playing time.

b) Players whose participation in the regular contest is limited, i.e., their total participation was no more than one-half of the regular playing periods/quarters shall also be eligible for play in an extended playing time.

c) Limited participation shall be further defined to mean that entry into a playing period rather than actual playing time shall constitute "participation" in the regulation contest.

Optional Plan for use at the league or Section level: If a team has fewer than the minimum number of players to play the five (5) period concept the following game rules will apply:

A four (4) quarter game will be played with the number of minutes being increased for each quarter (see chart below); however, no player may play more than three (3) quarters (\*see exceptions below). This will apply provided the team has a sufficient number of players so as not to exceed the NYSPHSAA regulated playing time allocation for each sport (see chart below).

SPORT	TIME LIMIT			MINIMUM # OF PLAYERS REQUIRED
	Regulation Game	5 Period Play	4 Quarter Extended Play	
BASKETBALL	7 minute quarters	7 minute quarters	9 minute quarters (quarter 1-8 min)	7
FIELD HOCKEY	25 minute halves	12 minute periods	15 minute quarters	15
FOOTBALL	10 minute	10 minute quarters	12 minute quarters	19
