CELEBRATING 50 YEARS OF STATE GYMNASTICS

2024 marks the 50th year of WIAA high school girls gymnastics State Meets. Prior to 1974 there were only gymnastics state invitationals. At the 1974 State Meet there were 13 teams/schools competing as teams and many other teams/schools represented by individuals. The current State Meet format looks very similar, featuring 12 qualified teams (four 4A and eight 1A/2A/3A) along with nearly 45 teams/schools represented by individual qualifiers. For the first 23 years of the event, all classifications competed in one combined tournament before it was split into two tournaments (4A and 1A/2A/3A) in 1998.

Teams at the inaugural 1974 State Meet included Sehome, Bellevue, Cascade, Ferris, Hazen, Inglemoor, Issaquah, Renton, Richland, Roosevelt, Sammamish, Shadle Park and Shoreline. Sehome High School, coached by Nola Ayers, were the WIAA's first Team Champions that year. The Mariners went on to win 24 of the past 50 years of WIAA State Meets. The Sehome Gymnastics Program was inducted into the WIAA Hall of Fame in 2004 and Coach Ayers was inducted in 2006.

The State Meet has been hosted at seven different venues the past 50 years. The 1974 State Meet was hosted at Bellevue College. From 1990-2018, the event was hosted at the Tacoma Dome Exhibition Hall in conjunction with Mat Classic, the WIAA's State Wrestling Championships. This year, the event is back at Sammamish High School for the 11th time.

There have been significant changes in gymnastics skills and equipment over the past 50 years. In 1974 girls could compete in Vault, Uneven Bars, Beam, Floor, Tumbling and Trampoline. The vault featured the old men's pommel style vault/horse, the beam was not padded, the bars, although still uneven, were much closer together, and the floor was a wrestling mat. The WIAA introduced the spring floor to the State Meet in 1990.

We are so excited to celebrate 50 years of WIAA State Gymnastics Meets. Thank you for being a part of this golden celebration. As we look back we honor all those who have made significant contributions to 50 years of State Meets and extend a huge thank you to those who continue to support this great sport.

STATE TOURNAMENT FORMAT

TEAM COMPETITION:

Each year teams qualify to compete for one of two Team State Championships. There are four teams competing for the State Championship at 4A and eight teams competing for the State Championship at 1A/2A/3A. A team consists of six competitors per event, including any all-around competitors, with five scores counting, and a maximum of sixteen competitors per team. Team scores are determined by adding the top five scores from the six competitors of each team per event (bars, beam, floor, vault).

ALL-AROUND COMPETITION:

The all-around competition consist of members of qualifying teams and gymnasts who qualified as individual competitors. These individuals will compete in all four events (bars, beam, floor, vault) throughout the course of day one. Since all-around competitors can belong to a qualified team or qualify on their own, the all-around competition will be contested during both the team and individual sessions of the first day. All-around totals will be determined by adding the average scores of the four events (bars, beam, floor, vault).

INDIVIDUAL COMPETITION:

In addition to the qualifying teams, individual gymnasts can qualify for the State Championships in one event, multiple events, or as an all-around competitor. Individual competitors will compete during the individual rotation schedule. Gymnasts that compete in the team competition are also competing as individual competitors and will be eligible for awards in the individual competition.

2024 HALL OF FAME INDUCTEES

JIM SULLIVAN

Bothell High School

While attending Washington State University Jim was a cheerleader and gymnast, as a gymnast he was Pacific NW All-Around Champion and Parallel Bar Champion. After Graduation from WSU Jim served our country in the United States Air Force

Jim began his teaching career at Northshore School District in 1958. During career span he taught World History, Math, Science and Physical Education. He also coached Football, Track, Tennis, Women's Softball, Golf and ultimately culminating with Men's and Women's Gymnastics. His men's gymnastics teams were State Gymnastic Champions in 1965, 1972, 1976. He also had numerous men's KingCo Champion. And Championship teams. His women's Gymnastics teams placed second at State in 1978 and 1981. Under Coach Sullivan's tutelage, Champions were made. Former students and athletes call him a mentor, supporter, father figure and team-builder. Jim's philosophy was "It takes individuals to build a team", and Jim counted each individual as an integral part of each team.

Jim was honored by his peers and was nominated State Gymnastics Coach of the Year during his Men's 1970/71 and 1971/72 seasons, and during his Women's 1987 Season.

Jim also contributed to his sport as President of the Washington State High School Gymnastics Association 1964 and his appointment to the Washington State High School Rules Committee for a 4-year term.

Jim studied, tested and qualified as a College NCAA Gymnastics Judge and judged collegiate meets for 15 years and was an international judge for 10 years.

For all his contributions to the growth and development of the BHS gymnastics teams over the years, Jim was nominated into the Bothell High School Hall of Fame in 2010. The Northshore School District inducted Jim into the Wall of Honor in 2014.

Jim Sullivan was a valuable part of High School Gymnastics in Washington State.

KRISTINA GOODFELLOW

North Kitsap High School

I graduated from North Kitsap High School in 1985. The three years I spent as a Viking Gymnast gave me some of my favorite high school memories, life lessons, and close friends. I do not have any club gymnastics experience, just a love for the sport and all the wonderful values that come from working hard and participating on a team.

I taught gymnastics for the local parks and recreation throughout high school. In the 90's the high school athletic director was looking for someone to coach the high school team and offered me the opportunity, which I was very grateful for. I coached a small team, enjoying the challenges of coaching a team versus teaching recreational classes. In those years, the only schools NK competed against were Port Angeles and Bainbridge, both powerhouse teams. After that first year, and some research, I sought out schools to compete against that scored the same as NK. The first meet that the girls won will always be a happy memory. I will never forget the amount of confidence and self-esteem that our Vikings gained from the experience. For me, those values are one of the most important things I can do for my team as their coach. Anything that builds self-esteem in young women is important as they grow into confident young adults with the courage to face life's challenges. There is so much that this sport offers young athletes; both physical and mental strength as well as flexibility, courage, time management, success and failure. Additionally, I find that providing athletes the opportunity to learn goal setting helps them find their own strategies for achieving success.

This will be my 28th year coaching the North Kitsap team. I have been lucky enough to bring a competitor to the state meet every year since 1999. We have qualified to State four times as a team and each time has been special. In 2019 we were WCD III champions, something I never thought I would see. The West Central District is large and very competitive with standout teams from the SPSL. Other highlights over the years include individual gymnasts in event finals on all four events and three gymnasts participating in High School Nationals for Seniors.

I have served on the Washington Coaches Association Board since 2013 working with some amazing and dedicated individuals. Twice I have been recognized by my fellow coaches as the 2A/3A Coach of the Year.

I love this sport and what it has to offer teenage girls. From the kids who have zero gymnastics experience and just want to be on a team, to the club kid who wants to do more, or even the former club kid looking to rekindle the love of a sport they dedicated so much time to when they were younger. I have met and worked with some fantastic people; kids and adults who have inspired me to be a better person and coach. Gymnastics is an amazing sport and I am thankful to have it in my life.
