WIAA & WOA WELCOME LETTERS

Welcome and thank you for attending the WIAA, Gesa State Championships! On behalf of the WIAA Executive Board, I would like to congratulate all of the students-athletes, coaches, and all team personnel for making it to this State event. Along with welcoming our member schools, I would like to welcome the families, fans, and community members that have supported their school along the way to this State Championship event.

We also want to thank everyone that is here and has supported high school athletics this school year. We know there is so much that these student-athletes can learn from participating in high school athletics, and how athletics can help students have a more enjoyable high school experience. One of these lessons that our students can learn is how to be a good sport. We ask everyone at these events to be a leader and help teach our student-athletes what good sportsmanship looks and sounds like at all times. Please do your part to make this State Event a positive experience for everyone involved.

The WIAA Executive Board would like to thank all of the WIAA staff, officials, and local tournament workers for making these WIAA, Gesa State Championships very special. It is because of the hard work and dedication of these people that these great events occur each year.

Please help make this event a great experience for everyone and good luck to all of our student-athletes!

David Blakney

Principal - Wapato High School
WIAA Executive Board President

The Washington Officials Association salutes all participants in this year's WIAA/Gesa State Tournament. The hard work and dedication needed to make it to this point in the season is commendable. Enjoy and cherish the memories that will be created through competition during the state tournament.

Although these State Championship Tournaments are often the highlight of an individual's officiating season, the WOA recognizes all the officials who work throughout the season, day after day and night after night at WIAA member schools. Without these individuals, there would be a piece missing from the puzzle of interscholastic activities. Individuals who choose to officiate do so in order to stay involved in athletics and to give something back to an activity they have found to be beneficial.

If you are interested in becoming involved in interscholastic athletics through officiating, please contact the WOA office (425.687.8009) or visit the WOA web site (www.woa-officials.com) for more information.

Have a great tournament!

Todd Stordahl

WOA Executive Director

Welcome to the WIAA/Gesa State Championships. The WIAA Executive Board, staff and member schools share a common goal of providing interscholastic activities that enrich the lives of our students and foster lifelong memories. This event is the result of determination, commitment and hard work throughout the course of a season by many people. The message we can all take from these events is the pride, teamwork and sportsmanship that these students and coaches have demonstrated along the way.

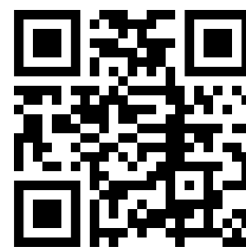

At the WIAA, we believe that education-based athletics and activities offer the safest, most equitable, and most rewarding environment for young people to stay engaged. The physical, mental and emotional benefits of participation have shown to make a tremendous impact in the lives of students. It is an honor for our staff to plan and host these culminating events, but it is the efforts of coaches, athletic directors, officials and the countless volunteers that work these state championships events who make these experiences possible. Together, We are the WIAA.

Please remember that sportsmanship and citizenship are the ultimate goals of our interscholastic activities programs, whether it is at practice or during competition. I encourage you to do your part by cheering on all participants at this state championship event. By doing so, you are contributing to a positive event that is fun for everyone involved - student participants, officials, coaches and fans.

Mick Hoffman

WIAA Executive Director

WSDDCA WELCOME LETTER

Welcome to the 2024 Washington State Dance/Drill Championships! The Washington Interscholastic Activities Association, the Washington State Dance/Drill Coaches Association, and the Washington State Dance/Drill Judges Association have been working hard to make this a great culminating event for both the athletes and the fans.

I am humbled to have had the privilege of leading the WSDDCA during the 2023-2024 season. A heartfelt thanks to Lara Lindersmith, Heather Wong and Mariah Mao for their incredible dedication, support, and guidance. In addition, I want to recognize the hard work of the WSDDCA Executive Committee. Our association continues to grow year after year, which is exciting as we leave the effects of the pandemic behind. New programs, coaches, and opportunities for our dancers continue to expand. I am especially proud of our association this year for coming together to fight for our programs, and provide new opportunities, such as the JV/Middle Level State Championships.

As I reflect on my thirteen years of coaching, I realize how truly blessed I have been to have worked with many outstanding student athletes, coaches, and parents.

When I was on my high school dance team, I never foresaw myself becoming a coach. After judging for many years, I was asked by my incredible predecessor to join her in coaching. She made it sound so amazing and fun – how could I not take this next step?! Little did I truly understand what I was signing up for (I know many of my fellow coaches are laughing). Here are just some of things we do on top of the expected duties of being “just a coach”: dance instructor, choreographer, academic advisor, athletic trainer, motivational speaker, nutritionist, counselor, and sometimes, a trusted shoulder or safe place for our dancers. We are teaching them life skills to take into adulthood, such as: organization, responsibility, goal setting, discipline, leadership skills, advocacy for themselves and others, communication skills, and teamwork. All these skills are vital to their success in future endeavors.

As much as the above could seem overwhelming, I, like many others, would not change it for the world. Thank you to those that have inspired, mentored, cried and laughed with me along the way.

Thank you to all the parents, guardians, and families, who have allowed us to make a difference in your dancer’s life. It is our hope that members of our teams leave their program with maturity, confidence, and the determination to pursue their goals.

To my fellow coaches, remember to enjoy the day! Trust your preparation. Trust your athletes. We have been working for the last 10 months for this day. You’ve done the work, ALL the planning. Your team is ready.

I love how dance and drill teams pride themselves in demonstrating superior sportsmanship. We support each other in a way that is unheard of in any other arena of competition. Fans, if you see something you enjoy, be sure to clap and cheer LOUDLY – no matter which team! That is how we do it here.

The Washington State Dance/Drill Coaches Association is proud to present these talented and dedicated dancers performing the routines they have been preparing for months. Thank you to all the families, friends, school personnel and spouses/partners that have been there to support our athletes and coaches. We would not be here without you.

Sincerely,

Jeanne Gloudeans
WSDDCA President

CATEGORIES DEFINED

DANCE:

A Dance routine is an artistic form of primarily nonverbal communication. A routine may be of any style, or combination of styles (e.g. jazz, lyrical, modern, contemporary) that is not defined by another WIAA category definition (i.e. Kick, Hip Hop, etc.).

HIP HOP:

A Hip Hop routine is funk or street style dance based on isolations and rhythms (e.g. free style, popping, locking, breaking, etc.). Timing and articulation of the body are major elements of the technique with movements and gestures being mostly percussive. Group synchronization, uniformity, and team style must be apparent.

KICK:

A Kick routine highlights a variety of kick series. Kicks should be the focal point and must be used for at least fifty percent (50%) of the routine. All other choreography is secondary and should not detract from the focus on kicks. A kick is defined as movement performed as an extension of the leg from the hip or knee.

POM:

A Pom routine is designed to emphasize the visual impact of the poms. The focus on poms is primary in choreography. All other movement and choreography is secondary and should not detract from the visual impact of pom patterning.

MILITARY:

A Military routine is a precision routine that incorporates many sharp, concise movements that showcase—but are not limited to—formation changes, visual effects, group work, contagions, levels, ripples, etc.

SHOW:

A Show routine focuses on story/characterization and/or theme. Props (including flags, manuals, poms, etc.), costumes, and the creative use and interpretation of music should be used to develop the story/theme. The choreography expresses a story line and/or theme that do not rely on any prior knowledge of the story/theme's origin (on part of the audience/judges). Backdrops, sets, and portable dance floors may be used to enhance the program.
