# WIAA & WOA WELCOME LETTERS

Welcome and thank you for attending the WIAA, Gesa State Championships! On behalf of the WIAA Executive Board, I would like to congratulate all of the students-athletes, coaches, and all team personnel for making it to this State event. Along with welcoming our member schools, I would like to welcome the families, fans, and community members that have supported their school along the way to this State Championship event.

We also want to thank everyone that is here and has supported high school athletics this school year. We know there is so much that these student-athletes can learn from participating in high school athletics, and how athletics can help students have a more enjoyable high school experience. One of these lessons that our students can learn is how to be a good sport. We ask everyone at these events to be a leader and help teach our student-athletes what good sportsmanship looks and sounds like at all times. Please do your part to make this State Event a positive experience for everyone involved.

The WIAA Executive Board would like to thank all of the WIAA staff, officials, and local tournament workers for making these WIAA, Gesa State Championships very special. It is because of the hard work and dedication of these people that these great events occur each year.

Please help make this event a great experience for everyone and good luck to all of our student-athletes!

## David Blakney

Principal - Wapato High School  
WIAA Executive Board President

Welcome to the WIAA/Gesa State Championships. The WIAA Executive Board, staff and member schools share a common goal of providing interscholastic activities that enrich the lives of our students and foster lifelong memories. This event is the result of determination, commitment and hard work throughout the course of a season by many people. The message we can all take from these events is the pride, teamwork and sportsmanship that these students and coaches have demonstrated along the way.

At the WIAA, we believe that education-based athletics and activities offer the safest, most equitable, and most rewarding environment for young people to stay engaged. The physical, mental and emotional benefits of participation have shown to make a tremendous impact in the lives of students. It is an honor for our staff to plan and host these culminating events, but it is the efforts of coaches, athletic directors, officials and the countless volunteers that work these state championships events who make these experiences possible. Together, We are the WIAA.

Please remember that sportsmanship and citizenship are the ultimate goals of our interscholastic activities programs, whether it is at practice or during competition. I encourage you to do your part by cheering on all participants at this state championship event. By doing so, you are contributing to a positive event that is fun for everyone involved - student participants, officials, coaches and fans.

## Mick Hoffman

WIAA Executive Director

The Washington Officials Association salutes all participants in this year's WIAA/Gesa State Tournament. The hard work and dedication needed to make it to this point in the season is commendable. Enjoy and cherish the memories that will be created through competition during the state tournament.

Although these State Championship Tournaments are often the highlight of an individual's officiating season, the WOA recognizes all the officials who work throughout the season, day after day and night after night at WIAA member schools. Without these individuals, there would be a piece missing from the puzzle of interscholastic activities. Individuals who choose to officiate do so in order to stay involved in athletics and to give something back to an activity they have found to be beneficial.

If you are interested in becoming involved in interscholastic athletics through officiating, please contact the WOA office (425.687.8009) or visit the WOA web site ([www.woa-officials.com](http://www.woa-officials.com)) for more information.

Have a great tournament!

## Todd Stordahl

WOA Executive Director

# PARA-ATHLETE INFORMATION

The WIAA believes all students should have the opportunity to participate in education-based activities. The benefits such as learning teamwork, goal setting, commitment, positive social interaction, and persistence are just a few benefits that are regularly used to promote sport as an educational activity. Those same benefits are applicable to students with disabilities. The goal of this program is to enable the para-athlete the ability to contribute in team scoring at the WIAA State Track and Field Meet.

Athletes will compete in either the Wheelchair or Ambulatory Division based on their disability. State Champions and placers will be determined by the number of participants competing in each event and division. For events with just one qualifier, the competitor will need to reach a minimum qualification to capture the State Championship.

A team trophy will be awarded for the combined classification scores of the para-athletes and the able-bodied athletes from the same school. Based on the number of teams competing this year on the boys side, four trophies will be rewarded, while the girls will have two.

## EVENTS:

Each competitor is limited to four of the following events:

## SCORING:

1. When possible, a para-athlete will compete against the same gender for individual honors. The para-athlete will vie for team honors within his/her respective classification and gender.
2. When a para-athlete competes against another athlete of the same gender, and finishes first, two points will be awarded to his/her team.
3. The second place finisher receives one team point. If three para-athletes participate, then the points will be awarded three, two and one.
4. If the para-athlete is competing solo against the standards established by the WIAA, then he/she will be awarded one team point for meeting or exceeding the standards for that event.

# PARA-ATHLETE STATE RECORDS

## GIRLS WHEELCHAIR
