## Cathy Schick

WIAA Exec. Board President

**Athletic Director**  
Seattle Academy

On behalf of the WIAA Executive Board, welcome to the WIAA State Championships, presented by Gesa Credit Union! We are here to celebrate our student-athletes, to applaud their hard work and perseverance, and acknowledge their success. Congratulations to the student-athletes! Thank you to the coaches, teachers, families and communities who surrounded athletes with the support necessary to help make their season-long journey successful.

WIAA education-based athletics creates an incredible experience for student-athletes, competing alongside classmates, building lifelong relationships, and memorializing their high school days with a sense of pride and accomplishment. We are proud to witness these student-athletes strive for greatness. Additionally, promoting sportsmanship is a crucial element to these WIAA State Tournaments. The WIAA Executive Board wishes that everyone from participants, to coaches, to spectators, and everyone else practice good sportsmanship throughout the entirety of this State Event. Please do your part to make this State Event a positive experience for everyone involved.

The WIAA Executive Board thanks the WIAA staff, officials, and local tournament staff for their efforts in making these State Tournaments the best. It is because of the hard work and dedication of these groups that these great events happen each year.

Please join us in celebrating our student-athletes and cheering their accomplishments!

Welcome to the WIAA State Championships, presented by Gesa Credit Union. The WIAA Executive Board, staff and member schools share a common goal of providing interscholastic activities that enrich the lives of our students and create lifelong memories. WIAA State Championships are the result of determination, commitment and hard work throughout the course of a season by numerous people. At the WIAA, we believe that education-based athletics and activities offer the safest, most equitable, and most rewarding environment for young people to stay engaged. It is an honor for our staff to plan and host these culminating events, but it is the efforts of coaches, athletic directors, officials and the countless volunteers that work these State Championships events who make these experiences possible.

This State Championship event is about the students who will take center stage, celebrating the immense effort they've put forth to get to this point. I commend the parents, families, and loved ones for their support of their student to this point. The role you play in the lives of these participants is not forgotten, however, we must recognize that this stage is about the student-participant and their incredible achievement to get here. Congratulations to you all on this massive accomplishment!

Sportsmanship and citizenship are core pillars of WIAA State Championship events, and I encourage you to support every participant. All students must have a safe environment to compete, and by showing positive support, you are contributing to an event that is fun for all - students, coaches, families, and fans.

## Mick Hoffman

**Executive Director**  
WIAA

The Washington Officials Association (WOA) salutes all student-participants in this year's WIAA State Tournament, presented by Gesa Credit Union. It takes an incredible amount of effort and hard work to reach this point in the the season, and that dedication you've shown to get here is truly commendable. Congratulations to all of the student-participants for reaching this stage, and enjoy the moments and memories created from this special experience.

Although these WIAA State Tournaments are often the highlight of an individual's officiating season, the WOA recognizes every official who worked throughout the season, day after day, and night after night across every corner of Washington. These individuals play an immense and essential role in the success of interscholastic activities in Washington. Individuals who choose to officiate do so in order to stay involved with athletics and activities, and to give back to a program or sport they have found to be beneficial, and the WOA couldn't be more grateful.

If you are interested in getting involved in interscholastic athletics and various activities through the role of officiating, we encourage you to reach out to the Washington Officials Association office. You can find more information by visiting our website at [www.washingtonofficials.com](http://www.washingtonofficials.com).

Have a great tournament!

## TEAM COMPETITION:

Each year teams qualify to compete for one of two Team State Championships. There are six (6) teams competing for the State Championship at 4A and eight (8) teams competing for the State Championship at 1A/2A/3A. A team consists of six competitors per event, including any all-around competitors, with five scores counting, and a maximum of sixteen competitors per team. Team scores are determined by adding the top five scores from the six competitors of each team per event (bars, beam, floor, vault).

## ALL-AROUND COMPETITION:

The all-around competition consist of members of qualifying teams and gymnasts who qualified as individual competitors. These individuals will compete in all four events (bars, beam, floor, vault) throughout the course of day one. Since all-around competitors can belong to a qualified team or qualify on their own, the all-around competition will be contested during both the team and individual sessions of the first day. All-around totals will be determined by adding the average scores of the four events (bars, beam, floor, vault).

## INDIVIDUAL COMPETITION:

In addition to the qualifying teams, individual gymnasts can qualify for the State Championships in one event, multiple events, or as an all-around competitor. Individual competitors will compete during the individual rotation schedule. Gymnasts that compete in the team competition are also competing as individual competitors and will be eligible for awards in the individual competition.

## KATHY CRAWFORD

Coach/Judge

Kathy didn't start gymnastics until the 7th grade at Cal Young Jr High at that time they competed in 6 events. In 1974 she was Gymnast of the Year at Cal Young Jr High. She competed off and on through high school, taking 3rd at Districts and State on bars.

While in high school her coach, Shirley Veek, suggested she go to a judging clinic. After that she judged her first gymnastics meet at 17 years old and still judges today. She has judged high school gymnastics in Oregon, Washington and Ohio. Along with high school she has been a USAG National Judge from 1985 to present. She has been judging NCAA since 1996. In 2024 she moved to Nevada and jumped right in to judging there.

Not only is Kathy a judge she has also done her fair share of coaching. Starting in 1978 she coached at JFK High school until 1997. From 1999 to 2002 she was the head coach at Sumner High School. She has also coached for Team Washington at the Sr Nationals 2000 to 2002. Coaching the National Championship team in 2002. Since then, she has judged the Sr National meet for many years. In 2007 she came back to coaching after some time off and was the assistant coach at Auburn Riverside High school for 6 years. While there she was voted assistant coach of the year 3 times.

Kathy has given so many years to gymnastics in our state in so many capacities. She has always been involved with the WSGCA, helping at clinics, judging invitationals, and helping with the Sr National team. She is always willing to help.

Kathy says that High school gymnastics was the BEST thing she has ever done! She loves seeing the exceptional level of gymnastics here in Washington State!

## RICHARD SAMUELS

Ridgefield High School

Richard was first introduced to gymnastics by his middle school coach in Spring Valley New York. Richard was a member of the Springfield college men's gymnastics team from 1973 to 1977. He was co-captain of the 1977 NCAA Division II National Championship team. He was a two-time All-American and 4th at the 1977 NCAA Championships. He was one of only a handful of successful black gymnasts of the day nationwide.

Richard coached club gymnastics before working with the high school program. He worked with athletes from beginner to advanced culminating in athletes participating at the National level. He stepped into coaching high school gymnastics as head coach of the Fort Vancouver Trappers with a co-op program including athletes from the Ridgefield Schools District 2003-2013. During this time, he was able to grow the program and have district champions, state qualifiers and state finalists. For the 2014 season, he left Fort Vancouver and became the first and only coach of the newly added varsity sport of gymnastics in the Ridgefield School District. As head coach he has taken athletes to the state meet all but one of his twenty-plus years of coaching. In those years he was voted district Coach of the Year and State Coach of the Year.

As an active member of the WSGCA he has been a presenter at many coaching clinics throughout the years on numerous topics. He is always willing to step in and help. He has helped coach several of the senior national teams.

Richard is also an educator by profession with a Bachelor of Science degree in Psychology from Springfield College, a Masters degree from the University of Washington in Exercise Science, and a Masters degree in Teaching from City University.

Richard has been teaching for 23 years in public education and was a small business owner for 15 years working with preschool aged children on various forms of movement education and the Washington State School for the Deaf adding to the school's ability to support all aspects of a child's development.

Richard is a pillar in the gymnastics community in Vancouver and through the State. His years of dedication and involvement make him a perfect addition to the WSGCA Hall of Fame.
