

Are Your Kids Ready?

Minnesota's Immunization Law

Immunization Requirements Use this chart as a guide to determine which vaccines are required to enroll in child care, early childhood programs, and school (public or private).

Find the child's age/grade level and look to see if your child had the number of shots shown by the checkmarks under each vaccine. Children birth to 2 may not have received all doses. Look at the table on the back, it shows the age when doses are due.
