All information on this form must be completed and supporting letters of recommendation received at the NYSPHSAA Executive Director's office by December 15 for the candidate to be considered for the following year's class. The complete nomination form and support materials should be sent to the Section Executive Director of the individual being nominated by December 1.

**Nomination
Deadline is
December 15**

Specific Items

Letters of Recommendation A completed nomination form should be accompanied by letters of recommendation from the nominator, the respective NYSPHSAA Section and other appropriate individuals. In cases where other support material is difficult to obtain, additional letters may be in order to substantiate the individual's accomplishments or contributions. Letters of recommendation for other awards or honors should not be used as a substitute for this requirement.

Support Material A limited number of newspaper clippings, magazine articles, copies of scorebooks and statistics should be included to help substantiate the accomplishments and contributions of the nominee. These materials should focus on the individual's accomplishments and contributions listed in chronological order.

Candidates whose careers ended 50 or more years ago and who are deceased will be considered against the accomplishments of their contemporaries, as much as possible. It is suggested that additional support material be included, such as letters from individuals who had some involvement with the nominee.

In completing nomination materials, please observe the following: 1) All copies should be 8 1/2" by 11"; 2) nominators should sign their names in the space above; 3) do not use highlighters to point out specific facts—either underline or draw arrows to mark copy; 4) please type all material so that copy is legible; 5) do not use notebooks with plastic sheet protectors; 6) put names on all photos.

The Hall of Fame Induction Ceremony is held in a different area of the state each year in conjunction with the NYSPHSAA Annual Meeting. The ceremony is usually held the first week in August. Inductees will be notified by March 1 of their selection.

General Criteria

Nominees must exemplify the high standards of sportsmanship, ethical conduct and moral character.

The categories of athlete, coach, contest official, administrator and related contributor are included on the nomination form for expediency in understanding the primary area in which an individual is to be considered for his or her achievements in interscholastic athletics. The group identification is for screening purposes only and to assist those making the nominations to understand the type of information required. Once nominees are inducted, they are not categorized, but are all recognized as members of the NYSPPHSAA Hall of Fame.

All candidates will be judged on their significant and/or long term contributions to interscholastic athletics. While many have served their Section and local programs over a long and distinguished career, their accomplishments must have been worthy of statewide recognition for them to be considered.

All candidates for the NYSPPHSAA Hall of Fame must be at least 35 years of age prior to November 15 of the applicable year in order to be considered for induction. This includes candidates in all five categories.

To further explain, **athletes** would be former student participants who are being nominated for their achievements in interscholastic athletics. **Coaches** would be considered on the merits of their high school coaching achievements only, **officials** on the basis of their service as a high school official, and **administrators** on the basis of their contributions to interscholastic athletics.

The **related contributor** category is for those individuals who have made contributions to interscholastic athletics in some capacity other than those previously mentioned, including such areas as sports medicine and sports media.

Longevity, without meaningful statewide impact, does not constitute appropriate credentials for NYSPPHSAA Hall of Fame consideration.

ALL CANDIDATES WILL BE JUDGED ON THEIR SIGNIFICANT AND/OR LONG TERM CONTRIBUTIONS TO INTERSCHOLASTIC ATHLETICS

Re-Nomination

Nominees for the NYSPPHSAA Hall of Fame will either be approved and sent on to the Selection Committee or be placed in the “holding for future consideration” category .

The Holding for Future Consideration category means a nominee may be considered again for induction for three consecutive years and that additional information and supportive material would be helpful before future consideration.

PLEASE COMPLETE THE NOMINATION FORM ON PAGE 4 AND THE CORRESPONDING INFORMATION SHEET FOR THE CATEGORY BEING NOMINATED.
