

Sway Medical

Baseline Concussion Testing
Remote Testing

McDowell Athletics
2026-2027

Parent/Guardian,

- Please follow the instructions and supervise your child as they must complete ALL modules
- Athletes in 7th – 12th grade who do not have a valid Sway Medical baseline within two years of the new athletic season (Most likely athletes entering 7th/9th/11th grade or new to McDowell Athletics for the 2026-2027 academic year)
- Make sure they do this in a quiet area and stay focused
- The athlete must complete this ON THEIR OWN, but if they are confused on directions, you may help re-explain them
- It is best if done with phone charged to at least 50%, sound on, and on Do Not Disturb
- If there are any questions or concerns, please contact the athletic trainers
- The Athletic Training Staff will update baselines to the Athletic Office throughout the registration period for each season (Fall/Winter/Spring)

**McDowell Athletics
Requires Baselines
BEFORE TRYOUTS**

**If your child plays multiple
sports, they only need to do the
test once. For example, if they
play football and lacrosse, the
test they do for football will be
valid for lacrosse**
