RIVER BEND AREA LEARNING CENTER

HOME OF THE PHOENIX

A POSITIVE ALTERNATIVE

A Positive Alternative

The success of every learner is the primary mission of River Bend Area Learning Center. The ALC recognizes that the uniqueness of the individual and life circumstances creates the need for an alternative to the traditional school setting. The staff is dedicated to providing an individual learning plan for each student, emphasizing a practical and community centered approach to addressing the needed academic and life skills.

Programs

The ALC provides small class sizes in the Day School Program. Within the Day school are a self-contained Middle School and the RiverCare Program.

RiverCare is a self-contained program for Middle and High School students who struggle with mental health issues. It provides a small group setting and scheduled time with the school counselor and school social worker.

The ALC also offers an Online Program for 9-12 students. Students must meet ALC criteria to enroll. Edgenuity is the online platform.

ALC Foundations

The ALC strives to empower students and build pride in the following areas:

- Respect**
- Preparedness**
- Responsibility**
- Belonging**
- Safety**

The Phoenix is a supernatural creature that lives for 1000 years. Once that time is over, it builds its funeral pyre and throws itself into the flames. As it dies, it is reborn and rises from the ashes to live another 1000 years.
