2. A “Sportsmanship Complaint Form” is to be used to formalize the lines of communication between member schools when dealing with incidents involving sportsmanship. [See Appendix D]

C. RECRUITMENT (BAC Bylaw 9)

The North Coast Section of the CIF prohibits the recruitment of students to high schools for athletic purposes. [See NCS Student Eligibility Bylaws, Article 20, 200-219] This prohibition at first glance may appear to be in conflict with the common practice of independent and parochial high schools soliciting students to benefit from their comprehensive programs. The following statement of policy from the Bay Area Conference [BAC] is intended to clarify the boundaries between legal and illegal recruitment of student-athletes. It is provided here as a means of protection for students, parents, and coaches and to ensure our students of “level playing fields”.

Bay Area Conference schools view athletics as an essential and integral part of a liberal arts education. It is therefore reasonable that students and parents will be interested in the qualities of a prospective school’s athletic program. It is also reasonable that a school’s employees will be proud of, and eager to improve, their athletic programs. The following **Principles of Good Practice** are intended to help students, parents and school personnel to solicit and provide necessary information and insights without crossing the line of illegal recruitment.

CIF, NCS, and/or BAC sanctions may be brought against a coach, school, and/or recruited student-athlete, if a recruiting violation is verified.

Principles of Good Practice

1. A high school **coach** is prohibited from initiating conversation with a prospective student concerning attendance at the coach's school. This includes off-campus overtures or conversations that occur before or during the admissions process. The only exception to this prohibition is that coaches may speak with prospective student-athletes and/or parents during the normal admissions campus visits. **Note: A coach is interpreted as any adult who assists with the athletic programs, in either a paid or voluntary capacity, and who thereby has a vested interest in attracting certain student athletes to his/her school.**
2. When approached by interested student-athletes or their parents outside the normal admissions process, a coach is required to refer either or both parties to the Head of School/Principal of the coach's school or his/her designee.
3. When prospective student-athletes visit a school's campus, they should be provided information about athletics in the same manner as they receive information about other departments of the school.
4. Excessive financial assistance [significantly beyond the family's demonstrated need] for the purpose of attracting a student-athlete is viewed as illegal recruitment.

Should a student-athlete or parent feel that the student's admission process is being, or has been, compromised by a school's deviation from the above **Principles of Good Practice**, the Head of School/Principal of the offending school, the League President, and/or the Conference Commissioner should be immediately contacted.

(All of a team's seed times/marks in a given event must exceed the standard in order to receive a fifth and/or sixth entry.) **For example**, the twelfth-place finishers in the boys 1600 in 2012, 2013, and 2014 ran 4:59.10, 4:47.07, and 4:37.81, respectively, which averages to 4:47.99. In the 2015 BAC Championship, each team can enter four athletes in the boys 1600 without regard to their seed. If team A has five athletes, all of whom have run 4:47.99, as measured by fully automatic timing, in the 2014 competition, it may enter all five.  3. Games (not matches) won "head to head" against team(s) tied [Volleyball only]
 4. If 1, 2, 3 above do not break the tie, and then the tie-breaking draw done at the beginning of the school year will break the tie. The lower number drawn by a school breaks the tie and becomes the higher seed. The higher seeded team is determined as the home team.

4. A player MUST have played in at least 1/2 (half) the round robin matches to be eligible for post season honors.
5. The score in a match that is terminated before the completion of 9 holes during the season will not count in determining league averages.
6. After all matches are completed and an average differential rating is established for each player, the Tournament Director will arrange the list of players with their ratings from the lowest to the highest for all players.

LACROSSE – see BCL West

SOCCER [1/2017]

1. Coaches submit names for consideration for each of the above awards. Each coach is allowed to present rationale for players whom they nominate.
2. Coaches will rank the nominees for each respective award. Highest ranked player for each respective award wins that award.
3. Coaches will start with MOD. After MOD is selected coaches will move on to MOO. After MOO is selected coaches will move on to MOGK
 - Most Outstanding Defensive Player (MOD)

- Most Outstanding Offensive Player (MOO)
- Most Outstanding Goalkeeper (MOGK)

Once the 3 respective awards have been selected coaches will use the formula below to determine first and second team all-league. Players who win MOD, MOO & MOGK will not be listed on the 1st or 2nd team.

| <u>Place after League Champ.</u> | <u># of 1st Team Players</u> | <u># of 2nd Team Players</u> |
|----------------------------------|------------------------------|------------------------------|
| First | 3 | 3 |

| Fifth | 1 | 1 |
| Sixth | 1 | 0 |

After all selections are complete; each school can select 1 team member for Honorable Mention

SOFTBALL

1. MVP Selection: All nominees will be presented (season stats, accomplishments, awards, etc.) allowing 1 minute for the coach to speak on the player's behalf. Coaches will then rank the nominees (#1 being highest ranked). Each nominee's rankings will be totaled. Nominee with the lowest "point total" will be the MVP. In case of a tie, there will be Co-MVPs. The MVP(s) are not eligible for the All-League team voting. All other MVP nominees can be re-nominated for the All-League teams. A coach must be present to nominate and vote. If multiple coaches from one school are present, only one may turn in MVP nominees (approved 12/04).
2. Each school will have one (1) Honorable Mention selection [9/2012]
3. All-League selections will be done by position. The positions are: Pitchers (2 per team), Catcher, 1B, 2B, SS, 3B, OF (3) and a Utility Player for a total of 22 players.
4. Lowest total will be 1st Team All-League; next lowest will be 2nd Team All-League. In the pitching position, the lowest 2 will be 1st Team; the next lowest 2 will be 2nd team. In the outfield, the lowest 3 will be 1st Team; the next lowest 3 will be 2nd Team. (Approved 12/04)

SWIMMING

3. Hardship appeals may be submitted at the "End of the Season Coaches' Meeting".

TENNIS:

1. The top 4 seeds in single and the top 2 seeds in doubles in the league individual tournament will automatically earn at least 2nd team all-league honors
2. Any unseeded player who makes it to the quarterfinals in singles or semi-finals in doubles will also earn at least 2nd team all-league honors.

3. 1st team all-league honors will go to the players who make it to the finals in singles or win the doubles.
4. To be eligible for all league selection, a player must have competed in at least half of their team's round robin matches.
5. If a player/team is not able to compete in the league individual tournament for reason of injury or other compelling reason and the player/team had one of the two best round robin records, then that player can be selected to all league by a vote of 2/3 or more of the league coaches
6. If the league individual tournament is not held, then the coaches would vote on the top 4 singles players and top 2 doubles teams to make all league with half on 1st team and half on send team (regular season record).

TRACK & FIELD (immediate implementation 1/2014)

1. A first place finish at LCM results in a 1st team all-league. 2nd place finish at LCM results in 2nd team all-league and 3rd place at LCM results in honorable mention.
2. Schools who are not on the league schedule who wish to compete at the LCM will not receive any recognition awards.

VOLLEYBALL (approved 9/04)

1. Each coach or representative must attend the end of the season coaches meeting. If a coach or representative does not attend, no All-League players will be selected from that school. Coaches nominate however many players they want from their own team.

4. Top vote getter(s) is (are) the MVP (Co-MVP).
5. Coaches do not vote for their own players.
6. If there is a tie for 6th, there is a re-vote between the tied players.

APPENDIX E: SPORTSMANSHIP COMPLAINT PROCEDURES (4/2013)

The purpose of the Sportsmanship Complaint Form is to formalize the lines of communication when dealing with incidents involving unsportsmanlike behavior. Hopefully, any problems can be dealt with “on the spot” between the two coaches. The form, however, provides a means to inform all the involved parties of any breaches of conduct by players, coaches or fans outside the confines of the contest (when the officials take charge of the contest and when the officials relinquish their responsibilities after the contest) per NFHS/CIF/NCS rules. It is important that the incidents be handled within the proper “chain of command” coach to coach, athletic director to athletic director, principal/head to principal/head in that order.

1. If a coach feels that an unsportsmanlike act has taken place before, during, or after a contest outside the confines of the contest itself, he or she should communicate with his/her Athletic Director. The A.D. will determine whether to have a Sportsmanship Complaint Form filled out in order to proceed with the complaint. The completed form will then be forwarded to the Principal/ Head of School for review. At that point, the Principal/Head may determine that the complaint should or should not be lodged with the offending school.
2. If the Principal/Head of School decides to go forward with the complaint, a copy of the Sportsmanship Complaint Form will be sent to the Principal/Head and Athletic Director of the offending school and the BAC Commissioner. The two Principals/Heads have the opportunity to resolve the issue, or have their A.D.s find a resolution.
3. If no satisfactory resolution can be achieved between the schools, the matter will be brought before a 3-three person panel made up of 2-two Administrators from another BAC league and the Commissioner. This hearing panel would convene within 7-seven working days to hear the complaint. If any penalties are awarded, the use of the NCS Ejection Policy penalties will be the hearing panels’ guideline.
4. If a hearing is required each school may bring witnesses and/or supporting information to support their position.
5. The hearing panel decision will be considered final. The hearing panel decision may not be appealed.

APPENDIX E: SPORTSMANSHIP COMPLAINT PROCEDURES – continued

Failure to follow Steps 1, 2 and 3 listed below will result in the protest being disallowed and no action being taken.

1. **The protesting school must inform the opposing school and game officials immediately following the incident about which the protest may be filed.** The contest must be completed. All efforts should be made to reach a satisfactory conclusion of the difficulty. If a satisfactory conclusion cannot be reached, or if specific League prohibitions and sanctions are involved, proceed to Step 2.
2. **A written protest must be filed with the opposing school and game officials within 24 hours.** The protest must include:
 - a. A complete accounting of what occurred
 - b. The rule that has been violated.
 - c. Name of the Officials Association
3. **A copy of the written protest must be sent to the BAC Commissioner, the Head/Principal and Athletic Director of the opposing school within five (5) days of the initial protest.**
4. Within two (2) school days after receiving the letter of protest, the school or person about whom the protest is being made may file a statement concerning the incident. Copies of the statement must be sent to the Commissioner, Head/Principal and Athletic Director of the school making the protest.
5. At this point a resolution may occur between the two parties.
6. If a resolution cannot be made, the Commissioner will investigate and hold a hearing within one (1) week and will render a decision within two (2) days of the hearing. The decision will be in writing and will be mailed to all parties involved, and to the Heads/Principals of all League schools.

APPENDIX H: **PROPOSAL FORM**

[Template for Proposal](#)

Appendix I: Emergency Action Plan for the BAC fall playoffs only

Currently and in recent years we have experienced conditions that have altered our processes for determining league champions and NCS automatic qualifiers. Fire, smoke, rain, electrical outages, is happening more often and during times of league playoffs and/or NCS playoffs in the fall.

In reference to AQI-the BAC has adopted the NCS AQI standard of care of when to start a contest and end a contest. (AQI-under 151)

Electrical outages do not preclude a school from participating. Each school can determine for themselves whether their students will participate, however, the BAC is obligated to forward to NCS our team and individual champions for participation at the NCS Championships. If a school chooses not to participate, then a forfeit will be assigned to that school/player so that the playoffs may continue. All efforts will be made to reschedule playoff days that are affected.

Team Sports: Volleyball, Soccer

1. If unable to complete all league tournament semi-final contests, then the final league standings will determine the NCS Automatic Qualifier and League Champion. (Tie Breaker Draw will be used, if necessary)
2. If unable to complete the league tournament championship contest, then the higher seeded team will be the NCS Automatic Qualifier.
3. Soccer: Contests will start if the AQI is below 151. If at half-time the AQI goes above 151, then the contest will be stopped. The score at half-time will be the final score of the contest.
4. Soccer: If there is a tie score at half-time, the higher seeded team will be declared the winner.
5. If a school chooses not to participate according to the above standard of care, it will forfeit the contest and the playoffs will continue to completion.

Individual Sports: Cross Country, Tennis

1. If unable to complete all league tournament semi-final contests, then the final league standings will determine the NCS Automatic Qualifier and League Champion. (Tie Breaker Draw is used if necessary)
2. If unable to complete the league tournament championship contest, then the higher seeded team will be the NCS Automatic Qualifier.
3. If unable to complete the individual tournament, higher seeded players will advance to the NCS.
4. Cross Country: If the AQI is below 151 at the start of the meet the meet will continue. If however, the AQI goes above 151 in the following meet, then the entire meet will be canceled. Ex: boys meet AQI is 135. The meet will start. The following meet is the girls meet and the AQI is 151. The second meet is canceled.
5. Cross Country: If unable to complete the league schedule due to the above weather issues, the total points accrued will determine the league champion (league + tournament).
6. Tennis: If the AQI is below 151 at the start of the 1st game, the game will continue. If however, the AQI goes above 151 in the following game, then the entire match will be canceled and the higher seeded individual will be awarded the win.
7. The 50% participation rule is not in effect when these circumstances exist, however, no student should be added to the school roster that was not on the school varsity or jv roster at the beginning of the season.
