603 CURRICULUM DEVELOPMENT

I. PURPOSE

The purpose of this policy is to provide direction for continuous review and improvement of the school curriculum.

II. GENERAL STATEMENT OF POLICY

Curriculum development shall be directed toward the fulfillment of the goals and objectives of the education program of the School District.

III. RESPONSIBILITY

- A. The superintendent shall be responsible for curriculum development and for determining the most effective way of conducting research on the School District's curriculum needs and establishing a long range curriculum development program. Timelines shall be determined by the superintendent that will provide for periodic reviews of each curriculum area.

III. DISTRICT ADVISORY COMMITTEE

- A. The school board shall establish an advisory committee to ensure active community participation in all phases of planning and improving the instruction and curriculum affecting state and district academic standards.
- B. A district advisory committee, **to the extent possible**, shall **reflect the diversity of the district and its school sites**, ~~provide assistance at the request of the superintendent. The advisory committee membership shall be a reflection of the community and shall~~ include teachers, parents, support staff, students, **and other** community residents, ~~and administration representation~~, and shall provide translation to the extent appropriate and practicable. Whenever possible, parents and other community residents shall comprise at least two-thirds of advisory committee members.
- C. The district advisory committee shall pursue community support to accelerate the academic and native literacy and achievement of English learners with varied needs, from young children to adults, consistent with Minnesota Statutes section [124D.59, subdivisions 2](#) and 2a.
- D. The district may establish site teams as subcommittees of the district advisory committee.
- E. The district advisory committee shall recommend to the school board

- a. rigorous academic standards, student achievement goals and measures consistent with Minnesota Statutes section 120B.11, subdivision 1a, section [120B.022](#), subdivisions 1a and 1b, and section [120B.35](#),
 - b. district assessments,
 - c. means to improve students' equitable access to effective and more diverse teachers, and
 - d. program evaluations.
- F. School sites may expand upon district evaluations of instruction, curriculum, assessments, or programs.

V. School Site Team

Each school must establish a site team to develop and implement strategies and education effectiveness practices to improve instruction, curriculum, cultural competencies, including cultural awareness and cross-cultural communication, and student achievement at the school site. The site team must include an equal number of teachers and administrators and at least one parent. The site team advises the board and the advisory committee about developing the annual budget and creates an instruction and curriculum improvement plan to align curriculum, assessment of student progress, and growth in meeting state and district academic standards and instruction.

VI. Curriculum Development Process

- A. Within the ongoing process of curriculum development, the following needs shall be addressed:
- 1. Provide for articulation of courses of study from kindergarten through grade twelve.
 - 2. Identify minimum objectives for each course and at each elementary grade level.
 - 3. Provide for continuing evaluation of programs for the purpose of attaining school district objectives.
 - 4. Provide a program for ongoing monitoring of student progress.
 - 5. Provide for specific, particular, and special needs of all members of the student community.
 - 6. Develop a local literacy plan to have every child reading at or above grade level no later than the end of grade 3, including English learners, and teachers providing comprehensive, scientifically based reading instruction consistent with law.

7. Integrate required and elective course standards in the scope and sequence of the district curriculum.
 8. Meet all applicable requirements of the Minnesota Department of Education and federal law.
- B. Students identified as not reading at grade level by the end of kindergarten, grade 1, and grade 2 must be screened for characteristics of dyslexia. Students in grade 3 or higher who demonstrate a reading difficulty to a classroom teacher must be screened for characteristics of dyslexia, unless a different reason for the reading difficulty has been identified. See Minnesota Statutes section 120B.12, Subd. 2.
- C. Students who do not meet or exceed Minnesota academic standards, as measured by the Minnesota Comprehensive Assessments that are administered during high school, shall be informed that admission to a public school is free and available to any resident under 21 years of age or who meets the requirements of Minnesota Statutes section 120A.20, Subd. 1(c). A student's plan under this section shall continue while the student is enrolled.

~~C. Within the ongoing process of curriculum development, the following needs shall be addressed:~~

- ~~1. Provide for articulation of courses of study from kindergarten through grade twelve.~~
- ~~2. Identify minimum objectives for each course and at each elementary grade level.~~
- ~~3. Provide for continuing evaluation of programs for the purpose of attaining School District objectives.~~
