

Wabasha-Kellogg Public Schools Policy

901 COMMUNITY EDUCATION

I. PURPOSE

The purpose of this policy is to convey to employees and to the general public the important role of community education within the School District.

II. GENERAL STATEMENT OF POLICY

The school board affirms a strong commitment to the community education program. The school board welcomes, and strongly encourages use of school buildings and activity areas by the community when not used for regularly scheduled elementary and secondary programs. The school administration should strive to accomplish the following objectives:

- A. Maximum use should be made of public school facilities within the School District service area.
- B. Educational needs and interest of area residents should be determined periodically.
- C. Community resources and expertise of residents should be utilized to develop a vibrant, well-rounded community education program.
- D. Area residents should be encouraged to actively participate in program opportunities.
- E. Fees in community education programs shall be determined by the superintendent with input from the community education coordinator, community education director, and other program personnel.

III. COMMUNITY EDUCATION ADVISORY COUNCIL

- A. The council shall assist in promoting the goals and objectives of the program.
- B. The membership of the community education advisory council shall reflect the make-up of the community.
- C. Bylaws of the community education advisory council shall provide the framework for the organization.
