

ASUS Chromebook C204EE-YS01-GR

Tough, Compact, School ready

The ASUS Chromebook C204 features an ergonomic and ruggedized design for the mobile and demanding students. It is equipped with a rugged chassis that is Mil-Std 810G tested to withstand accidental drops, up to 50,000 open/close hinge life, spill-resistant keyboard, and rounded rubber design for overall protection. The 180-degree hinge allows easy viewing during group study or collaboration, and a full-sized keyboard with 1.5mm travel distance allows faster and accurate typing experience. Best of all, the C204 has a modular component design making it very easy to replace the keyboard, motherboard, display, and battery.

ASUS Chromebook C204EE-YS01-GR

The C204EE is powered by Chrome OS and is secured by design with regular updates, AI-driven threat detection, and cloud-native operating system to give employees a free, flexible work experience. Its service and ergonomically friendly, rugged design with Chrome OS, and all day battery life makes the C204 the ideal Chromebook for students at school or on the go.

Design for Ergonomics

180-degree hinge allows a fully open Chromebook, ideal for easy viewing especially for group study or collaboration. Full-sized keyboard with 1.5mm travel distance gives much better tactile feedback for a more responsive experience.

Ruggedized Design

Mil-Std 810G tested to withstand accidental drops and prevent disruptions. Durable and study design that have up to 50,000 open/close hinge life, spill resistant keyboard, rounded rubber design for overall protection.

Chrome OS

Secure by design, Chrome OS powers the ASUS C204 with a cloud-native operating system built to provide speed and simplicity for employees. With the addition of a Chrome Enterprise license, IT can manage devices at scale and integrate Chromebooks with their existing infrastructure.

Service-Friendly

Designed for service; key components such as the keyboard, motherboard, display and battery are easy to replace.

Product Specifications

- Model Name: C204EE-YS01-GR
- Processor: Intel® Celeron® N4000 Processor 1.1 GHz (4M Cache)
- Display: 11.6" HD (1366*768), Anti-Glare, 60Hz
- Memory: 4GB /(LPDDR4)
- Storage: eMMC: 16GB
- Webcam: HD Web Camera
- Video: Intel® HD Graphics 600
- Battery: 42WHrs 3-cell Li-ion
- USB Port: 1 x USB 3.1 Type-A & 1 x USB 3.1 Type-C
- Audio: Built-in 2 W Stereo Speaker with microphone
- Weight: 2.6 lbs. (with battery)
- Wireless: 802.11AC with Bluetooth® 5.0
- Dimensions: 7.8"(L) x 11.5"(W) x 0.8"(D)
- Keyboard: Chiclet Keyboard
- AC Adapter: 45W AC Adapter Type-C
