This is the same link to register your student for school. Choose "register for school" – then choose "App. For Benefits"

Only fill out **ONE application per family, not one per child!

If you prefer a paper copy, print the attached application or pick one up at the school.

Return completed applications to the elementary/high school office or mail to Food Service Director at the address above.

WHY FILL OUT AN APPLICATION IF MEALS ARE FREE?

Benefits to YOU if you fill out an application:

1. Your child(ren) get a free W-K activity pass!
2. W-K offers reduced prices on some items if you qualify (preschool tuition, 7-12 activity fees, chromebook rental).
3. HBC offers reduced rates if you qualify.

Benefits to W-K if you fill out an application (These financial benefits to W-K, come back to benefit your child!):

1. A portion of the money we receive from the state is based on the number of free/reduced families in our district.
2. Some "e-rate" funds are available to W-K for technology.
3. W-K would be eligible for more grants and special programs.

If I put my income on this form, who will see that? If my children qualify, who will know that?

Information on the free/reduced applications is confidential between the superintendent, the food service director, and staff members who administer the "benefits to YOU" listed above. Students who qualify cannot be identified by other students or food service workers as they go through the lunch line.

You will need the following information for either the online or paper application.

Dear Parent/Guardian:

Our school offers healthy meals each day. Starting school year 2023-24, we are joining Minnesota's Free School Meals Program. All students can get one breakfast and one lunch free of charge each day at school. Although no application is required to receive this free meal benefit, filling out the Application for Educational Benefits is still important! Your child(ren) may qualify for other benefits like reduced fees at school. Your application may also help the school qualify for education funds, discounts, and other meal programs.

To apply, complete the enclosed Application for Educational Benefits and return it to elementary or high school office, OR mail to "Food Service Director" at the above address.

Who should complete this application? Children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster, homeless, migrant and runaway children qualify without reporting household income. Alternatively, children can qualify if their household income is within the maximum income shown for their household size on the instructions.

COMMON QUESTIONS:

I get WIC or Medical Assistance. Can my children qualify? Children in households participating in WIC or Medical Assistance do not automatically qualify. Children may be eligible depending on other household financial information. Please fill out an application.

Who should I include as household members? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives, or friends).

May I apply if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens for you to complete an application.

What if my income is not always the same? List the amount that you normally get. If you normally get overtime, include it, but not if you get overtime only sometimes. For seasonal work, write in the total annual income.

Will the income information or case number I give be checked? It may be. We may also ask you to send written proof.

How will the information be kept? Information you provide on the form, and your child's approval, will be protected as private data. For more information, see the back page of the Application for Educational Benefits.

If I don't qualify now, may I apply later? Yes. Please complete an application at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP or FDPIR benefits.

Step 1: Children

List all infants and children in the household, their school and grade if applicable, and birthdate. Attach an additional page if needed to list all children. Check the box if a child is in foster care (a welfare agency or court has legal responsibility for the child).

Step 2: Case Number

If any household member currently participates in SNAP, MFIP or FDPIR, write in the case number and then go to Step 4. If you do not participate in any of these programs, leave Step 2 blank and continue on to Step 3.

Step 3: Adult and Child Incomes / Last 4 Digits of Social Security Number

- **Social Security Number/Total Household Members.** An adult household member must provide the last four digits of their Social Security number or check the box if they do not have a Social Security number. Report the total number of household members and ensure all household members are listed individually on the application in the child or adult section as applicable.
- **Child Income.** If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children, and check the box for the frequency: weekly, bi-weekly, twice a month, or monthly. Do not include occasional earnings like babysitting or lawn mowing.
- **Adult income.** Report the names of adult household members and income earned in this section.
 - List all adults living in the household not listed in Step 1, whether related or not, such as grandparents, relatives, or friends.
 - **Gross Earnings from Work.** This is usually the money received from working at jobs where a paycheck is received. For each income, check the box to show how often the income is received: weekly, bi-weekly, twice per month, or monthly.
 - List gross incomes before deductions, not take-home pay. Do not list an hourly wage rate. For adults with no income to report, enter a '0' or leave the section blank. For seasonal work, write in the total annual income.
 - **Are you Self-Employed or a Farmer?** List the net income per month or year after business expenses. Do not list the same income twice on the application. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
 - **Any Other Gross Income.** List gross incomes before deductions from all other sources, such as SSI, unemployment, child support, public assistance, social security, rental income or annuities.

Step 4: Signature and Contact Information An adult household member must sign the form. If you do not want your information to be shared with Minnesota Health Care Programs, check the "Don't share" box in Step 4.

Optional: Please provide the information on ethnicity and race that is requested on the second page of the form. This information is not required and does not affect approval for school meal benefits. The information helps to ensure we are meeting civil rights requirements and fully serving our community.

You must include the last four digits of the social security number of the adult household member who signs the application. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
