INSURANCE INFORMATION

Wabasha-Kellogg Schools is aware that many families have adequate health and accident insurance. Those students participating in interscholastic sports are particularly susceptible to accidents and although the school is not legally responsible for such injuries, except in cases of negligence, we do feel an obligation to see that all athletes have proper insurance protection.

A low cost group insurance plan is being offered for those who feel they do not have adequate coverage, or wish to have additional protection. A copy of this additional policy may be obtained in the athletic office at the high school. Please read all insurance information carefully, as well as checking over your existing insurance before signing and returning the insurance permit slip.
