RE: **Minnesota Association of Townships Scholarship Program**

The Minnesota Association of Townships (MAT) is proud to announce its 2025 Scholarship Program, which awards up to five \$2,000 scholarships to high school juniors. All students currently enrolled in the 11th grade and attending a Minnesota public, private, or parochial high school, or a home-study program, are eligible for this program. Participants will submit a written essay on the topic of the role of townships in local government.

Applications for the scholarships must be submitted by **June 1, 2025**. Winners will be chosen and notified in **September** and invited to attend the Awards portion of our Annual Conference in St. Cloud, Minnesota in early December 2025.

MAT is a nonprofit corporation representing Minnesota townships and its 9,000 plus officers. Townships embody the values of "grassroots government." MAT's specific purposes are educational and charitable: educating the public about the heritage and future of township government and its role in state government, and providing townships and their officers with a single, unified voice, as well as access to educational programs and research-based materials to help foster the delivery of efficient, effective, and economical township government.

Please contact our office if you would like more information about MAT. Our office can also arrange for an elected township official or one of our Board of Directors to come to your school and make a presentation on township government.

Please take a few minutes to read the enclosed application requirements and become familiar with our scholarship program. We have enclosed two applications and a poster, however if you need additional copies; please photocopy as many as you need; visit our website, www.mntownships.org. If you have any questions, please contact Lori Stalker at lstalker@mntownships.org or at 1-800-228-0296 ext. 144.

Please Note: This will be the only mailing your school will receive regarding this scholarship program. Please notify your career counselors and 11th grade instructors and students of this program.

A news release is sent to MN daily and weekly papers the first week of December and we send a release to the known home-school newsletters.

MINNESOTA ASSOCIATION OF TOWNSHIPS SCHOLARSHIP PROGRAM

The Minnesota Association of Townships (MAT) is awarding \$2,000 scholarships to up to five juniors currently attending a Minnesota public, private, or parochial high school, or a home study program, that plan to further their education at a college, university, or vocational school.

Applicants must complete an application form and submit it along with a written essay using critical thinking discussing this year's topic on Promoting Township Government. The question is:

Fire protection is an important part of public safety that is provided by townships all across Minnesota. There are different ways that fire protection can be provided. **What are the different ways fire protection is provided by townships? How is the cost of fire protection funded by a township and at what meeting is the extent of that cost approved? What challenges are faced by rural fire departments in providing fire protection?**

Essays must be between 450 and 500 words, typed and double spaced.

- Applicants should not name themselves, their school, their town or city, or their local officials in or on the essay.
- Each essay will be judged by an independent panel based upon originality, knowledge of subject matter, and supporting statements, as well as correct spelling and punctuation.
