

WK Community Education invites you to come and join our painting class. Everyone can do this...the instructor will provide step by step instructions so you will feel comfortable making your masterpiece. Classes are open to all ages (adults too) and you do not need any painting experience! Everyone's painting will look different and that is what makes these classes so fun!

Winter Wonderland and The Valentine Cow. Join Sunshine and Roses Traveling Art Studio to paint and create on canvases. These classes can be run back to back.
