- We are not running summer softball concessions this year, so having parents volunteer at the tournament is extremely important in helping make our tournament run smoothly and successfully.

- There will not be an in-person parent meeting held this year. Please make sure you have read through the parent-player handbook. If you have any questions, you may reach out to a board member.

Once teams have been formed, you will receive further information through Sports Engine. This will include your team, coaches, and practice schedules and times. Should you have any questions, you can reach out to any board member, or feel free to email wksummersoftball@gmail.com
