## Arsenic & Old Lace at Sidekick Theatre

**October 14, 2026**

What do you do when your eccentric family has actual skeletons in the closet? Mortimer Brewster may be the only sane member of his household. One brother believes he's Teddy Roosevelt and spends his time digging the Panama Canal in the cellar. Another has undergone a series of ghastly plastic surgeries to evade the police. And his sweet, well-meaning spinster aunts? They kindly take in lonely boarders...then dispatch them with their "special" elderberry wine.

As if that weren't enough, Mortimer has just fallen in love with Elaine, the minister's daughter next door, and a house full of murderous relatives isn't exactly ideal for romance. This beloved screwball comedy, set in 1940s Brooklyn, will leave you laughing and thinking twice about that elderberry wine!

Lunch will include creamy chicken breast served with roasted red potatoes, glazed carrots, coleslaw, and dinner rolls, assorted desserts, coffee, decaffeinated coffee and hot tea.
