		<p>another group of 7). In this schedule, the league season would start the first week of the season. The group of 11 would have 10 league games and the groups of 7 would have 12 league games. In order to better balance Friday night home games, the schedule had to skip a block on December 20 to break a home/away pattern that put some team's home games all on Friday's and some teams being all away on Friday. This schedule is very much like the women's</p> <p>Discussion around the model and pros and cons. Many are concerned about the non-leagues. It was proposed that we move two teams to top to make 13. However, that appears to imbalance non-leagues on the bottom half. soccer model.</p> <p>Discussion to move the voting threshold from 75% approval rate to 66% approval rate.</p> <p>Discussion returned to the 4 x 8 model and schools who had voted nay or abstained explained their reasons.</p>	<p>Motion/ seconded to move the voting threshold from 75% approval rate to 66%..
