Naming	Action	Jason Thurston	Naming of the pod's / tiers - Names have been different throughout the sports. Some sports have never had names. Discussed if we keep some familiarity with the names or change everything completely. We could go different directions with the names. Many want to keep it along the same lines of crest and crown for the other pools. Don't want to move from monarchy to geography.	Jason will put together ideas, then we will send out a vote. Look to have something out on Monday with voting done.

Discussion on if this is apart of the regular season contests or if it is a post season tournament. Discussion on making this a seeding tournament, and would be considered a post season contest.	MTA to have the top 2 teams from each division be apart of a end of season crossover event prior to KingCo tournament for seeding purposes. - 2nd - CTQ - 2nd - PASSED - 24-0
