For example - football would be after the week 9 games. All kingco first team and second teams come from nominees from the all division teams. After the guidelines in the book there could be some leeway on how commisioners go forward with other rewards. All ties can be broken in different ways. Sportsmanship and coach of the year awards. Do we do these in all sports? Sportsmanship award should be a highly recognized award, and not one given to the last place team. look at the possibility of all team sports have the same structure and all Individuals have the same structure.	MTA first reading, Jason - 2nd - Discussion: send changes if needed - 23-0 APPROVED
Handbook		Handbook committee	Need to fix little errors here and there. All-league will be added, as well as commisionerships.

			How do we handle who coaches go to when they have questions. Document with how to run each meeting. What needs to be talked about with all 25 schools, then break into divisions for coaches to know who they are playing against. Addressing at the meetings that coaches communicate with their AD or one of the commissioners. Trying to stay away from mass emails from coaches to all 25 schools. There will surveys for the coaches to give their feedback. Lori will send out the Agenda for the meeting.

Sports Schedules			Baseball, Fastpitch, Track and Field, Tennis (Girls), Badminton, Girls Gymnastics and Flag Football Track - Roger helped BJ and Jordan with putting together the schedule. They will look at the balance of meets hosted for each school so there isn't one school hosting all the meets Gymnastics - Schedule was made to be balanced to make sure that each meet has an opponent that will count towards their season. This helps be able to crown a champ for north and south. Have not been able to check for conflicts with other winter schedules. We will do a first reading vote through email, then a second reading on September 9th. Badminton - Leave schedule as is but move the tournament to May 1/2 Baseball, fastpitch, girls tennis - All schedules have passed on 1st reading. We will move the 2nd reading to the meeting in September prior to the pricipal meetings so they are fresh in our mind. Talking with districts about getting more timing systems. - 23 - 0 APPROVED MTA badminton schedule on 1st reading, Melton - 2nd - Discussion - move the tournament to May 1/2 at 2 locations. - 23-0 APPROVED

Flag football schedule	FYI	John Appelgate	Schedule has been made with each school having a travel partner much like wrestling. 16 total games, 2 games happening on the same day with 4 schools at one location. Wednesdays have been made as the game days, this could change for your district if Wednesdays does not work for your district. Standard time to start - Would determine what your site can handle. 4:00pm could be a good start since it is winter. Rulebook was sent to WIAA that we would use. Varsity schedule but we will attach a JV schedule that would travel with the varsity. James Neil is already starting to put something together down in Tacoma for a post season tournament. Are we allowing for dual participation? Should we be treating it like all our other sports? We do not allow dual particiaption in Badminton. Hosting balance - some will host 2 some with host 1. No one is hosting 3 or more. We will need to schedule in arbiter like we schedule wrestling duals. Home team puts into arbiter at the host site.	MTA on first reading, Kyle - 2nd - Discussion - 23-0 - APPROVED

Seeds 5-8 will play for rankings.	MTA change of post season tournament for 4A Volleyball and Womens Soccer, Kealey - 2nd - Discussion - 23-0 APPROVED
