WIAA Report	FYI	Jeff Lowell	Sub committees met - talked about the baseball bid for 1B/2B. Clarified activity students. If you have one of your kids who are one of your choice schools and that school is a member school, they have to participate at that school, they can't go back to their home school. Share practices - can take up to half of the required amount of practices from the previous season to the current season. If it is 7 practices you can count 3, 9 practices you can count 4. Working on the wording of regular attendance. Video evidence for ejections - the wording that the video has to show a dispute to the refs ejections and clearly be seen. December 10th - all ammendments will be given to the rep assembly, league presidents. We need to decide what meeting we are adding these ammendments to so we can go over them and see how we are voting for them.

Fall Sports Round up	action	B. Kuntz	Wanting to meet as individual sports and see how did fall season go. We are going to push this to our december 2nd meeting.

Seeding Committee's	<i>FYI</i>	B. Kuntz / L. Box	Cycle of how someone serves on the seeding committee. Feels as if it has got more relaxed. As a league we could make protocols and expectations on who that person is. Think there should be some push back to the WIAA on how we are having leagues being representative in a fair way.	
C Basketball Schedule (boys and Girls)	<i>reminder</i>	W. Newton	Email Wes and Lindsey if you have a girls C-team. Also, put in your boys c-team games. Many schools are still missing theres.

Mark Martin work update	<i>FYI</i>	L.Box/J.Thurston	Jason and lori will touchbase with Mark and report next week	
Ejection / All-league	<i>discussion</i>	B. Kuntz	Came from soccer that some girls who were on all-league even though they had ejections in the season. There was a parent complaint that one of the individuals who got MVP was ejected for violence for being in a fight, and they did not feel it was right if we promote sportsmanship. All-league is coach nominations and could be talked about with the coaches, and should be a conversation. There is not a disqualification if someone has an ejection that they can't be on all-league. If there is a student-athlete with 2 ejections and out for the season, should they be nominated?

We do this in other sports where we do not charge during regular season, but then charge for post season	MTA - recommending to the board of directors to charge for the KingCo flag football tournament - 2nd - Discussion - 21-0
