Fall schedules - 1st reading		Scheduling Committee	<p>Schedule committee worked through the power rankings from Mark Martin and know that some things may not be quite right and need to maybe make some changes in the future.</p> <p>Slowpitch - just a flip from 24-25 for home and away and dates.</p> <p>Girls soccer - kept the crest/crown data that this worked last year. When the data fell it made Hazen go into the lake division which we discussed that no 4As in the bottom division therefore they were added into the Mountain division. We are voting on the model not where teams are landing right now.</p> <p>Volleyball - scheduling committee believed that the 4x8 was the best for how the scores landed in the 24 fall. Schedule represents the same as last years just switched the dates and what divisions are playing on Tuesday and Thursday then on Monday and Wednesday.</p> <p>Do we discuss again if 4A schools shouldn't be in the Lake division?</p> <p>Football is a flip of home and away as well as all the individual sports</p> <p>Significant issues with the golf schedule so Lance is still working on the fall - Won't have golf until retreat time</p> <p>Meeting was cut short due to not having enough time in our space. rest of individual sports schedules will be discussed.</p>	<p>MTA Slowpitch fall 25 schedule model - 2nd - Discussion - 25-0-0 APPROVED FIRST READING</p> <p>MTA girls soccer fall 25 schedule model - 2nd - discussion - 21-4-0</p> <p>MTA volleyball fall 25 schedule model - 2nd - discussion - 18-6-1 APPROVED ON FIRST READING</p> <p>MTA football fall 25 schedule - 2nd - discussion - 20-3-2</p> <p>MTA boys tennis fall 25 schedule - 2nd - discussion - RECEDED MOTION AND 2nd</p>
