Treasurer's Report	FYI	Colleen L.	120K in our account, 102K in checking, 110K in savings. Transactions were looked at for May up to May 9th. No concerns were noticed from Colleen. Looked over the budget from the year. Seeing the revenue and pay out of this school year (2024-25) up to date. The exec board met and went over the budget for next year. The sports column we need to look at is the net for the 2025-26 year. We did our best as an exec board to choose net that stayed in the same net that has come in during the recent years.
