Lincoln Postseason Access	Action	Jesse S.	The usage of the WPA power rankings to see where Lincoln lands with our teams. It is not always the best way when it comes to ranking. If Lincon is 1-4 they would be fighting for a BYE and would play the 4th place team to see who gets that 4th place seed. One thinks that they should play for any of the spots when it comes to where they would be placed. They would only be able to rank as high as 4 in volleyball, 6 in soccer. If they are lower than our 12 they would not make the tournament. When looking at the WPA rankings to the WIAA RPI rankings they did not match. They would not play in for the 8 or 9 or 11 and 12 it would just be if there was a BYE to go for. If they rank below the 4 or 6 they would rank in. Timelines need to be determined especially with KingCo league ending and tournament starting quickly after.	MTA Lincoln post season plan for 4A - 2nd- Discussion

			Inglemoor can not host due to construction - They are required to help run them though. Using the word pilot in the schedule made a profound change in the principals eyes. Therefore, it paused the schedule until the pricipals voted on it. We will come back to 2nd reading after pricipals voted.	PASSED			
Baseball - 2nd Reading	Action	Jordan H.	It was brought to an idea of series in baseball. We do not do series when it comes to post season with baseball. We do agree that it is a cool format, but unsure if that is realistic with post season. There are other leagues in around the area that do it, but it is a change very quickly with already a new schedule this year.

Scheduling Resource Tool	FYI	Jason T.	This will be put into the resource tab as well. This helps us understand how many games we can have with different number of teams in different divisions. Tool for commissioners to help with scheduling going forward.				
Renton @ Cedarcrest Incident	FYI	Alfred D. / Jason F	After week 1 football game - heated game, Renton beat cedarcrest, at the post game handshake, Renton kid slapped a cedarcrest kid with a towel on the but, the kid reacted and went after the renton kid, some parnets thought it was a coach who attacked a kid, but it was all players, a kid who was ineligible came onto the field. Alfred and Jason have been working closely with eachother to fix this problem going forward. They have decided to do post game handshakes to go the long length of the field instead of the short, this was after the game was over and officials have left therefore that is why there was not an ejection report.

KingCo BOD	FYI	John Appelgate	Same officers will represent the board from KingCo. John - President, Phil - VP and Jeff - Secretary, New schedule was presented to the board and it was accepted. Discussed the budget, and discussion with flag football. Fines were talked about that are being implemented by the WIAA. Some did not like the idea of cash only. Conversation was had with WASBO as well, and they didn't like the cash option either. The idea of GoFan or invoice was used. many of us have adjusted our fees throughout the league. Jeff will put together a document to show all of our fees, so you can bring it to your district.	
WIAA Report	FYI	Jeff Lowell	Questions/updates regarding transfer rule changes, feedback/items for WIAA board meeting	
WSSAAA Report	FYI	John Appelgate	Ammendments are due by October 10th - Go into your finalforms and make sure your AMP is correct Plan is to have a skeleton schedule out by December 1st Encouraging everyone to attend	
Golf	FYI	Lance Gatter	Some complaints about coaches not submitting their roster until they show up at the match. Not acceptable — Commissioners will work on a standard for roster submission. Had a coach reach out to Andy Barnes to ask Andy to put in his matches into IWanamaker. Not acceptable Lance sent the handouts given to the coaches and AD's were co'd in on this messages — Tips for IWanamaker, Q&A for IWanamaker video training, and Video of coaches training provided by the league.	
Girls Swim	FYI	Jeff Lowell	Evergreen doesn't have a diving board. The highline swim teams will contact the opponent if they will travel to the meet. If they don't have diving they will not score it, or diving will be done at a different time and added into the swimming scores.	
Fastpitch	FYI	Jordan Halstead	October 2nd for placement meetings if you want to opt up or down	
Slowpitch	FYI	Dan Pudwill	Redmond does have a team now, anything up to this point will be a forfeit 4A bracket has been looked at and approved 3A/2A will still be looked at due to metro having less teams than usual	
Football	FYI	Matt Stuart	Make sure your coaches are sending their stats to Sandy Ringer as it was approved by the football coaches to use in the meeting
