Sultan Debrief and Vote	Action	Jordan F.	<p>Sultan presented to the league a couple of weeks ago. There was a site visit, then we had an online optional zoom meeting for Sultan to give more information and shared some letters.</p> <p>Each school gets two votes for sultans application to be in the league - Principal and ADs. 2/3 majority passes.</p> <p>Discussion - A provisional KingCo membership was presented by one of the District AD's. This would give Sultan different types of schedules for each season to help accommodate some of the financial burdens and other concerns that kingco schools had.</p> <p>The league does not have a provisional type of membership at this point. A provisional membership could be voted in, but we are not sure what the executive board would think of that.</p> <p>Financials are at the head of all the conversations, especially with the 2A schools who are all down south and going to see burdens with transportation.</p> <p>The votes of the principals and AD's will be combined. The KingCo AD vote was 6 approved, 17 denied, 1 abstained.</p>	MTA Sultan into the KingCo league - 2nd - Discussion - 6 - 17 - 1.
Flag Football Postseason Changes	FYI	John A.	Dates will change due to the state changes dates for seeding meetings. Be prepared for that.	
<a href="#">Football Schedule/Postseason 1st Read</a>	Action	Jordan F./Matt S.	<p>Matt sent out an email to all AD's and Coaches to have everyone look it over. We will need to vote on the schedule and the week 9 scenarios.</p> <p>Summit football is playing everyone once, the first 3 weeks are non leagues. The scheudle would change if Sultan is approved into the league. This would change the non leagues at the beginning of the season.</p> <p>Crest football is playing everyone once, week 1 BYE for all schools and one other BYE in the remaining schedule. Highline had a problem with Liberty having a week 2 BYE and the liberty AD made the schedule. The highline people were not thinking the AD did this on purpose, but it should be transparent to how the teams were placed into the schedule. Matt is more than happy to share how he did it.</p> <p>Crown football is split into 2 divisions. Play everyone once, geographical divisions. Equal placemenet for 4A week 9, first 3 games are non league with in one division having a BYE. The 4A schools were split 5 and 5.</p>	<p>MTA the summit division football schedule for 26-27 and 27-28, first reading - 2nd - Discussion - 23-0-1. PASSED</p> <p>MTA the crest division football schedule on first reading for 26-27 and 27-28 - 2nd - Discussion - 22-0-2 PASSED</p> <p>MTA the crown division football schedule on first reading for 26-27 and 27-28 - 2nd - Discussion - 19 - 0 - 5 PASSED</p>
4A/3A/2A Volleyball Schedule 1st Read	Action	Rick O./Kealey S.	<p>Crown is not available yet</p> <p>Summit - Play everyone 3 times with a start date of September 7th and ending the Monday before post season tournament</p> <p>Crest - Play everyone 2 times with 2 BYS for each team. Starting on 9/14 to give non leagues in the beginning and ending a week before post season</p>	<p>MTA summit volleyball schedule on 1st reading for 26-27 and 27-28 - 2nd - Discussion - 23 - 0 - 1 PASSED</p> <p>MTA crest volleyball schedule starting on 9/14 1 st reading for the 26-27 and 27-28 - 2nd - Discussion - 23-0-1 PASSED</p>

Slowpitch Softball 1st Read	Action	Dan P.	The schedule is with the 7 teams that have a slowpitch team. The schedule looks the same as it has for the last couple of years. 14 league games with 6 non leagues. Starting on September 8th and going to October 12th.  Schedule ends on a Monday and enter the tournament on a Wednesday. We can't move the end date due to needing Tuesday for a tiebreaker game.	MTA on first reading for the slowpitch schedule in the 26-27 and 27-28 school years - 2nd - Discussion - 22 - 0 - 2
Cross Country 1st Read	Action	John H.	4 blocks of regular season meets with 1 BYE in the middle of the season. Coaches are preferring 4 blocks instead of 5 like we have had in the past.  We are scheduling less than half the allowable contest the sport can have. It is said that cross country and track and field always have less meets in their schedule then what is allowed.  Schools will host one year, then another school will be hosting the next year in the 2 year cycle.	MTA cross country schedule on the 1st reading - 2nd - Discussion - 24 - 0 - 0
<a href="#">Baseball post season - 1st read</a>	Action	Jordan H.	2A baseball post season - Mountain is playing everyone 3 times - the champion would come out of how you finish in the league. Everyone qualifies for seeking touanment  3A baseball post season - Looks the same as in years passed. KingCo goes straight to state  4A basesball post season - 2 options - 12 team tournament - 1 team between lincoln and other schools would be eliminated. Same bracket as it was in the 24-25 season. Seeding will need to worked out, but should be eleveated due to the groupings. We should have a good idea where the teams stand.  10 team post season bracket - top 4 plays for the championship and the remaining teams fight for the other spots into wesking. Feedback was that 3 teams will be eliminated and Lincoln would get a guranteed spot and that was fond of.	MTA 2A baseball post season bracket on 1st reading - 2nd - Discussion - 24 - 0 - 0 PASSED  MTA 3A baseball post season bracket on 1st reading - 2nd - Discussion - 24-0-0 PASSED  MTA 4A baseball 12 team post season bracket on 1st reading - 2nd - Discussion -18 - 1 - 5 PASSED
Track and Field Schedule Update			Facility based schedule changes were made, but it didn't impact everyone.

Wrestling	FYI	Jason T	Jason is still getting coaches to ask for mandates of how to work with trackwrestling. There are alot of coaches that are not entering athletes into the scrambles. Coaches need to take the time to understand the trackwrestling. This year there are going to be some late nights and there some clonkiness, but it is the first year.
