Sultan Update	Action/Info	Jordan F.	Sultan was denied acceptance into the league. they are going the route of appealing this decision to SeaKing. We need to have a discussion on how we could make this work with Sultan if they were placed in our league. 3 options were talked about that could be considered to help Sultan with a schedule. They did reach out to WesCo after our denial and Wesco said their process dates were over by then. Option 1 - explore a conditional/limited membership Option 2 - District 2 coalition Option 3 - AM football This group should find a path forward that we could present to Sultan.
