| Crest/Summit Basketball Schedule 1st Read | Action | Wes/Gabe | Crest divisions- it is pretty clean, movement in dates is available. Most boys and girls teams match up except for the teams that had teams move up or down. Want ot make sure we have a good balance of fridays/saturdays. need to also check the dates. Summit - lines up well with the crest division. 7 teams in the girls section, boys side is a little different, play 2 times in a season. 8 league games with 12 non league games. Front load a lot of non league games in the season. | MTA crest division for boys and girls basketball on 1st reading - 2nd - Discussion - 24-0-1 PASSED MTA summit division for boys and girls basketball on 1st reading - 2nd - discussion - 22-0-3 PASSED |
| Crown Basketball Schedule (Discussion Only) | Discuss | Dan/Olivia | Crown - commissioners do not have a schedule, just have a discussion that is needed. There is a high number of games on the boys side which gives 16 games. Girls side as 11 teams in it. split into 2 divisions for the girls side, but unbalance of games. Option 2 - balance ethe 4As and have 5 and 5 in each division. Mens division is also split into a division of 6 and 6. Have to think about post season as well. The differences in number of teams in each division from option 1 to option 2 especially on the girls side. Make sure you talk with your coaches on the impact of the boys side to the girls side and vice versa. | MTA option 2 for the crown division for girls and boys schedule - 2nd - discussion - 2nd - discussion - MTA tabling the vote of the crown schedule - 24-0-1 PASSED |
| Kids gambling | FYI | Melton | Make sure you are aware of of conversations your students are having in your stands. Students are starting to gamble on games. There are apps that give kids these opportunities to place bets online. | |
| Amendments | | | Four people have not voted - and there are 2 amendments that those 4 votes could change. We will revisit the flag football amendment at our next meeting. There is a discussion in district 5 on amendment 5 and 26. They did not like the note that if 5 passes 26 is moot. There are also 2 different timelines. If 5 passes, it doesn't go into effect until 2 years, if 26 passes it goes into effect next year. Changes to #22 - any non player or coach and not a game management come into a game space it - will be suspended. | |
