Lincoln Scheduling	Action	Jordan F.	We have a tentative agreement with Metro - as a league we need to send our vote forward for Lincolns path to post season. this past year we power ranked Lincoln, but put limits on where Lincoln could fall in the seeds. The goal is to find something consistant - The idea is that lincoln would play the last qualifying KingCo team to advance into the district tournament (pig tail game)  4A AD's have met and discussed different options - Lincoln would be placed in the district tournament and play out there. Would not be apart of the KingCo tournament. KingCo 4A AD's met and suggested a tournament where the top 4 kingco teams play for a championship and the bottom 5-12 would also have Lincoln seeded in and play for the other district qualifiers. <b>SeaKing Executive Board</b>	<i>FYI</i>	Matt Stuart / Jordan Halstead	<p>2A Sea-King Bracket - Now that Sultan is not apart of the district we are at an even 8 for 2A Sea-King. Heard back from all 8 ADs, the vote was 7-1 to go with the bracket that Matt has presented. KingCo's #5 will not make it into the tournament.</p> <p>3A - Basketball SeaKing tournament - we have been hosting at Bellevue college for years. Financially this has been hurting Seaking. First round has always been at Higher seed, which we will keep. The second round that was at Bellevue College will now be at KingCo site and a Metro Site. The third round and championship will still be at Bellevue College.</p> <p>3A district baseball and boys and girls soccer - Why have we never had a district tournament for these sports? Matt is asking the 3A AD's to give feedback on if we should bring it forward to Seaking. 3A AD's need to talk to their coaches to see how they feel about it.</p> <p>3A - Allocations from KingCo and Metro have not been done correctly. Matt will be running the numbers for next year, so do not be surprised if the numbers are different next year and the year after.</p>
