Ejections		James Billotti	Hazen - 9/17 Varsity FB vs Edmonds Woodway - ejected for profanity. Sat out next contest, took sportsmanship course and had a team meeting NC - Varsity FB player on 10/2, allegedly threw a punch. Will sit next week and take course, but Melton is appealing. Bellevue - Varsity Soccer - 9/24 Denial of scoring opportunity (goalie), sat out next game against Hazen, NFHS Sportsmanship course Highline - 9/26 FB player, profanity, say out next game and Renton - 9/14 FB player - sat out next game, and took NFHS sporstmanship course. 2nd ejection - varsity FB punch another player, sat out/NFHS course. Foster - Varsity FB 9/18, looked like player threw a punch. Appealed, but ejection was upheld and fee paid. Girls Varsity soccer - Foster player punched another player and was ejected. Suspended for 2 games and NFHS course taken, wrote an apology letter. Cedarcrest- 9/21 Varsity soccer, flipping referee off. Meeting with student and parents, athlete is no longer playing soccer.	
Violations		Lance Gatter	Lindbergh- Fall League Self Report. Coach was communicating through Final Forms regarding Fall League. One year probation for coach and AD to review out of season rules with coaches Hazen - VB athlete participated in varsity games. James later found out she was a transfer from Bellevue. James put her through a hearing and she was granted Varsity eligbility. Will need to decide if any wins will be vacated from games that athlete played in. (Correction from Jesse - no forfeiture needed since student was grated eligibility). James will meet w/ District AD to review eligiblity process. Hazen will report to the league what that process/plan is. Suggestion to run report and check enrollment dates to catch athletes who have not been at the school for one full year. LW - interdistrict transfer from Juanita. Had not been at LW for one full year- not Varsity eligible. Will work with district on how to track interdistrict transfers. Lance working with Emily at Final Forms Juanita/Redmond - 3 student athletes participated in academics at the Robinson Academy - should be withdrawn from HS and become Freshman at UW. They are now considered College students and no longer able to participate in HS sports. 2 participated in post season so both went directly to executive board. Board excepted recommendations to vacate any points earned for these kids in competition. KingCo panel accepted WIAA Exec board's recommendation.	

Special Items

Topic		Person responsible/Group	Notes	Action taken
Hazen Football		Kealey	Last week, KingCo exec board had a meeting to approve Hazen's forfeiture of Varsity FB game at Bellevue. Bellevue played a varsity soccer contest on 10/2 to replace the homecoming game. Hazen has a parent meeting tonight - attempt to get an accurate head count for remainder of season. Go Knights ;) - John Hill	
Tennis handbook language - UTR		Jesse S.	Seeding language regarding UTR didn't make into handbook. UTR is the last criteria that will be used for seeding	
Boosters/WIAA: Beden/Hoffman		Jordan S.	Boosters are working as opperaters - but their job should just be funding. Beden/Hoffman working to put together a training. Boosters should not be operating athletic activities. Ex- renting facilities for off-season stuff.	
Game change basketball - Mercer				
Game change basketball - Bellevue			Change league scheduled games for participating in MLK Day games. (Per referee suggestions) Redmond vs LW Mercer Island vs Interlake	MTA basketball game changes off of January 18th to January 20th - second - discussion - **PASSES 22-0-0**
Game change basketball - Redmond		Dan		
Girls swim schedule adjustment		James	Mt Si/Sammamish joining Hazen and LW @ Hazen on 10/22 to move from an outdoor facility to make sure the meet is done prior to post season.	MTA swim meet change to 10/22 for Mt Si/Sammamish - second - no discussion - PASSES 22-0-0

Track schedule - 2nd reading		Jordan S.	LW - concern about only running against 3 4A schools, one of them twice. Newings - timing system. May not be around much longer. KingCo should plan ahead for future timing needs	MTA track schedule on second reading - second - discussion - PASSES 22-0-0
Fall SOPs/Pacing Calendar		Jordan S.	October 7th - send to Jesse/Jordan ASAP to get on pacing calendar and on KingCo site. Be sure you send to coaches as well!	
C team flag football			Who has them? How is your district paying for stipends? Renton - threshold of enrollment - Jesse's discretion. (approx 45 @ RSD to get a C team). Issaquah SD - 1 coach per team. 6 games to be considered a 3rd team. Approximately 6-10 schools with C teams.	
Wrestling Schedules		Jason	Jason will let us know at start of season who is going where for scrambles. (depending on #s).	
Basketball - Seeding		Dan	Teams that opt up - rotate back and forth between team that opts up to the next division being #1 overall seed (year 1) and the regular season winner in that division being #1 seed (year 2). Ex: Bellevue in Soccer will get #1 seed for 3A next year, this year Crest #1 will get #1 seed. Should this be applied to Basketball/Fastpitch/Football/other team sports where teams opt up? No vote this meeting but ADs should think about it/discuss.	
Amendment		Lance G	Season Limitations - Principal cannot claim academic deficiencies to allow student-athletes to have a 5th year of HS eligiblity. 2 years of middle school and 4 years of HS eligibility. This would allow Athletic Directors to only look at HS years when determining eligility. Rick - Private school amendment (from a school up North) would make a private school post season with 2 private school divisions Matt Stuart - there will be an amendment to minimize practice requirements for Football	
Girls Golf Schedule - 2nd reading		Tori		MTA Girls Golf Schedule on second reading - second - no discussion - PASSES 22-0-0
Swim and Dive districts		James B.	Staffing at 2 sites - James/Jesse will reach out through swim coaches to get volunteers for post season at Hazen and Mary Wayte.	
Blackout days for basketball		Wes	See email from Wes.	
Cross country authorization forms			Due october 16th for ambulatory athletes	
Individual athletes competing at state			Remind athletes if they make it to state in the spring they need to compete otherwise you need to let the state know so they move onto the next individual	
2A District Golf Tournament		Lance	2A participants - approx. 15 kids, but can only submit 6 individuals to move forward. Attempt to eliminate additional day of match/time out of school and have one outting instead of 2. Lance will send something out to coaches - they will compete Thursday afternoon. 2A ADs in the room are on board.	
Fall Ball		Kealey	Information from Cindy Adsit- Booster club can't run/facilitate Fall ball programs. This interpretation considers booster clubs as an entity of the school. Same rule applies to spring/fall volleyball, 7 on 7 football, etc.
