The resolution provided that the District shall retain the Abatement and apply it to finance the costs of construction of and improvements to parking lots districtwide, and related financing costs.

(b) At the meeting held June 22, 2020, this Board also determined to sell and issue general obligation tax abatement bonds of Independent School District No. 299 (the "Issuer" or the "District") to finance the costs specified above, including any items of cost of the kinds authorized in Minnesota Statutes, Section 469.1814, Subdivision 5, benefitting the Abated Parcels. In the Official Statement, the District reserved the right, after proposals were opened and prior to award, to increase or decrease the principal amount of the Bonds offered for sale or the amount of any individual maturity, with the increase or decrease to occur in multiples of \$5,000 in any of the maturities.

1.02 Sale. The Board, having been advised by Ehlers & Associates, Inc., its independent municipal advisor, has determined that this issue shall be privately sold after receipt of written proposals, as authorized pursuant to Minnesota Statutes, Section 475.60, Subdivision 2, as amended. The Board has publicly received and considered all proposals presented in conformity with the Terms of Proposal contained in the Official Statement, which are hereby ratified and confirmed in

all respects, as revised, and are incorporated herein by reference as though fully specified in this paragraph. The most favorable of such proposals is ascertained to be that of _____ (the "Purchaser") to purchase the Bonds at a price of \$ _____, plus interest accrued to settlement, and upon the further terms and conditions set forth in the Terms of Proposal contained in the Official Statement and this resolution. Said proposal is hereby accepted and the sale of the Bonds is hereby awarded to said Purchaser.

The Bond Registrar for the Bonds is authorized and directed to notify the Commissioner of Education if it becomes aware of a potential default in the payment of principal or interest on the Bonds or if, on the day two (2) business days prior to the date a payment is due on the Bonds, there are insufficient funds to make that payment on deposit with the Bond Registrar. The District understands that as a result of its covenant to be bound by the provisions of Minnesota Statutes, Section 126C.55, the provisions of that section shall be binding as long as any Bonds of this issue remain outstanding.

(b) The District further covenants to comply with all procedures now or hereafter established by the Departments of Management and Budget and Education of the State of Minnesota pursuant to Minnesota Statutes, Section 126C.55, subdivision 2(c) and otherwise to take such actions as necessary to comply with that section.

Section 2. Bond Terms.

2.01 Designation; Registration; Denomination; Maturities. The \$ _____ aggregate principal amount of general obligation bonds sold on this date shall be designated General Obligation Tax Abatement Bonds, Series 2020A, shall be dated August 13, 2020, as the date of original issue, and shall be issued forthwith on or after such date using a global book-entry system. The Bonds shall be issued as fully registered bonds and shall be numbered R-1 upward, in the denomination of \$5,000 each or any integral multiple thereof of a single maturity. The Bonds shall mature on February 1 in the years and amounts set forth below, and shall bear interest from the most

recent Interest Payment Date to which interest has been paid or duly provided for, or, if no interest has been paid or provided for, from the date of original issue until paid or duly called for mandatory redemption at the rates per annum set forth below opposite such years and amounts, as follows:

<u>Year</u>	<u>Amount</u>	<u>Interest Rate</u>	<u>Year</u>	<u>Amount</u>	<u>Interest Rate</u>
-------------	---------------	----------------------	-------------	---------------	----------------------

In the Terms of Proposal, the District reserved the right, after proposals were opened and prior to award, to increase or decrease the principal amount of the Bonds offered for sale or the amount of any individual maturity, with the increase or decrease to occur in multiples of \$5,000 in any of the maturities. The amounts specified above are hereby adopted and approved as so adjusted.

These maturities, together with the maturities of all other outstanding general obligation bonds of the Issuer, meet the requirements of Minnesota Statutes, Section 475.54.

2.02 Interest Payments. Interest shall be payable semiannually on each February 1 and August 1 to maturity (each an "Interest Payment Date"), commencing February 1, 2021. Interest will be calculated on the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the MSRB. Interest will be payable in the manner set forth in the form of Global Certificate or Replacement Bond and Paragraph 4.06 of this resolution.

2.03 Use of Global Book-Entry System.

(a) Description of System. In order to issue obligations in "global book-entry form", the obligations are issued in certificated form in large denominations, are registered on the books of the Issuer in the name of a depository or its nominee, and are immobilized and held in safekeeping by the depository. The depository, as part of the computerized National Securities Clearance and Settlement System (the "National System"), registers transfers of ownership interests in the obligations by making computerized book entries on its own books and distributing payments on the obligations to its participants shown on its books as the owners of such interests. These participants, which include financial institutions for whom the depository effects book-entry transfers of securities deposited and immobilized with the depository, and other banks, brokers and dealers participating in the National System will do likewise if not the beneficial owners of the obligations.

(b) Designation of Depository; Approval of Blanket Issuer Letter of Representations. The Depository Trust Company ("DTC") of New York, New York, a Securities and Exchange Commission designated depository, a limited purpose New York trust company, a member of the Federal Reserve System, and a "clearing corporation" within the meaning of the New York Uniform Commercial Code, is hereby designated as the depository (the "Depository") with respect to the Bonds issued hereunder in global book-entry form. There has been submitted to this Board a form of letter of representations (the "Blanket Issuer Letter of Representations") between the Issuer and the Depository setting forth various matters relating to the Depository and its role with respect to the Bonds. This Blanket Issuer Letter of Representations is hereby approved. The Chair or the Clerk is hereby authorized and directed to execute the Blanket Issuer Letter of Representations in substantially the form attached hereto as EXHIBIT C, if such a letter of representations has not already been executed, with only such variations therein as may be required to complete the Blanket

Issuer Letter of Representations, or which are not, in the opinion of Bond Counsel, materially adverse to the interests of the Issuer. Execution of the Blanket Issuer Letter of Representations by such official shall be conclusive evidence as to the necessity and propriety of such changes and their approval by Bond Counsel. So long as DTC is the Depository or it or its nominee is the Holder of any Global Certificate, the District shall comply with the provisions of the Blanket Issuer Letter of Representations, as it may be amended or supplemented by the District from time to time with the agreement or consent of DTC.

(c) Global Certificates. Upon their original issuance, the Bonds will be issued in the form of a single Global Certificate for each maturity which shall represent the aggregate principal amount of the Bonds due on a particular maturity date (the "Global Certificates"). The Global Certificates will be originally issued and fully registered as to principal and interest in the name of Cede & Co., as nominee of DTC. The Global Certificates will be deposited with the Depository by the Purchaser and will be immobilized as further provided herein. No beneficial owners of interest in the Bonds will receive certificates representing their respective interests in the Bonds except as provided below in clause (e) of this Paragraph 2.03. Except as so provided, during the term of the Bonds, beneficial ownership (and subsequent transfers of beneficial ownership) of interests in the Global Certificates will be reflected by book entries made on the records of the Depository and its participants and other banks, brokers, and dealers participating in the National System. The Depository's book entries of beneficial ownership interest are authorized to be in integral increments of \$5,000, despite the larger authorized denominations of the Global Certificates. Payment of principal of, premium, if any, and interest on the Global Certificates will be made to the Bond Registrar as paying agent, and in turn by the Bond Registrar to the Depository or its nominee as registered owner of the Global Certificates. The Depository, according to the laws and rules governing it, will receive and forward such payments on behalf of the beneficial owners of the Global Certificates.

(d) Immobilization of Global Certificates by the Depository. Pursuant to the request of the Purchaser to the Depository, immediately upon the original delivery of the Bonds the Purchaser will deposit the Global Certificates representing all of the Bonds with the Depository. The Global Certificates shall be in typewritten form or otherwise as acceptable to the Depository, shall be registered in the name of the Depository or its nominee and shall be held immobilized from circulation at the offices of the Depository on behalf of the Purchaser and subsequent Bondholders. The Depository or its nominee will be the sole Holder of record of the Global Certificates and no investor or other party purchasing, selling or otherwise transferring ownership of interests in any Bond is to receive, hold or deliver any Global Certificates so long as the Depository holds the Global Certificates immobilized from circulation, except as provided below in clause (e) of this Paragraph 2.03.

(e) Transfer or Exchange of Global Certificates; Substitute Depository; Replacement Bonds.

Global Certificates evidencing the Bonds may not, after their original delivery, be transferred or exchanged except:

(i) Upon exchange of a Global Certificate after a partial redemption, if authorized in Paragraph 2.04 of this resolution;

(ii) To any successor of the Depository (or its nominee) or any substitute depository (a "Substitute Depository") designated pursuant to subclause (iii) of this clause (e); provided that any successor of the Depository or any Substitute Depository must be both a "clearing corporation" as defined in the Minnesota Uniform Commercial Code, Minnesota Statutes, Section 336.8-102, and a qualified and registered "clearing agency" as provided in Section 17A of the Securities Exchange Act of 1934, as amended;

(iii) To a Substitute Depository designated by and acceptable to the Issuer upon (a) the determination by the Depository that the Bonds shall no longer be eligible for its depository services or (b) a determination by the Issuer that the Depository is no longer able to carry out its functions; provided that any Substitute Depository must be qualified to act as such, as provided in subclause (ii) of this clause (e); or

(iv) In the event that (a) the Depository shall resign or discontinue its services for the Bonds or be declared no longer able to carry out its functions and the Issuer is unable to locate a Substitute Depository within two (2) months following the resignation or discontinuance or determination of noneligibility, or (b) the Issuer determines in its sole discretion that (1) the continuation of the book-entry system described herein might adversely affect the interests of the beneficial owners of the Bonds, or (2) it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, then the Issuer shall notify the Holders of its determination and of the availability of Replacement Bonds to Holders. The Issuer, the Bond Registrar and the Depository shall cooperate in providing Replacement Bonds to Holders requesting the same and the registration, transfer and exchange of such Bonds shall thereafter be conducted as provided in Paragraph 4.04 of this resolution.

In the event of the designation of a Substitute Depository as authorized by this clause (e), the Bond Registrar, upon presentation of the Global Certificates, shall register their transfer to the Substitute Depository, and the Substitute Depository shall be treated as the Depository for all purposes and functions under this resolution. The Blanket Issuer Letter of Representations shall not apply to the Substitute Depository unless the Issuer and the Substitute Depository so agree, and the execution of a similar agreement is hereby authorized.

2.04 Redemption. (a) Optional Redemption. The Bonds of this Issue are not subject to optional redemption or prepayment prior to maturity.

(b) Mandatory Redemption. (1) The Bonds maturing in the year ____ shall be subject to mandatory redemption at a redemption price equal to the principal amount of the Bonds to be so redeemed plus interest accrued thereon to the date fixed for redemption, on February 1 in the years and principal amounts set forth below:

<u>Year</u>	<u>Amount</u>
	\$

(2) The Bonds maturing in the year ____ shall be subject to mandatory redemption at a redemption price equal to the principal amount of the Bonds to be so redeemed plus interest accrued

thereon to the date fixed for redemption, on February 1 in the years and principal amounts set forth below:

<u>Year</u>	<u>Amount</u>
	\$

(3) Mandatory redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the Issuer shall determine the order of redemption of Bonds; and if only part of the Bonds having a common maturity date are called for prepayment, the Global Certificates to be prepaid may be prepaid in \$5,000 increments of principal and, if applicable, the specific Replacement Bonds to be prepaid shall be chosen by lot by the Bond Registrar as provided below. Bonds or portions thereof called for redemption shall be due and payable on the designated redemption date, and interest thereon shall cease to accrue from and after the redemption date.

(c) **Mandatory Redemption of Global Certificates.** Upon a partial redemption in the aggregate principal amount of a Global Certificate which results in the stated amount thereof being reduced, the Holder may in its discretion make a notation of such redemption on the panel provided on the Global Certificate stating the amount so redeemed, or may return the Global Certificate to the Bond Registrar in exchange for a new Global Certificate authenticated by the Bond Registrar, in proper principal amount. Such notation of redemption, if made by the Holder, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of such Global Certificate outstanding, unless the Bond Registrar has signed the appropriate column of the panel.

(d) **Mandatory Redemption of Replacement Bonds.** To effect a partial redemption of Replacement Bonds having a common maturity date, the Bond Registrar, prior to giving a notice of redemption, shall assign to each Replacement Bond having a common maturity date a distinctive number for each \$5,000 of the principal amount of such Replacement Bond. The Bond Registrar shall then select by lot from the numbers so assigned to such Replacement Bonds, using such method of selection as it shall deem proper in its discretion, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Replacement Bonds to be redeemed. The Replacement Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Replacement Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 of principal amount for each number assigned to it and so selected. If a Replacement Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the Issuer or the Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and the Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the Issuer shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of such Replacement Bond, without service charge, a new Replacement Bond or Bonds of the same series having the same stated maturity and interest rate and of any authorized denomination or denominations, as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Replacement Bond so surrendered.

(e) **Notice of Mandatory Redemption of Global Certificates and Replacement Bonds.** The Bond Registrar shall call Bonds for redemption and payment as herein provided upon

receipt by the Bond Registrar of a request of the Issuer. The request shall be in written form. The request shall specify the principal amount of Bonds to be called for redemption, the redemption date and the redemption price.

Published notice of redemption shall in each case be given in accordance with law and mailed notice of redemption shall be given to the paying agent and to each affected Holder. If and when the Issuer shall call any of the Bonds for redemption and payment prior to the stated maturity thereof, the Bond Registrar shall give written notice in the name of the Issuer of its intention to redeem and pay such Bonds at the office of the Bond Registrar. The Notice of Redemption shall be given by first class mail, postage prepaid, mailed not less than thirty (30) nor more than sixty (60) days prior to the redemption date, to each Holder of Bonds to be redeemed, at the address appearing in the records of the Bond Registrar. For the purpose of giving notice of the redemption of Global Certificates, the Holder of the Global Certificates shall be the Depository or its nominee. In connection with any such notice, the "CUSIP" numbers assigned to the Bonds shall be used. All notices of redemption shall state:

- (i) The redemption date;
- (ii) The redemption price;
- (iii) If less than all outstanding Bonds are to be redeemed, the identification (and, if the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed;
- (iv) That on the redemption date, the redemption price will become due and payable upon each such Bond, and that interest thereon shall cease to accrue from and after said date; and
- (v) The place where such Bonds are to be surrendered for payment of the redemption price (which shall be the office of the Bond Registrar).

Section 3. Form of Bonds.

The Bonds to be issued hereunder shall be in the form of Global Certificates unless and until Replacement Bonds are made available as provided herein.

3.01 Global Certificates. The Global Certificates to be issued hereunder, together with the Bond Registrar's Certificate of Authentication, the Register of Partial Payments, the form of Assignment, and the registration information thereon, shall be in substantially the form set forth in EXHIBIT A hereto, which exhibit is incorporated herein by reference as though fully specified in this paragraph, and may be typewritten rather than printed.

3.02 Replacement Bonds. If the Issuer has notified Holders that Replacement Bonds have been made available as provided in Paragraph 2.03(e) of this resolution, then for every Bond thereafter transferred or exchanged (including an exchange to reflect the partial mandatory redemption of a Global Certificate not previously exchanged for Replacement Bonds), the Bond Registrar shall deliver a bond in the form of a Replacement Bond rather than a Global Certificate, but the Holder of a Global Certificate shall not otherwise be required to exchange the Global

Certificate for one or more Replacement Bonds since the Issuer recognizes that some Holders may prefer the convenience of the Depository's registered ownership of the Bonds even though the entire issue is no longer required to be in global book-entry form. The Replacement Bonds, together with the Bond Registrar's Certificate of Authentication, the form of Assignment and the registration information thereto, shall be in substantially the form set forth in EXHIBIT B hereto, which exhibit is incorporated herein by reference as though fully specified in this paragraph.

Section 4. Execution; Delivery; Registration.

4.01 Appointment of Registrar. Bond Trust Services Corporation in Roseville, Minnesota, is appointed to act as the bond registrar and transfer agent (the "Bond Registrar") and shall do so until a successor Bond Registrar is duly appointed, all pursuant to a contract the Issuer and the Bond Registrar shall execute which is consistent herewith and which the chair and clerk are hereby authorized to execute and deliver. A successor Bond Registrar shall be a bank or trust company eligible for designation as bond registrar pursuant to Minnesota Statutes, Chapter 475. The terms of the appointment of the successor Bond Registrar and its duties shall be specified in a contract between the Issuer and such successor Bond Registrar that is consistent herewith and that the Chair and Clerk are hereby authorized to execute and deliver. The Bond Registrar, which may act through an agent, shall also serve as paying agent until and unless a successor paying agent is duly appointed. The Bond Registrar shall pay principal and interest on the Bonds to the registered Holders (or record Holder) of the Bonds in the manner set forth in the form of Global Certificate or Replacement Bond, as applicable, and Paragraph 4.06 of this resolution. The Issuer agrees to pay the reasonable and customary charges for the services of such Bond Registrar.

4.02 Execution of Bonds. The Bonds shall be executed on behalf of the Issuer by the manual signatures of the Chair and Clerk of the School Board; provided, however that both of such signatures may be printed facsimiles, in which event the Bonds shall also be executed manually by the authenticating agent as provided in Minnesota Statutes, Section 475.55. In the event of disability or resignation or other absence of either such officer, the Bonds may be signed by the manual or facsimile signature of that officer who may act on behalf of such absent or disabled officer. In case either such officer whose signature or facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of the Bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if that officer had remained in office until delivery. If the Issuer has adopted a corporate seal, it shall be omitted on the Bonds as permitted by law.

4.03 Authentication; Date of Registration. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this resolution unless and until a Certificate of Authentication on such Bond, substantially in the form set forth in the form of Global Certificate or Replacement Bond, shall have been duly executed by the manual signature of an authorized representative of the Bond Registrar. Certificates of Authentication on different Bonds need not be signed by the same person. The Bond Registrar shall authenticate each Bond by execution of the Certificate of Authentication on the Bond and shall date each Bond in the space provided as of the date on which the Bond is registered. For purposes of delivering the original Bonds (Global Certificates) to the Purchaser, the Bond Registrar shall insert as the date of registration the date of original issue; and the executed Certificate of Authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution.

4.04 Transfer or Exchange. The Issuer will cause to be kept at the principal office of the Bond Registrar a bond register in which, subject to such reasonable regulations as the Bond Registrar may prescribe, the Bond Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged as herein provided.

A Global Certificate shall be registered in the name of the payee on the books of the Bond Registrar by presenting the Global Certificate for registration to the Bond Registrar, whose representative will endorse his or her name and note the date of registration opposite the name of the payee in the certificate of registration on the Global Certificate. Thereafter a Global Certificate may be transferred by delivery with an assignment duly executed by the Holder or the Holder's legal representative, and the Issuer and Bond Registrar may treat the Holder as the person exclusively entitled to exercise all the rights and powers of an owner until a Global Certificate is presented with such assignment for registration of transfer, accompanied by assurance of the nature provided by law that the assignment is genuine and effective, and until such transfer is registered on said books and noted thereon by the Bond Registrar, all subject to the terms and conditions provided in this resolution and to reasonable regulations of the Issuer contained in any agreement with, or notice to, the Bond Registrar.

Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, the Issuer shall execute (if necessary), and the Bond Registrar shall authenticate, date (in the space designated Date of Registration) and deliver, in the name of the designated transferee or transferees, one or more new Bonds of any authorized denomination or denominations of a like aggregate principal amount, having the same stated maturity and interest rate, as requested by the transferor; provided, however, that no Bond may be registered in blank or in the name of "bearer" or similar designation.

When any Bond is presented to the Bond Registrar for transfer, the Bond Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Bond Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

At the option of the Holder of a Replacement Bond, Replacement Bonds may be exchanged for Replacement Bonds of any authorized denomination or denominations of a like aggregate principal amount and stated maturity, upon surrender of the Replacement Bonds to be exchanged at the principal office of the Bond Registrar. Whenever any Replacement Bonds are so surrendered for exchange, the Issuer shall execute (if necessary), and the Bond Registrar shall authenticate, date (in the space designated Date of Registration) and deliver the Replacement Bonds which the Holder making the exchange is entitled to receive. Global Certificates may not be exchanged for Global Certificates of smaller denominations.

All Bonds surrendered upon any exchange or transfer provided for in this resolution shall be promptly canceled by the Bond Registrar and thereafter disposed of as directed by the Issuer.

All Bonds delivered in exchange for or upon transfer of Bonds shall be valid general obligations of the Issuer evidencing the same debt, shall be entitled to the same benefits under this resolution as the Bonds surrendered for such exchange or transfer, and shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bonds.

Transfer of a Bond may be made on the Issuer's books by the registered owner in person or by the registered owner's attorney duly authorized in writing. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, in form satisfactory to the Bond Registrar, duly executed by the registered owner thereof, with signature guaranteed, or by the registered owner's attorney duly authorized in writing, and shall include written instructions as to the details of the transfer of the Bond.

The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of any Bond and any legal or unusual costs regarding transfers and lost bonds.

Transfers shall also be subject to reasonable regulations of the Issuer contained in any agreement with, or notice to, the Bond Registrar, including regulations which permit the Bond Registrar to close its transfer books between record dates and payment dates.

4.05 Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be lost, stolen or destroyed, the Bond Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond lost, stolen or destroyed, upon payment of the reasonable expenses and charges of the Bond Registrar in connection therewith; and, in the case of a Bond lost, stolen or destroyed, upon filing with the Registrar of evidence satisfactory to it that such Bond was lost, stolen or destroyed, and of the ownership thereof, and upon furnishing to the Bond Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the Issuer and the Bond Registrar shall be named as obligees. All Bonds so surrendered to the Bond Registrar shall be canceled by it and evidence of such cancellation shall be given to the District. If the mutilated, lost, stolen or destroyed Bond has already matured, it shall not be necessary to issue a new Bond prior to payment.

4.06 Interest Payments; Record Dates. Interest on any Global Certificate shall be paid as provided in the first paragraph thereof and interest on any Replacement Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered (the "Holder") on the registration books of the Issuer maintained by the Bond Registrar and in each case at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such Interest Payment Date (the "Regular Record Date"). Any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the Holder thereof as of the Regular Record Date, and shall be payable to the person who is the Holder thereof at the close of business on a date fixed for the payment of such defaulted interest (the "Special Record Date"). The Special Record Date shall be fixed by the Bond Registrar whenever money becomes available for payment of the defaulted interest, and notice of the Special Record Date shall be given by the Bond Registrar to the Holders not less than ten (10) days prior thereto. The term "Holder" shall also include those lawfully entitled to take actions on behalf of the beneficial owners of the Bonds for purposes of any consent or approvals given by Holders.

If the date for payment of the principal of, premium, if any, or interest on this Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the City of New York, New York, or the city where the principal office of the Bond Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such date shall have the same force and effect as if made on the nominal date of payment.

4.07 Persons Deemed Owners. The Issuer and the Bond Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of principal of and premium, if any, and interest (subject to the payment provisions in Paragraph 4.06 above), on such Bond and for all other purposes whatsoever, whether or not such Bond shall be overdue, and neither the Issuer nor the Bond Registrar shall be affected by notice to the contrary.

For the purposes of all actions, consents and other matters affecting Holders of Bonds issued under this Resolution as from time to time supplemented, other than payments, redemptions, and purchases, the Issuer may (but shall not be obligated to) treat as the Holder of a Bond the beneficial owner of the Bond instead of the person in whose name the Bond is registered. For that purpose, the Issuer may ascertain the identity of the beneficial owner of the Bond by such means as the Bond Registrar in its sole discretion deems appropriate, including but not limited to a certificate from the Depository or other person in whose name the Bond is registered identifying such beneficial owner.

4.08 Delivery. The Bonds when so prepared and executed shall be delivered by the Treasurer of the Issuer to the Purchaser thereof upon receipt of the purchase price, and the Purchaser shall not be obliged to see to the proper application thereof.

Section 5. Debt Redemption Fund and Tax Levies.

5.01 Debt Redemption Fund. There is hereby created within the Debt Redemption Fund of the Issuer a special account to be designated General Obligation Tax Abatement Bonds, Series 2020A Debt Service Account (the "Debt Service Account "). The Bonds and the interest thereon shall be payable from the Debt Service Account, which shall be maintained by the Treasurer separate and apart from all other funds of the Issuer so long as any Bonds issued hereunder may be outstanding and unpaid. Money in the Debt Service Account shall be used for no purpose other than payment of principal and interest on the Bonds issued pursuant to this resolution. If any payment of principal or interest on the Bonds shall become due when there is not sufficient money in the Debt Service Account to make such payment, the Treasurer shall pay the same from the General Fund of the Issuer, and the General Fund shall be reimbursed for such advances out of the proceeds of the taxes levied for the payment of such Bonds. The proceeds of all taxes levied pursuant to this resolution, all Tax Abatement Revenue received by the District, \$ _____ of premium received from the Purchaser of the Bonds, and all other moneys received for or appropriated to the payment of the Bonds and interest thereon shall be paid into the Debt Service Account.

5.02 Pledge of Full Faith and Credit; Tax Levies. For the prompt and full payment of the principal of and interest on the Bonds as the same respectively become due, the full faith and credit and taxing powers of the Issuer shall be and are hereby irrevocably pledged. In order to

provide the moneys for the payment thereof required by Minnesota Statutes, Section 475.61, there is hereby levied upon all of the taxable property in the Issuer a direct annual ad valorem tax which shall be spread upon the tax rolls, as a part of other general taxes of the Issuer, for collection in the years and in the amounts as specified on the levy computation sheet attached hereto as EXHIBIT D and incorporated herein by reference as though fully specified in this paragraph. The tax levies provided in this paragraph are such that, if collected in full they, together with estimated collections of other revenues pledged for the payment of the Bonds, including the Tax Abatement Revenue, will produce at least five percent (5%) in excess of the amounts needed to meet when due the principal and interest payments on the Bonds.

Said tax levies shall be irrevocable as long as any of said Bonds are outstanding and unpaid, provided that the Issuer reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61.

5.03 Investment Restrictions. No portion of the proceeds of the Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds were issued and (2) in addition to the above in an amount not greater than the lesser of five percent (5%) of the proceeds of the Bonds or \$100,000. To this effect, any proceeds of the Bonds and any sums from time to time held in the Construction Account or Debt Service Account created herein (or any other District account which will be used to pay principal or interest to become due on the Bonds payable therefrom) in excess of amounts which under then applicable federal arbitrage restrictions may be invested without regard to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. Money in those funds shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Internal Revenue Code of 1986, as amended (the "Code").

5.04 Construction Fund. There is hereby created within the Construction Fund of the Issuer a special account to be designated General Obligation Tax Abatement Bonds, Series 2020A Construction Account (the "Construction Account"). The proceeds of the bonds not appropriated to the Debt Service Account as provided in Paragraph 5.01 shall be credited to this Construction Account and be used to pay costs incurred in the removal and replacement of parking lot surfaces at various school sites throughout the District.

Section 6. Exemption from Rebate Requirements.

6.01 Declaration of Exemption. For purposes of compliance with the requirements of Section 148(f)(4)(D) of the Code relating to the exemption for certain small governmental units from the rebate requirements of the Code, the Board hereby determines and declares that:

- (a) the Issuer is a governmental unit with general taxing powers;

- (b) the Bonds are not "private activity bonds" as defined in Section 141 of the Code (Private Activity Bonds);
- (c) ninety-five percent of the net proceeds of the Bonds are to be used for the local government purposes of the Issuer; and
- (d) the aggregate face amount of all tax-exempt obligations (other than Private Activity Bonds) issued by the Issuer in calendar year 2020 is not reasonably expected to exceed \$15,000,000; and no more than \$5,000,000 of said tax-exempt obligations will be used to finance expenditures other than expenditures financing the construction of public school facilities.

Section 7. Certifications, Designations, Defeasance, Arbitrage, Reporting.

7.01 Filing of Resolution; County Auditor Certificate. The Clerk is hereby authorized and directed to file with the County Auditor of each county in which the Issuer is located in whole or in part a certified copy of this resolution, together with such other information as said County Auditor shall require, and to obtain from said County Auditor a certificate that the tax required by law for the payment of said Bonds has been levied, and that said Bonds have been entered upon the County Auditor's Bond Register.

7.02 Defeasance. When all of the Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution shall cease. The Issuer may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The Issuer may also discharge all Bonds of said issue at any time by irrevocably depositing in escrow with the Bond Registrar, for the purpose of paying all principal and interest due on such Bonds to maturity, or if prepayable, to an earlier date on which they may be called for mandatory redemption, a sum of cash or securities of the types described in Minnesota Statutes, Section 475.67, as amended, in such aggregate amount, bearing interest at such rates and maturing or callable at the Issuer's option on such dates as shall be required to provide funds sufficient for this purpose.

7.03 Designation as Qualified Tax-exempt Obligations. The Board finds that the reasonably anticipated amount of qualified tax-exempt obligations (other than private activity bonds) which will be issued by the Issuer during the calendar year 2020 will not exceed \$10,000,000. The Bonds of this issue are hereby designated as "Qualified Tax-exempt Obligations" for the purposes of Section 265 of the Code relating to the deduction of interest expenses allocable to the Bonds by financial institutions.

7.04 Authentication of Transcript. The officers of the Issuer and each said County Auditor are hereby authorized and requested to prepare and furnish to the Purchaser of said Bonds, and to the attorneys approving legality of the issuance thereof, certified copies of all proceedings and records of the Issuer relating to said Bonds and to the financial condition and affairs of the Issuer, and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of said Bonds as they appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies,

certificates and affidavits, including any heretofore furnished, shall be deemed representations of the Issuer as to the facts recited therein.

7.05 Covenant to Continue Tax Exemption. The Issuer covenants and agrees with the Holders from time to time of the Bonds herein authorized, that it will not take, or permit to be taken by any of its officers, employees or agents, any action which would cause the interest payable on the Bonds to become subject to taxation under the United States Internal Revenue Code, the regulations promulgated thereunder, or any other applicable federal tax law or regulation; and that it will take, or it will cause its officers, employees or agents to take, all affirmative actions within its powers which may be necessary to ensure that such interest will not become subject to taxation under the Internal Revenue Code. The term "Internal Revenue Code" or "Code" as used herein includes the Internal Revenue Code of 1986, as amended, and all regulations, amended regulations and proposed regulations issued thereunder, as now existing or as hereafter amended or proposed.

7.06 Arbitrage Certification. The Chair and School District Clerk, being the officers of the Issuer charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser an arbitrage certification in order to satisfy the provisions of the Code and the regulations promulgated thereunder.

7.07 Official Statement. The Official Statement relating to the Bonds, on file with the Clerk and presented to this meeting, is hereby approved and deemed final, and the furnishing thereof to prospective purchasers of the Bonds is hereby ratified and confirmed, insofar as the same relates to the Bonds and the sale thereof.

7.08 Information Reporting. For purposes of compliance with the provisions of Section 149(e) of the Code, the Issuer shall submit to the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, a statement concerning the Bond issue which meets the requirements of Section 149(e) (2).

7.09. Payment of Issuance Expenses. The District authorizes the Purchaser to forward the amount of Bond proceeds allocable to the payment of issuance expenses to Old National Bank, Evansville, Indiana, on the closing date for further distribution as directed by the District's municipal advisor, Ehlers & Associates, Inc.

7.10 Continuing Disclosure. The Chair and the School District Clerk are authorized and directed to execute and deliver a Continuing Disclosure Certificate to assist the Participating Underwriters in complying with SEC Rule 15c2-12(b)(5) for full disclosure (The "Rule"). The Continuing Disclosure Certificate shall be entered into for the benefit of the Holders of the Bonds and shall constitute the written undertaking required by the Rule to provide or cause to be provided to the MSRB, in an electronic format through the use of the Electronic Municipal Market Access system ("EMMA"), the annual financial information specified therein and to give notice of the occurrence of the Listed Events specified therein, each in the manner specified therein, as required by the Rule. The provisions of the Continuing Disclosure Certificate are incorporated herein as though fully specified in this paragraph.

7.11 Nonbook-Entry Option. Notwithstanding any contrary provision of this resolution, if the option to allow the Bonds to be issued in a nonbook-entry format was included in the Terms of Proposal and if the Purchaser specified on the proposal form that the Bonds are not to be issued in

global book-entry form, they shall then be issued in nonbook-entry format in registered form in the name of the Purchaser.

Member Spencer Yohe introduced the following resolution and moved its adoption:

Designation of Identified Official with Authority for the MDE External User Access Recertification System

The Minnesota Department of Education (MDE) requires that school districts annually designate an Identified Official with Authority to comply with State Access Control Security Standard 1.0 which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The Identified Official with Authority will assign job duties and authorize external user’s access to MDE secure systems for their local education agency (LEA). ADMINISTRATIVE REPORTS

Mrs. Link informed the board that since the last board meeting, much of her time has been dedicated to negotiating curriculum costs between *Math Expressions* and *Ready Math*. Both vendors were competitive in their quotes. They were resilient in their efforts to give the best quote. In the end *Ready Math* came across with amazing cost savings. The elementary regular math team did extensive research on a new math curriculum that we can use across all grade levels, K-5. This will help to scope and sequence as our students move from grade to grade. It is called *Ready Classroom Mathematics*. It is highly rated by *EdReports*. We are setting up dates for professional development for our math teachers to implement the new curriculum. The PD will be an intensive 6 hour training given by Curriculum Associates. Our Special Education Department also met with me to look at a new math curriculum. This department was long overdue for materials, so they were excited to get something that was tailored to the needs of their students. They selected *Number World’s Intervention* Package for 6 years for \$8,126.25. This will be for grades K-12. Our reading interventionists met to complete the Read Well by

Third Grade MDE application. This application must be completed to receive funds to promote literacy in our early grades. We continue to work on growth in developing our students to read at grade level. We are still in need of a paraprofessional to help with our reading proficiency as stated at last month's board meeting. We will be using the IRLA digital access online toolkit next year, which will enable our students to select new reading materials via their iPads. This especially will be utilized if/when we go into a distance learning or hybrid model of delivery. We continue to work as an administrative team to prepare for the fall. Although the start of the year may be uncertain, the planning team has been instrumental in providing input from multiple perspectives.

Mr. Boler informed the board that planning for the 2020-21 school year continues. Administratively we continue to review all guidance and recommendations put out by various organizations (MDE, MDH, CDC, etc). We are collaborating with other area districts which have been meeting weekly. When the final guidance is released the week of July 27th, we hope to be well prepared to finalize plans at this time. At present, we have 15 new enrollments for the 2020-21 school year. Summer school ran from June 15 through June 25th. This year a total of 17 semester classes were complemented and recovered. The 6-12 math department met and made the decision to keep the same curriculum we had been using. In order to be in compliance with copyright laws, some additional textbooks were purchased to accommodate our online resources. The closing dates for the MS English and 6-8 SPED position will close July 30th. Interviews will be held the first week of August. He met with our new teachers on July 16th. The goal is to help answer any questions and help our new staff transition and become more acclimated with our district and communities who make up the district. The Technology Task Team met on June 24th in hopes of having this committee meet on a regular basis. The 2020 School Year Planning Committee met on July 9th to discuss the "in-person" scenario. He has attended a number of webinars including but not limited to Q-Comp, Mental Health of students and staff, and Character Strong.

Ms. Linzmeier informed the board that we have new SAC staff starting this past month as staff will be leaving at the end of August. We will be able to charge for childcare once again this fall. We will be able to offer child care to all families, with children of emergency and healthcare workers taking priority, as long as we can stick to the social distancing guidelines. Prairie Fire Children's Theater for this summer has been canceled. She is starting to work on the Fall class catalog and will be collaborating with other area community ed programs for online classes.

Superintendent Ihrke informed the board that the school parking lots are taking shape. The cement work is done. The bond rate of 0.6% was fantastic news for the school district for the MSHS parking lot project. The administration continues to review scenarios as it relates to the start of the upcoming school year. No one knows what is going to happen for sure with the upcoming school year, but everyone will need to be flexible. The new copy machines are arriving within the next couple of weeks, and we look forward to working with EO Johnson.

Mrs. Meyer continues to work on the following projects for the district: Abatement bond paperwork/Moody's rating calls and documents; Local Collaborative Time Study; review vendor budget projection models; review device billing processes; LTFM 10-year plan; review processes for COVID 19 and visitor requirements; SFSP meal claims; meeting on food service and back to school process; year-end work; and Other business office duties.
