

Parents Right To Know

PARENT'S RIGHT TO KNOW

School districts must notify parents of children attending Title I schools that they can request information regarding their children's teachers, including, at a minimum, information on (1) completion of state requirements for licensure and certification; (2) emergency or other provisional status; (3) educational background; and (4) whether paraprofessionals are serving the child and, if so, the paraprofessionals' qualifications.

Parents can request information about teachers

Under the Every Student Succeeds Act, parents have the right to request information regarding the professional qualifications of their student's classroom teachers. Parents who would like to receive this information should contact:

Caledonia Area Elementary
511 West Main St
Caledonia, MN 55921

Parents can designate which of the following information they want:

1. Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 1. Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
 1. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
 1. Whether the child is provided services by paraprofessionals and, if so, their qualifications.
