| <b>BOARD POLICY</b>               | <b>902</b>   |
| <b>SERIES: 900</b>                | <b>School District – Community Relations</b>             |
| <b>SUBJECT: 902</b>               | <b>Use of School District Facilities &amp; Equipment</b> |
| <b>ADOPTED: December 15, 2014</b> |  |
| <b>REVIEWED: April 18, 2022</b>   | <b>Pages: 1 of 6</b>                                     |

Requests for rent of school district equipment may be made by other governmental, nonprofit or reciprocating entities. Administration and the School Board will review each request on a case-by-case basis for the type of equipment, the extent it may be used, the manner in which it may be scheduled for use and any charges made relating to the equipment. The school board will approve or deny any such requests.

The school board shall encourage use of the school facilities and equipment for community education classes and for general community use.

All activities must be under the direction and supervision of a responsible adult. The school board may impose additional regulations and conditions upon the use of school facilities as it deems appropriate.

The school board may require a rental fee for the use of school facilities. Such fee may include the cost of custodial and supervisory service. It may also require a deposit or a surety bond for the proper use and repair of damage to school facilities. A rental fee schedule, deposit or surety bond schedule and payment procedure shall be presented for review and approval by the school board.

The school board shall approve the type of equipment that is available for community use, as well as the manner, extent, and any charges for usage.

Procedures for scheduling, registration, and collection of fees shall be the responsibility of the school district administration.

Individuals and groups shall be responsible for damage to facilities and equipment.
