

# A chance to make a difference...

## We're building a better future through the School District Foundation

The Foundation was formed to develop and channel resources from inside and outside the Caledonia area public school district. The resources generated will be used to advance educational opportunities through mini-grants such as, field trips, classroom resources and library books. Also, up to ten \$1000 scholarships are awarded each year to graduating seniors.

## You're invited

By becoming a Friend of the Foundation your membership will support and advance our students' education. You will receive correspondence from the Foundation about its events and fund-raisers, along with a report on the Foundation's fund usage.

Find us:

Under District Tab  
Facebook page: ISD 299 Foundation

## Ways to help

Your financial support will enrich our children's education and development from their early years through graduation. With your support our youth will develop a sense of pride in our community. Our children will mature knowing that your support has provided them with strong opportunities for matching gifts.

You can help through memorials, attendance at the Fun Night, donating auction items, becoming a yearly member of the foundation, and/or checking with your company's human resource office for matching gifts.

Please consider becoming a member by filling out the attached membership card and returning with your tax deductible contribution.

## Tax deductible

The Foundation is a section 501 (c)(3) tax exempt Foundation. All financial gifts and memberships are tax deductible.

## Friends of the Foundation annual membership donation

Your gift to the Foundation will allow our students to enter the future with a strong sense of community support.

Please select your annual membership level.

- Black .....\$30
