DOVER-EYOTA PUBLIC SCHOOLS

2022-2025 STRATEGIC DIRECTION

SAFETY

OBJECTIVE: Create a safe and welcoming environment for students, staff, and community.

PRIORITIES

Maintain Safe & High Quality Facilities

Support Mental Health & Wellbeing

ACTIONS

- Explore and align facility improvements to meet the changing needs of students, staff, and community
- Address environmental hazards including air and water quality
- Upgrade safety and security systems
- Provide mental health education and resources for students, staff, parents, and community
- Focus on social emotional learning to help students understand emotions and empathy
- Assemble a districtwide team to monitor and support health initiatives

OPPORTUNITY

OBJECTIVE: Enhance educational opportunities for all students and staff.

PRIORITIES

Create Student Learning Opportunities & Activities

Increase Staff Professional Development & Retention

ACTIONS

- Offer a variety of educational experiences to expand student growth and learning
- Explore expansion of classrooms to enhance educational and career experiences
- Offer research-driven professional development that is innovative, relevant, embedded, and actionable for all staff
- Create competitive compensation packages for all staff

ACHIEVEMENT

OBJECTIVE: Prepare students and staff for academic and professional success.

PRIORITIES

Ensure Student Achievement & Success

Provide PreK, College, & Career Opportunities

ACTIONS

- Identify and match supplemental supports to individual student needs
- Provide student-centered and future-focused curricula for PreK through Grade 12
- Use data from multiple sources to help students succeed
- Create a quality continuous path of learning PreK through Grade 12
- Enhance and expand student career and college-focused experiences

RELATIONSHIPS

OBJECTIVE: Cultivate positive educational and community relationships.

PRIORITIES

Create Positive Behaviors & Culture

Develop Community Partnerships

ACTIONS

- Expand behavioral initiatives to provide positive and equitable learning environments
- Encourage sharing diverse opinions and experiences to create an inclusive learning environment
- Collaborate with our community and businesses to provide educational and career opportunities
- Partner with our community to increase effective communication

Dover-Eyota's strategic direction for technology includes providing a reliable network infrastructure that improves accessibility and availability to students, staff, and families for educational success. Reliable technology is an essential element for communicating and implementing the priorities and actions identified in this strategic direction.
