206 PUBLIC PARTICIPATION IN SCHOOL BOARD MEETINGS/COMPLAINTS ABOUT PERSONS AT SCHOOL BOARD MEETINGS AND DATA PRIVACY CONSIDERATIONS

I. PURPOSE

- A. The school board recognizes the value of participation by the public in deliberations and decisions on school district matters. At the same time, the school board recognizes the importance of conducting orderly and efficient proceedings, with opportunity for expression of all participants' respective views.
- B. The purpose of this policy is to provide procedures to assure open and orderly public discussion as well as to protect the due process and privacy rights of individuals under the law.

II. GENERAL STATEMENT OF POLICY

- A. The policy of the school board is to encourage discussion by persons of subjects related to the management of the school district during Open Forums or during Visitor's Communications at school board meetings. The school board may adopt reasonable time, place, and manner restrictions on public expression in order to facilitate free discussion by all interested parties.
 - 1. Upon request, an Open Forum may be held one-half hour prior to a scheduled board meeting to facilitate the discussion of a current topic. This meeting may be called by the chair or superintendent. Any person requesting an Open Forum should do so in writing to the superintendent or chair no less than seven (7) calendar days prior to a scheduled board meeting. (Board packets are mailed or emailed to members five [5] calendar days prior to a regular meeting so seven days allows time to add Open Forum information to the packet.)
 - 2. An individual may speak to the board during their regularly scheduled meeting in one of the following ways:
 - a) Complete a "Communication to the School Board" form that should be submitted to the Superintendent of Schools one week prior to the meeting. Such prior notice would allow time to be allotted on the board agenda for such communication.
 - b) A Visitor's Communication time is allotted during open board meetings. Visitors who wish to speak during "Visitor's Communication" are requested to register their name and topic on a sign-in sheet prior to the start of the board meeting. The visitor will then be allowed a period of two minutes to speak to the board. The board would not be required to respond to the topic at the meeting.
- B. The school board may decide to hold certain types of public meetings where the public will not be invited to address the school board. Possible examples are work sessions and board retreats. The public will still be entitled to be notified of these meetings and will be allowed to attend these meetings, but the public will not be allotted time during the meeting to address the board.
- C. The school board shall, as a matter of policy, protect the legal rights to privacy and due process of employees and students.

III. DEFINITIONS

- A. "Personnel data" means government data on individuals maintained because the individual is or was an employee or applicant for employment. For purposes of this policy, "employee" includes a volunteer, or an independent contractor.
- B. Personnel data on current and former employees that is "public" includes:
Name; employee identification number, which must not be the employee's social security number; actual gross salary; salary range; terms and conditions of employment relationship; contract fees; actual gross pension; the basis for and the amount of any added remuneration, including expense reimbursement, in addition to salary; bargaining unit; job title; job description; education and training background; previous work experience; date of first and last employment; the existence

and status of any complaints or charges against the employee, regardless of whether the complaint or charge resulted in a disciplinary action; the final disposition of any disciplinary action as defined in Minn. Stat. 13.43, Subd. 2(b), together with the specific reasons for the action and data documenting the basis of the action, excluding data that would identify confidential sources who are employees of the public body; the complete terms of any agreement settling any dispute arising out of the employment relationship, including a buyout agreement as defined in Minn. Stat. 123B.143, Subd. 2, except that the agreement must include specific reasons for the agreement if it involves the payment of more than \$10,000 of public money; work location; work telephone number; work-related continuing education; honors and awards received; and payroll time sheets or other comparable data that are only used to account for employee's work time for payroll purposes, except to the extent that release of time sheet data would reveal the employee's reasons for the use of sick or other medical leave or other not public data.

- C. Personnel data on current and former applicants for employment that is "public" includes:
Veteran status; relevant test scores; rank on eligible list; job history; education and training; and work availability. Names of applicants shall be private data except when certified as eligible for appointment to a vacancy or when applicants are considered by the appointing authority to be finalists for a position in public employment. For purposes of this subdivision, "finalist" means an individual who is selected to be interviewed by the appointing authority prior to selection.
- D. "Educational data" means data maintained by the school district which relates to a student.
- E. "Student" means an individual currently or formerly enrolled or registered in the school district, or applicants for enrollment, or individuals who receive shared time services.
- F. Data about applicants for appointments to a public body, including a school board, collected by the school district as a result of the applicant's application for appointment to the public body are private data on individuals, except that the following are public: name; city of residence, except where the appointment has a residency requirement that requires the entire address to be public; education and training; employment history; volunteer work; awards and honors; prior government service; any data required to be provided or that is voluntarily provided in an application to a multimember agency pursuant to Minn. Stat. 15.0597; and veteran status. Once an individual has been appointed to a public body, the following additional items of data are public: residential address, either a telephone number or electronic mail address where the appointee can be reached, or both at the request of the appointee; the first and last dates of service on the public body; the existence and status of any complaints or charges against an appointee; and, upon completion of an investigation of a complaint or charge against an appointee, the final investigative report unless access to the data would jeopardize an active investigation. Any electronic mail address or telephone number provided by a public body for use by an appointee shall be public. An appointee may use an electronic mail address or telephone number provided by the public body as the designated electronic mail address or telephone number at which the appointee can be reached.

IV. RIGHTS TO PRIVACY

- A. School district employees have a legal right to privacy related to matters which may come before the school board, including, but not limited to, the following:
 - 1. right to a private hearing for teachers, pursuant to Minn. Stat. 122A.40, Subd. 14 (Teachers Discharge Hearing);
 - 2. right to privacy of personnel data as provided by Minn. Stat. 13.43 (Personnel Data);
 - 3. right to consideration by the school board of certain data treated as not public as provided in Minn. Stat. 471.705, Subd. 1d. (Not Public Data).
 - 4. right to a private hearing for licensed or nonlicensed head varsity coaches to discuss reasons for nonrenewal of a coaching contract pursuant to Minn. Stat. 122A.33, Subd. 3.
- B. School district students have a legal right to privacy related to matters which may come before the school board, including, but not limited to, the following:
 - 1. right to a private hearing, Minn. Stat. 121A.47, Subd. 5 (Student Dismissal Hearing);
 - 2. right to privacy of educational data, Minn. Stat. 13.32 (Educational Data); 20 U.S.C. 1232g (FERPA);

3. right to privacy of complaints as provided by child abuse reporting and discrimination laws, Minn. Stat. 626.556 (Reporting of Maltreatment of Minors) and Minn. Stat. Ch. 363A (Minnesota Human Rights Act).

V. THE PUBLIC'S OPPORTUNITY TO BE HEARD

The school board will strive to give all persons an opportunity to be heard and to have complaints considered and evaluated, within the limits of the law and this policy and subject to reasonable time, place, and manner restrictions. Among the rights available to the public is the right to access public data as provided by Minn. Stat. 13.43, Subd. 2 (Public Data) and Dover-Eyota Schools Policy 206, Section II.

VI. PROCEDURES

A. Agenda items

1. A Visitor's Communication time is allotted during open board meetings. Visitors who wish to speak during "Visitor's Communication" are requested to register their name and topic on a sign-in sheet prior to the start of the board meeting. The visitor will then be allowed a period of two minutes to speak to the board. The board would not be required to respond to the topic at the meeting.
2. The school board chair will recognize one speaker at a time, and will rule out of order other speakers who are not recognized. Only those speakers recognized by the chair will be allowed to speak. Comments by others are out of order. Individuals who interfere with or interrupt speakers, the school board, or the proceedings may be directed to leave.
3. The school board retains the discretion to limit discussion of any agenda item to a reasonable period of time as determined by the school board. If a group or organization wishes to address the school board on a topic, the school board reserves the right to require designation of one or more representatives or spokespersons to speak on behalf of the group or organization.
4. Matters proposed for placement on the agenda which may involve data privacy concerns, which may involve preliminary allegations, or which may be potentially libelous or slanderous in nature shall not be considered in public, but shall be processed as determined by the school board in accordance with governing law.
5. The school board chair shall promptly rule out of order any discussion by any person, including school board members, that would violate the provisions of state or federal law, this policy, or the statutory rights of privacy of an individual.
6. Personal attacks by anyone addressing the school board are unacceptable. Persistence in such remarks by an individual shall terminate that person's privilege to address the school board and they may be asked to leave.
7. Depending upon the number of persons in attendance seeking to be heard, the school board reserves the right to impose such other limitations and restrictions as necessary in order to provide an orderly, efficient, and fair opportunity for those present to be heard.

B. Customer Compliments, Concerns, Complaints

1. If the public or an employee has a concern about an employee of the school district, they should direct that concern to the individual. If not resolved, they should direct that concern to the individual's supervisor. If still not resolved, they should direct the concern to the superintendent or to a school board member who will complete a Customer Compliment, Concern, Complaint form.
2. A general complaint (one which does not involve a particular individual) should be noted on a Customer Compliment, Concern, Complaint form which should be forwarded to the superintendent who will direct the complaint to the appropriate department supervisor.
3. Upon receiving the completed form, the department supervisor will take corrective action, note on the form what action was taken, and forward the completed form to the superintendent's office. The superintendent will review the action taken, initialize the form, and send the copies to the appropriate persons (one to complainant, one to supervisor, one for files).

4. Public comment cards are also available in all school building offices. Completed comment cards should be forwarded to the superintendent for review and appropriate action.
5. If the complaint is against an employee relating to child abuse, discrimination, racial, religious, or sexual harassment, or other activities involving an intimidating atmosphere, the complaint should be directed to the employee's supervisor or other official as designated in the school district policy governing that kind of complaint. In the absence of a designated person, the matter should be referred to the superintendent.

C. Visitor's Communication

The school board shall normally provide a specified period of time when persons may address the school board on any topic, subject to the limitations of this policy. The school board reserves the right to allocate a specific period of time for this purpose and limit time for speakers accordingly.

The school board may decide to hold certain types of public meetings where the public will not be invited to address the school board. Possible examples are work sessions and board retreats. The public will still be entitled to notice of these meetings and will be allowed to attend these meetings, but the public will not be allotted time during the meeting to address the board.

D. No Board Action at Same Meeting

Except as determined by the school board to be necessary or in an emergency, the school board will not take action at the same meeting on an item raised for the first time by the public.

VII. PENALTIES FOR VIOLATION OF DATA PRIVACY

- A. The school district is liable for damages, costs and attorneys' fees, and in the event of a willful violation, punitive damages for violation of state data privacy laws. (Minn. Stat. 13.08, Subd. 1)
- B. A person who willfully violates data privacy or whose conduct constitutes the knowing unauthorized acquisition of not public data is guilty of a misdemeanor. (Minn. Stat. 13.09)
- C. In the case of an employee, willful violation of the Minnesota data practices law, Chapter 13, and any rules adopted thereunder, including any action subject to a criminal penalty constitutes just cause for suspension without pay or dismissal. (Minn. Stat. 13.09)
