

711 VIDEO RECORDING ON SCHOOL BUSES

I. PURPOSE

The transportation of students to and from school is an important function of the school district, and transportation by the school district is a privilege and not a right for an eligible student. The behavior of students and employees on the bus is a significant factor in the safety and efficiency of school bus transportation. Student and employee misbehavior increases the potential risks of injury. Therefore, the school district believes that video recording student passengers and employees on the school bus will encourage good behavior and, as a result, promote safety. The purpose of this policy is to establish a school bus video recording system.

II. GENERAL STATEMENT OF POLICY

A. Placement

1. Each and every school bus owned, leased, contracted and/or operated by the school district shall be equipped with a fully-enclosed box for placement and operation of a video camera and conspicuously placed signs notifying riders that their conversations or actions may be recorded.
2. Two video cameras will be installed in each and every school bus owned, leased, contracted and/or operated by the school district.

B. Use of Video

1. A video recording of the actions of student passengers and/or employees may be used by the school district as evidence in any disciplinary action brought against any student or employee, arising out of the student's or employee's conduct on the bus.
2. A video recording will be released to the public only in conformance with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13 and the Family Educational Rights and Privacy Act, 20 U.S.C. 1232g and the rules and/or regulations promulgated thereunder.
3. Video recording will be viewed by school district personnel on a random basis and/or when discipline problems on the bus have been brought to the attention of the school district.
4. A video recording will be retained by the school district until relouped or until the conclusion of disciplinary proceedings in which the video recording is used for evidence.
