

589 PARKING LOTS

I. PURPOSE

The school district desires to maintain a safe and orderly system of parking at all publicly attended events, including an unobstructed path to any district facility for all types of emergency vehicles.

II. GENERAL STATEMENT OF POLICY

The Dover-Eyota School District shall establish and enforce guidelines to ensure the purpose above. Anyone attending an event sponsored by the Dover-Eyota School District will be expected to comply with parking rules and expectations established by the district.

III. PARKING EXPECTATIONS

A. Attendees using our parking lots shall be required to park only in appropriately marked parking spaces and/or on properly marked street locations.

B. Attendees are expected to fully abide by all parking-related signage at all times.

C. Only vehicles displaying proper handicapped permits will be allowed in handicapped parking spaces.

D. At no time shall a vehicle be parked in a location which even remotely impedes access to school facilities by any emergency vehicle, including but not limited to police, fire and ambulance departments and personnel.

IV. ENFORCEMENT

A. School personnel and county law enforcement officers will be provided with the above expectations and maintain authority to ensure their enforcement.

B. Violators of any parking regulation shall be subject to any of the following consequences depending on a number of variables, and at the discretion of enforcement personnel:

1. A "notification of violation" placed on the windshield of the violating vehicle.

2. A reasonable effort to contact the owner of the violating vehicle providing the opportunity to comply by moving their vehicle.

3. The possible removal by towing of the violating vehicle from our parking lot.
