

Elementary News and Notes

Dear Parents/Guardians,

Just a quick reminder this week, that the temperature is very much fluctuating, even within a single day of school. This means dressing for the weather needs to still happen. We have had a number of students without hats, gloves, snow pants, and even coats. We have had days that are in the negatives either real temperature or feel like temperature. We are going outside for any days that register at -5 degrees fahrenheit or above. We anticipate that some form of cold/cooler weather will remain through much of February and March. Please plan to still send cold weather gear through the next couple of months.

Coins for Cancer: The elementary Student Council is hosting Coins for Cancer. Between February 10th and February 28th, students can bring in money for their grade to donate to the Eagles Telethon. All money raised will go to the Eagles Telethon. The winning grade will earn a Pizza Party!

Book Fair: In conjunction with the Conferences next week, we will have a book fair going on at the same time. It will be open to the public on Tuesday, February 18th and Thursday, February 20th from 3:30-7:30 both days.
