# **Scholar Athlete guidelines**

The Central Buckeye League will give the following Scholar-Athletes awards:

A. **Senior Awards** - A senior male and a senior female will be selected as the Senior Scholar-Athlete. Each individual will receive a plaque and \$1000.00. The \$1000.00 will be made in two payments of \$500.00 and will be sent to the candidate after the recipient provides proof of enrollment in a post-secondary institution to the Commissioner by September 1st of the year the award was won.

Exceptions to this guideline can be made by approval of the Executive Committee.

In the event the athlete chosen for this award does not attend college or receives a full scholarship, the \$1000.00 will be awarded to the runner-up in the voting for the award. Should the runner-up not use the money, the \$1000.00 will not be awarded for that year.

B. **Junior Awards** - A junior male and a junior female will be selected as the Junior Scholar Athlete. Each individual will receive a plaque.

All scholar athletes will be recognized on the CBL website.

The following criteria need to be met by nominees:

- a. The nominee must have a cumulative 3.5 grade average through the semester preceding nomination.
- b. The nominee must be a letter person in two varsity sports during the year of nomination.
- c. In order to be eligible for this award, the student athlete applications must be in the hands of the League Commissioner no later than the April Executive Meeting. Nominating schools will bring nine copies of the complete nomination form to the April Executive committee meeting; one copy for each school in their respective division and one copy for the commissioner.

Each member of the Executive Committee shall be prepared to cast the vote of their school for the Scholar Athlete Awards during the May meeting of the Executive Committee. A ballot will be prepared of all nominees by the Commissioner.

The candidate must receive at least 50% of the divisional votes to receive the award. If no candidate receives 50% of the votes on the first ballot, then a run-off of the top two candidates will be conducted. This procedure will continue until a candidate receives at least 50% of the votes. Should a 4-4 vote exist, two plaques will be awarded as Co-Scholar Athletes and any monetary award will be split equally. These awards will be paid out of the Mid-State League treasury.
