A La Carte Permission Form

Along with our school breakfast and lunches served each day, we also have a la carte items available which students can purchase before school and during their lunch hour. These times include such things as pretzels, cookies, fruit snacks, sunflower seeds, peanuts, juice, water, etc. If you wish to give permission to your child to charge a la carte items against their lunch account, please complete the bottom section of this form and return it to the District Office. One (1) day's meals will be allowed to be credited against a negative balance but a la carte items can only be charged when sufficient funds are deposited into the account. Your child is notified daily as they go through the lunch line if their account is less than \$10.00, and it is their responsibility to notify you that they need lunch money. Notices will be mailed home on Monday for all accounts with a balance of \$5.00 or less. If you have any questions or wish to request a printout of your family's account, please feel free to contact the business office at (320) 395-3000.

I give _____ (child's name), grade _____, lunch account # _____, permission to charge **A LA CARTE ITEMS** and **SECOND SERVINGS** (PLEASE CIRCLE) against our family lunch account. I understand it is our responsibility to monitor the funds in the account and to keep an appropriate balance available for daily meals. If the balance goes negative, I understand my child will not be allowed to charge **a la carte items or hot lunch**.
