JOIN US IN CELEBRATING PUBLIC SCHOOLS WEEK NEXT WEEK!

Dear LP Students, Staff, and Families:

This year, **Public Schools Week** will be celebrated February 26 to March 1, 2024. It's a time when communities across the country will come together to celebrate, support, and champion public education.

This week, we would like to especially thank our teachers and staff. At Lester Prairie School District, the work they are doing every day directly contributes to the future success of our students and our community as a whole.

Our world is changing rapidly, and it is our responsibility to educate and prepare students for their futures. It is also our responsibility to ensure that students are both accepted and celebrated. At Lester Prairie Schools, the individual needs, talents, and personalities of every student are championed and cherished.

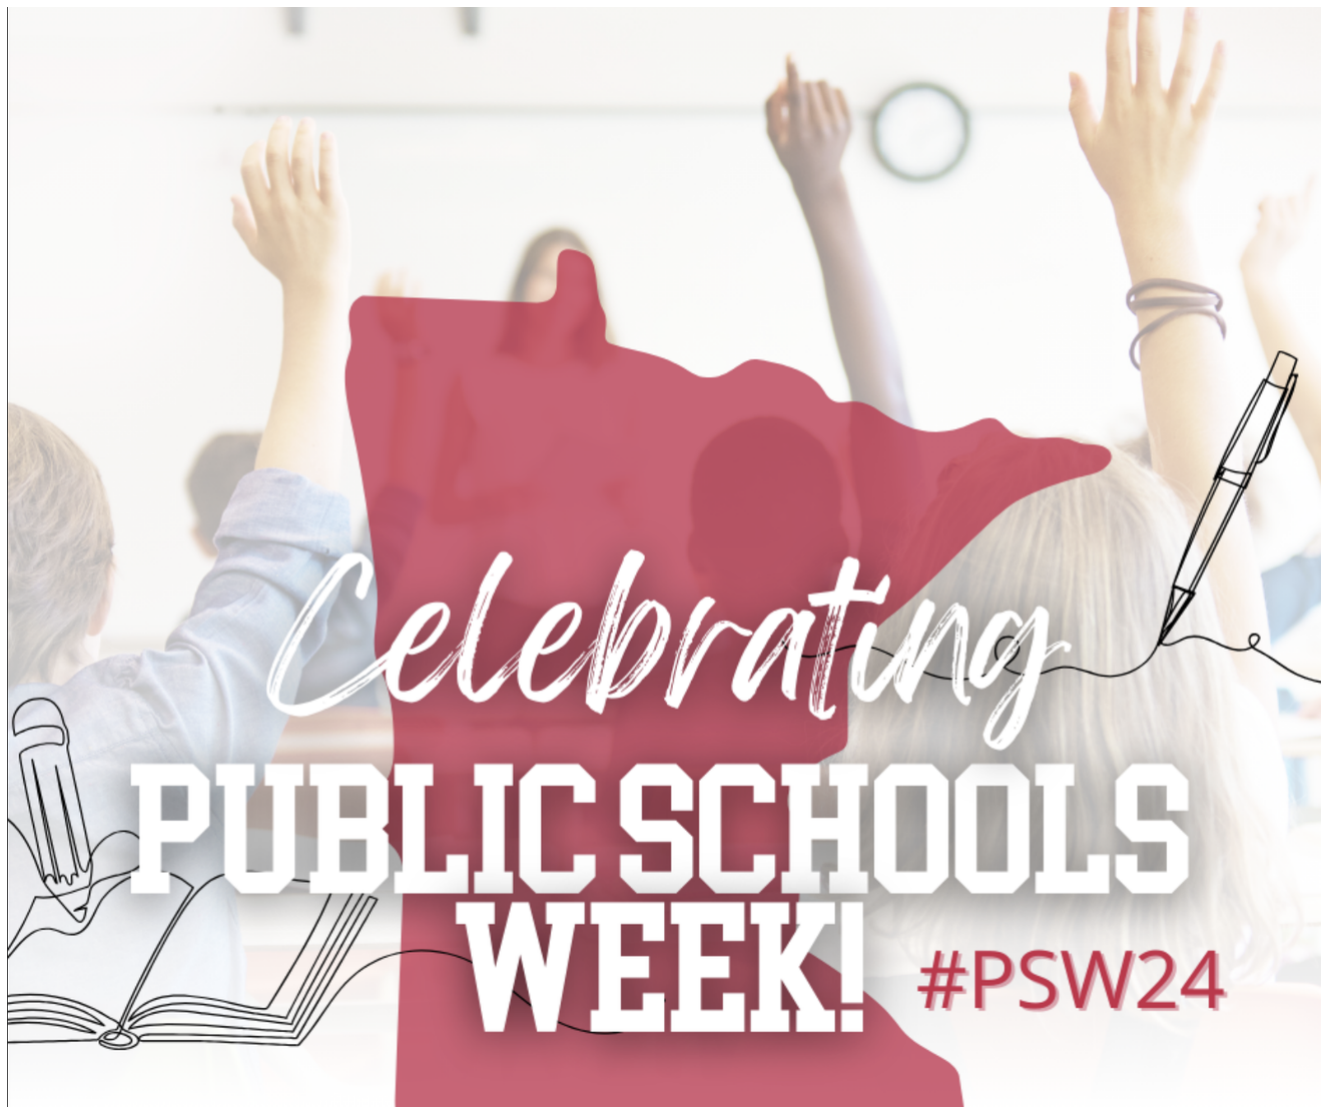

During Public Schools Week, we will be sharing highlights of public education and highlights of Lester Prairie Schools on our Facebook and Twitter accounts. We invite you to join us in this celebration and share your own positive reflections.

We are thankful for our entire Bulldog community:

- Our students, whose positive passions, resilience, and achievements inspire us daily.
- Our teachers and staff, whose work shapes the minds of our future leaders.
- Our families and community members, whose partnerships support and lift up our Bulldogs.

Our collective efforts make our Bulldog learning community thrive!

With sincere thanks,
Superintendent Melissa Radeke
