LP SCHOOL CEREAL BOX DRIVE

March 24-April 4

Join in on the fun and give back to our community by bringing an unopened box of cereal. Once we receive all of the donated cereal boxes, we will create a cereal domino effect in the gym. This includes PreK-12th grade, staff, and community.

Let's see if we can reach **800** boxes. If we reach our goal - some staff have volunteered to be pied.

Cereal can be brought to the office.

Donations will go to LP Outreach Program and
McLeod County Food Shelf
