### Activities and Sports

Are you possibly interested in trying out theater, becoming like your favorite actor in movies or tv shows? How about starting with a fall play? We are looking to get an idea on how many people would be interested in doing a fall play next school year! We are looking at what time to hold practices as well, so if you are in another sport we will work with your schedule. If you are currently in 6th-11th grade and are interested, please sign up in the office through May 9th! This does not commit you to anything. It just gives us a rough estimate.

There will be a volleyball meeting on Wednesday, April 30<sup>th</sup> after school in the media center. This meeting is for girls currently in grades 6 – 11 that are planning on playing volleyball next season.
