Nestor Garaza 3rd 800m and 1600m

Keaton Mathews- 5th-Triple Jump

Are you possibly interested in trying out theater, becoming like your favorite actor in movies or tv shows? How about starting with a fall play? We are looking to get an idea on how many people would be interested in doing a fall play next school year! We are looking at what time to hold practices as well, so if you are in another sport we will work with your schedule. If you are currently in 6th-11th grade and are interested, please sign up in the office through May 9th! This does not commit you to anything. It just gives us a rough estimate.

There will be a volleyball meeting on Wednesday, April 30th after school in the media center. This meeting is for girls currently in grades 6 – 11 that are planning on playing volleyball next season.

There will be a Football meeting for current 8th -11th grade students on Tuesday May 6th at 7:45am in the Media Center. Captains will be voted on so we would like everyone who is planning to play in the fall to be in attendance. - Coach Helland
