Lester Prairie Scholarship Fund Announces Recipients for 2025

The Lester Prairie Scholarship Fund has been in existence in 1984. This group is funded by generous donations from local businesses, community groups and individuals. We are so grateful for their support.

Each year applications are made available to graduating seniors of the Lester Prairie School. The applications are reviewed anonymously by individuals not associated with the school. All scholarships are given out based on the students' completed application form and are merit-based. The awards are based on academic achievement, extracurricular participation, volunteer efforts in the school and community, short essay questions regarding how they have been a role model and their hopes and plans for the future. If you have any questions regarding this organization, feel free to contact Terri Helland or Christine Mattson at Lester Prairie Schools.

This year the Lester Prairie Scholarship Fund is so very proud to be awarding **scholarships totaling \$23,500** to LPHS 2025 graduating seniors.
